# I'm Not Me Anymore

Is that me there in the mirror

Is this the demon that you see

I've never seen me this way before

I'm not the angel that I use to be.

I can see now why you run

I can't believe that I've changed

You said I use to be so much fun

But now you say I'm deranged.

I'm not Anakin Skywalker anymore

I don't care now why you cry

You ask what Darth Vader has in store

I have all this hate bottled up inside.

I've got to stay away from you

I can't fight the dark side you see

Once upon a time is over and through

There is no future for you and me.

Yes, that's me there in the mirror

This is the demon that you see

You've never seen me this way before

Well I'm not the angel that I use to be.

Let's see how fast you can run

You can't believe that I've changed

You said I use to be so much fun

I would say that my life has been rearranged.

# I'm Not Me Anymore

Because I'm not me anymore...
