Tell me what you see, when you look at me?

By : Sultry Alice

You just have to read this to see!

Tell me what you see, when you look at me?

What do you see, when you look at me?

*

What do you see, when you look at me?

Bright blue eyes, looking back

A blonde with a pretty face

Quiet demure innocence

*

What do you see, when you look at me?

Youthfulness and exuberance

A lover, wife, or mother

A sweetheart or a bitch

*

What do you see, when you look at me?

Success and wealth

A flirt and tease

A doctor or a nurse

*

What do you see, when you look at me?

A needy person or a fool

Curiosity or intelligence

A recluse or a model

*

What do you see, when you look at me?

Tell me what you see, when you look at me?

A goddess or a witch

A teacher or a party girl

A plaything or a whore

*

What do you see, when you look at me?

I know! You see what you want to see

I can tell you what I wished it would be

An artist, writer, and a friend; all three

***

Tell me what you see, when you look at me?
