It opened â yes!â she said â alright guys remember toâ â she stopped her sentence she saw as her friends Dylan and Tom were turning into zombies â NO!â she screamed running away trying to find Kylie the zombies were not too far away then she found and started running with Kylie â Go! Go! Go!â Ellie screamed they got out of the dark high school not so long away was the Oak-wood cemetery with some graves including Cheyanne's dadâ s grave were empty

## Chapter 1 the end of the world

The Dixon High School bell rang almost to Halloween. â Thanks Melissa for saving my butt yesterdayâ Cheyanne said. Cheyanneâ s friend named Melissa smiled â youâ re welcome.â Melissa said â Hey do you know what they were planning to do to me anyway?â Cheyanne asked Melissa. \*sigh\* Melissa sighed â they were trying to prank you by hurting your feelings Cheyanne; anyways donâ t you have that upstairs class of yours to go to?â Melissa asked. â Hey thatâ s oddâ Cheyanne said looking down on the ground seeing footprints. Melissa looked down, her jaw dropped. â Oh my god!â They knelt down, Melissa pick up some of the brown stuff. â It-its mudâ she said. â Okay, 6 hours ago something or someone was walking the corridors at this school with Ellie and her friendsâ she explained to herself and Cheyanne. â Hey, Halloween is coming up soon so somebody was trying to prank them; you know to teach them a lesson.â â It wasnâ t a lesson, it was realâ a voice said behind them that sounded like Ellieâ s so they turned around. It was Ellie. â Ellie?!?!â Cheyanne said. â What are you doing here?â Melissa asked. â Iâ m trying to tell you something but I just canâ t think straightâ Ellie started to tear up a bit. â Just tell us what made these strangely odddlish footprints.â Melissa requested. â Alright, 2 of my friends were turned into something Iâ m terrified of!â Ellie explained. â I just want them back to normal instead of this zombie stage theyâ re inâ Ellie said. â What zombies?!?!â Melissa and Cheyanne yelled. â Yeahâ Ellie answered. â A zombie turned them into creatures I donâ t like, but keep this a secret, donâ t tell anybody including parents. Got it?!â They nodded. â Good. Well we betterâ â â aaaaaah!â They heard screams coming from the girlâ s bathroom. They looked down the hall. â Abbie, Kylie.â Ellie said then she started running. Cheyanne and Melissa followed. â How did the zombies get in here in the first place?â Cheyanne asked. â It was night, who knowsâ Ellie said. â Kylie Piper is the only person I can turn toâ she explained. stopped right in front of the girl's bathroom. They slowly walked in, it was dark. Ellie grabbed a flashlight from her pocket. Then Ellie turned it on "Oh God," Ellie said, "What's that smell?" Just then they heard a low growl and turned and saw nothing. "Ellie help!" Abbie screamed from one stall in the back. Then Ellie walked towards the stall and opened it Abbie and Kylie were hugging in fear, shaking. "Are you guys alright?" Ellie asked as something was walking up behind her. "There is something bad behind me, isn't there?" she asked. They both nodded. Cheyanne, Melissa and Ellie turned around and looked at it. It was a zombie "Aaaah!" Ellie Melissa and cheyanne screamed then Ellie grabbed both Kylie and Abbie and started running out of the bathroom. The zombie slowly followed them. As they were running they saw the upstairs class where Cheyanne's other friends are. "Let's go up the stairs, now!" Cheyanne said as they looked at each other. They nodded at Cheyanne and ran up the stairs. First they saw was Mrs. Law but then we ran into her, "Oof" we all said. "What are you guys doing here?" Mrs. Law said angrily. "Uh sorry Mrs. Law, we're running from something we're terrified of" Cheyanne said. "Like what?" Mrs. Law said. "Like uh" "we heard a load growl that echoed though the halls. Mrs. law looked up and said "Oh no, come quickly now, hurry!" So they started dashing into the class room where they found out it was Wednesday and the social worker was waiting for them. they suddenly halted as the class and Mrs. B were staring at them as they were sweating and out of breath. they went to their seats Mrs. Chapman waved at Cheyanne she waved back. Then Dantron said "how come you guys are here today I thought you guys were at cheer-leading and dance practice." then Ellie said "long story D, tell ya later." Then Melissa said "there won't be a later cause you know that zo" "--" sssh" Ellie shushed her "you know we can't tell them they'll get eaten we just have to wait til their gone and tell them later" Ellie said sitting into her seat "cheyanne lock the door we need to warn them." Melissa said in a whisper. "alright." so cheyanne headed out to the front door hurried shut it and locked it Ellie did the same thing for the back room. They met back at their desks. "Ellie we need to warn them" cheyanne said. Ellie nodded "Mrs. B Mr. seibel we need to talk." then cheyanne stood up and said "there is something we need to tell you about the last 50 seconds." then Melissa said "if you joins us you'll enter at your own risk" "there are freakishly disgusting zombies coming to the up stair's class room." kylie said "and if we don't fight it off we'll all get kill by them" abbie finally said "maybe it the curse" Richard said they all looked over at Richard the kinda weird kid. Then Ellie said "what you say?!" then David asked "how do you know all this?" "the book." Richard said as he pull out a scripture of a zombie spell from a black book. They all gasped in fear "you mean." Ellie asked "yes read this and the knowledge of the zombies will come to you" Ellie grabbed the paper and started reading "forever known who came and passed the creature known as in the scripture is the zombie of hands" "read more." said Richard. "And those who know that their family member is dead prepare to make sure that family member is dead" then Ellie finished reading the scripture "what the heck does this even mean?" then Cheyanne said "maybe it is a curse brought unto me." "what?" Ellie looked at cheyanne with a questioned look on her face "cheyanne what are you talking about?" she asked "my dad and grandpa are dead and almost my grandma but how can he be alive he's dead 14 years it's been since he died I was 3." cheyanne finished her speech "maybe the curse was brought on all of us just look at us we have family members that are dead and I hate to say this cheyanne but I have to be responsible to say this to you but here it goes I think your brave kind and caring I don't any zombie taking it away from you okay" Ellie said "help!" Mr. Tennyson yelled from the front door "uh oh" abbie said "come on open the door the zombies are gunna get him." Melissa said then Ellie and cheyanne went running to the door to save Mr. Tennyson

The glass broke the door's window was shattered they all looked away from the glass so it wouldn't get in their eyes. The zombies were trying to get in but they didn't have a key then Ellie and cheyanne attacked â get out of here you big headed no brained dummy.â Ellie said while hitting the zombie in the head with the broken chair piece then the zombie's head fell I off and landed in cheyanne's hands â aaahâ they screamed then cheyanne passed the head to Ellie â aaah no I don't want it you have it.â Ellie screamed passing it back to cheyanne back and forth and back and forth they went on passing it then cheyanne grabbed the stick then hit the head towards Melissa like a baseball â aaahâ then Melissa duck â are you insaneâ â sorry?!?!â Ellie and cheyanne both said â we're trying to kill zombies here.â cheyanne said â duh you think.â Ellie said struggling trying to get a hand of a zombie off her then cheyanne held up the stick trying to attack the hand that grabbed Ellie's shot down at it then Ellie's hand was released the zombie came in an bit cheyanne's hand â gaaahâ I screamed then Ellie punch the head of the zombie it released its jaw from me Ellie looked down a cheyanne's arm there was blood they knew she was bitten â oh noâ Melissa said as cheyanne started to faint Ellie and Melissa lifted her up â we got to get her to the class room statâ and then they took her to the class room
