Cock and MouthÂ - a Morning BJ

Background:*Â Â This story is about a morning blowjob.* ***It is a play on words.*** *The man and woman in this story are in relationship. Â The man woke up with a woody, turned over and teasingly poked the woman with it. The woman wakes up, just as the man gets up, pisses and returns to bed to catch another 40 winks. The poking causes the woman to become aroused, but instead of wanting a roll in the hay â the woman decides to give her man a BJ. This course of action requires the Cock to cooperate with the Mouth to achieve the end result.*Â Â

Cock is napping.Â Mouth whispers to Cock, â I know you want some. You always want some. Please wake up.â She teases Cock by licking his balls. Cock wakes up, but decides to play hard to get.

Â

Mouth feelsÂ Cock's balls tighten, so she knows Cockâ s awake.Â When Cock doesnâ t instantly grow harder, Mouth realizes Cock is just being stubborn. However, Mouth knows how to tickle his sweet spots. So, Mouth moans as she moves a bit lower to lick the sensitive area under Cockâ s balls. Cock loves Mouth when she does that. Ummmm! Cock revels in that feeling and rises a bit to take notice. Mouth follows the ridge of skin with her tongue all the way up the shaft to the rim of Cockâ s head. Ummmmmm! Cock rises in reaction to Mouthâ s actions. Ummmmm! Cock sighâ s loudly â do it again Mouth, OMG that feels GREAT!

Â

Mouth rewards Cockâ s interest â because she wants to make him happy. So, she does it again. When she gets back up to Cockâ s head - she uses her tongue to make fluttering licks all the way around the rim of Cockâ s head. Cock is in love with Mouth and stands-up begging for even more attention. Mouth delivers.

Â

Mouth gently suckâ s Cockâ s head inside and uses her tongue to swirl all around Cockâ s sensitive head. Cock loves all this attention and grows even harder.Â Feeling Cock grow excites Mouth, so she turns on the charm. She repeats key maneuvers, doing all the things that Cock loves to feel. She delivers more butterfly tongue flicks up and down and all along Cockâ s shaft. She swirls her tongue all around the rim of Cockâ s big head. Cock loves all of Mouthâ s attentions.

Â

Cock has risen to the Challenge - â Letâ s do this â Baby. Itâ s game-on Mouth! â Mouth feels how rigid Cock is and knows he is ready to get serious. Â To heighten the sensations, she devours Cock, inching her lips up and down Cockâ s shaft.Â Ummmmm! Cock is in heaven â You go girl!â Mouth swirls her tongue all over Cockâ s head every time she pulls up and pushes down on the shaft. Cock can feel his balls contracting. Almost baby!

Â

Mouth feels Cock grow even more rigid, so she tightens her lips around Cockâ s shaft even more. And as she rises and descends, sheâ s pressing her tongue up and down the sensitive underside. Cock is so close to losing his load. â Just a little bit more babyâ Cock begs Mouth. Ahhhhh â YES! Cock cums..and cums.Â Â Â Â Â Â Â Â Â Â Â Â Â Â Mouth moans happily as she sucks up Cockâ s nectar. Feeling satisfied and loved, Cock softens.Â

Â

Â Man tells Woman â OMG that was GREATâ ¦! Thanks Sweetie.Â Â That was worth at least 4 â At-a-Girlsâ â Â Â Mouth, smiles smugly.Â Â Â Â Â Â Â Â
