~~*over a simple n fair question*~~

~~*why cant u just answer it?*~~

~~*but why when i ask that question inn my fb for people's opinions*~~

~~*you commented it n kinda was angry?*~~

~~*then the fb war happens*~~

~~*seriously we never acted this way, especially me thou*~~

~~*never ever my intention of watever doin....wants to hurt u*~~

~~*but that day,im just so pissed that u couldnt answer that question*~~

~~*i guess my mind just when insane n things got out of control*~~

~~*we bashing each other on fb*~~

~~*n friends were all in shock*~~

~~*never they see me acting this way*~~

~~*what more saying harsh word publicly...*~~

~~*threw my hp to the wall*~~

~~*my room was a mess*~~

~~*in the end i stop comment*~~

~~*i dun remember what happen*~~

~~*but the next day i woke up*~~

~~*wif my right hand bruise n bleed*~~

~~*since im a medical student,radiographer*~~

~~*up until now i feel that way*~~

~~*n for someone like me its not normal*~~

~~*i wonder if this is how people feel after they fought with their bff???*~~

~~*or is this a feeling of worn out???*~~

~~*i really dunno....*~~
