Diamond- The Way I Love You

Constant battels constant pain

my little poisin girl

I load you up and find a Vein

then watch the colors swril

.....

I Love the way you smile

I love the way you dye your hair

I love the way you laugh

even love it when you stare

I love the way you make me feel

when we have time alone

I love the way you look at me

when I make you twist and moan

I love the way you touch me

I love watching you at night

I love you so much I let you win

even when I'm right

I love to watch you breathe

seeing your chest rise and fall

I love you so much it made me blind

so glad I risked it all

I love the way I loved you

I hate the way I love you

...

...

I hate the way I love you

even when it isn't fair

I can't believe I love you

when you're no longer there

despite how you betrayed me

and how we hurt each other

there's silent screaming agony

to know you're with another

he has his arms around you

he's fealt your tender kiss

this is Dante's tenth circle

you make me burn like this

...

...

I hate how you still miss me

despite our current state

so I'm in another country

why couldn't you just wait?

does he tell you that you're beautiful..

does he warm my side of bed..

at night I duel with deamons

while your memory fills my head

...

...

I love the way you loved me

how I could make you yearn for sin

I loved you, mind and body

and the tone of your soft skin

...

...

I think I might be punck drunk

I don't want to come to

I love the way you loved me

I hate the way I love you.
