Cowboys Can Love Harder--News Bulletin

Um....How can I save this, this is hard. Um, I have lost interest in writing CCLL! When I wrote Sex and Romance and Make Me a Woman, I was anxious to write it almost everyday. With this one, I just don't got the gumption to write it. I thought at first it was the stress I am going through and me getting a massive eye infection that prevented me from seeing really good out of my left eye. I have decided, Westerns are not my forte!

I will promise y'all that I will write a new story. I am brainstorming it right now, I like more modern stories as well and its very hard to write a western story that takes place in the late 1800's. I am sorry to say, hope you understand and read my new story, expect it tomorrow the earliest or by this weekend. It don't take me long. You know I am fixing to start a story when I publish the character pictures (which I already know the male character.

Sorry, you sitll love me??? LOL LOL

XOXO,

Nikki
