BlackCherry's Challenge

Okay, here's how it goes:

1) You pick a song (listed below)

2) You tell me what your song is (so I can cross it off of the list)

3) You write, revise-if needed-and submit your piece before Easter-April 4th aka my dad's birthday

Songs You Can Use:

~~Six Feet Under the Stars by All Time Low~~
Vegas Skies by The Cab
Dirty Little Secret by All-American Rejects
~~Ring Around the Rosie by nobody really~~
~~Mr. Brightside by The Killers~~
Love Drunk by Boys Like Girls
Consider the Sea by VersaEmerge
First Date by Blink-182
Stacey's Mom by Fountains of Wayne
Spokesman by Goldfinger
Fingerprints by Katy Perry
Waking Up in Vegas by Katy Perry
I Kissed a Boy by Cobra Starship
Best Days of Your Life by Kellie Pickler
Fancy by Reba

I don't want or expect all the songs to be picked but I'd like at least five entries twenty-five is the limit. No song can be used twice but if a song you want is taken just tell me, I might let you do that song is you're nice.

So...here's what the winners get:

5th Place gets:
I will read one (1) piece of your chioce

4th Place gets:
Iwill read two (2) pieces-one of my chioce and one of your chioce

3rd Place gets:
I will read three (3) pieces of your chioce and become a fan

2nd Place gets:
I will read four (4) pieces of your chioce, become a fan, and list your piece on my list of really good pieces

AND, THE MOMENT WE'VE ALL BEEN WAITING FOR (DRUM ROLL ANYBODY? NO?)

1st Place gets:
I will read up to ten (10) of your pieces all your chioce, become a fan, list your piece on my list of really good pieces, and recommend you to EVERYBODY (no matter how creepy they seem).
