The Beginning of the End has Arrived as in Sealed.

By : Timesoftrouble

Hundreds of my written stories concerning reality, truth, and the false man made religions worldwide with the god of this world as their head rather than Christ. And because all people have been mislead, duped, beguiled, hoodwinked, betrayed and double-crossed---all on earth have been left as stultified regarding the truths of God man does not teach. So says God that over three billion believers don't believe.
