Scratch Your Head Well - Poetry Contest

Hi, welcome to my contest! Read the following points before saying *"Yes"!*

First of all, this is my first ever challenge on Booksie. So, I cannot predict the outcome of this contest...

However, I think you would like to read my poem too! It's called "The Story of Fire". Those reading and commenting on it first will get preferance. *(Don't be pissed away! Just joking! Ha ha...)*

The more creative and descriptive your poem is, the more points you will get! The top ten will recieve a fan request from me, and the ones getting 'Good', 'well done' or 'Thanks for visiting' can request me to read any one decent poem from their work, and I'll surely try to read and comment.

You will have to post your comment to participate, and will recieve a Topic or keyword(s), on which your poem should be based. For an example, read the text below:-

TOPIC- "Water"

I'm the one whom you search on Mars,

I'm the one who may drive your cars,

I'm the one used in the old fashioned train,

When I fall from the sky you call me as rain,

I'm present to serve you all,

You will find me in any mall,

You boil me up to cook mouth-watering food,

A very few of you really ever think of my good.

On me you keep sailing your ships,

With me on a hot day you cool your lips...

That's all, friends!

Hope you will join, and let me know if you liked this poem! All types of comments will be fine!

Good luck!!!

(Please don't get any bad meaning in this, it's just as it is! Hope you understood! If not, then you deserve to be called an ?????)

Question: Guess the word above. You will get 5 points for the correct guess! Ha ha...

The numbering details:

TOTAL MARKS = 50

Divided into 5 grades:

E = Oh no! Poor pussy, Ugh! Sorry, dear... Better luck next time!

D = Fine, thanks for trying. Show me only one of your poems... Maybe I'll 'like' it! (Got it?)

C = Good, keep it up! Show me one beautiful poem or short story...

B = Very good! KMU ON YOUR NEW POEMS!!

A... No need to describe it! First prize!! Here I am, ready to fan you, and advertise your best work!

(Please press 'I like it' if you really like what I have written! This may help you!)

All the points and grading system doesn't matter much! I JUST WANT TO READ AND GET READ!! All of my participants will get above D grade, I hope!
