

# Review of My book of Demi-Elf

By : **Matthew Brazwell**

Hey everyone. this book review is more or less going to tell you about the characters to my new novel im going to start writing after I finish my current one. My current one, The Living Death (horror), is going to be a multi-book series but I'm only doing the first for now. My new book is going to be an action adventure novel about a Light Elf named Shu Rimm who leaves his village of Wood Elves with his sister in law Holly Rimm to become a Drifting Mercenary. Here are the five main characters of the story!

## Review of My book of Demi-Elf

Salina, daughter of Asheline and John, is a human in Yashton Village. She works as a waitress at the Wazno Bar in downtown Yashton, but trains in her hand-to-hand combat afterwards. She always looked forward to becoming a drifting mercenary with a young, powerful man. (Oh and that was human) She looked for the opportunity practicing her techniques day and night, till suddenly an amazing young man came by and took on the bounty at the bar. Salina joins Shu and Holly on the bounty and later as part of the group. She also tends to flirt with Shu a lot even though she knows he is an elf.

### **Joe Weinstein**

**Sex** Male

**Race** Dwarf

**Age** 85 (Dwarf age)

**Hobby** Bodyguard & drifting mercenary

**Fighting Style** Large Axes

Joe Weinstein was the greatest bodyguard in all of Younton Village. He had never failed at protecting his principals yet. Everyone always misjudged him because of his height, but never noticed the muscles under those clothes of his. He always had a sense of humor though and tend to use it all the time. He always likes a challenge and this is the reason why he joins Shu and the others. His new principal was Shu and he would do anything to succeed in his mission.

### **Gob**

**Sex** Male

**Race** Goblin

**Age** 58 (Goblin Age)

**Hobby** Thief & drifting mercenary

**Fighting Style** Double Daggers

Gob, a short goblin who's family is unknown. He never liked to but always stole to survive. He mainly steals from people like solo drifters or rich people, but sometimes he would steal from whole groups and still get away. He never got caught before but he did this time. When he tried to steal from Shu and his comrades he sure got busted. He later joined the group to pay his debt, then to be a part of the group.
