The Wrestling Story

By : sosnh

This story contains superstars from all different Professional Wrestling brands. It will be mostly centered around the WWE and Impact Wrestling (TNA). I have put myself into it, as well as some of my friends. Check out FanFiction.com as well. It will have the exact same stories as this one does.

Thanks, and I hope you understand.

Here is a part of Chapter 1 to get you to read it from the link above:

James was in the ring with Jeremy. He let's Jeremy give him a right jab, than he retaliated by giving Jeremy a Backbreaker. Jeremy actively tags Fred in, and Shane pulls his hand out, asking James to tag him. They tag. Fred runs at Shane, with his right hand extended, ready to connect with a Clothesline, but Shane ducks and flies off the ropes and does a side kick to Fred's head. Shane pulls Fred up, and put's him in the Powerbomb stance. Shane lifts Fred up and plants a powerful Powerbomb into him. James runs in the ring and Dropkicks Jeremy down to the tarp, while Shane pins Fred.

The referee holds both winners' hands up.
