Rule #3

By : mitsuru

Konichiwa!! hahah. just kidding! hello booksie writers! well as you see im making this book come alive by writing it. of course i wouldn't have done this, and would be continuing with My Roommate, but since i have decided to join in on the fun and do the contest Cera Seren is holding! im doing Prompt # 2!! well its about "if you put two people who hate eachother in a cab, what would/could happen?" hahaha... it's given me a thought! but anyways the summary! -------Venus(main character) has to live with a man, Zane for two whole years. The weird thing is though that they both hate eachother! they set up a contract and rules for the house/apartment they are renting.And one of them is to not fall in love with each other! the reason! ahh, the reason as to why they are living together! i can't tell you yet! hehe... hope you guys like!

Contract signed by:

Participant 1: Venus Knight

Participant 2: Zane Babi

â Finished,â I said contently

â Just hurry and get this finished with,â Zane said arrogantly. Man, that bastard just had to ruin my mood.

â Just chill dude,â I said frustrated.

â Just saying, no need to do this stupid contract.â Zane said slowly, as he was pulling a cigarette out. â because, for sure Iâ m NEVER going to break any of these stupid conditions,â

â Sure sure, but neither am I. Just watch, sooner or later youâ ll be heads over heels for me in less than two years!â I said laughing, trying to piss him off even more.

â Donâ t you mean, that your going to fall for me.â Zane said smirking back at me.

â Who, will fall for you pervert.â I said to him as I blew out his flame that was going to light his cigarette.

â Someday, Iâ m going to torture youâ Zane said in a cold voice glaring at me with his dark blue eyes.

â Good luck doing that!â I laughed back at him as I grabbed my phone and folded the contract placed it in inside pocket of my leather jacket and stood up. â Well, now that weâ ve got this done Iâ ll be going!â I said cheerfully.

â Home?â Zane said staring out of the window.

â Wellâ ¦ itâ s a Fridayâ ¦no I wonâ t be going back to the house. If it wasnâ t a Friday, then yes. But since it is a Friday I wonâ t be back until tomorrow morning!â I said to Zane as I stared at my phone.

â BEEP! BEEP! BEEP!â

â Ahâ ¦ Avery is calling me!â I said excitedly. â Hello,â I answered.

â Venus!!â Avery screamed.

â Hey bro,â I said back smiling.

â You coming tonight?â Avery asked loudly through the phone.

â I was, but maybe not anymore.â I said calmly.

â What, why?â Avery said in a sad voice.

â First, you need to chill down ok! And second I might be late, tell that to everyone ok!â I said in a cheerful voice.

â Iâ ve got your order down, bro!â Avery said excitedly.

â Ok, I gotta go and get ready! Iâ ll be at the usual place!â I said laughing.

â Ok, see you in an hour!â Avery said.

â Yea, see you in an hour!â I said back and hung up on her.

â Well, Iâ ll be going!â I said to Zane. â Iâ ll be back by tomorrow to have breakfast and lunch ready if you need it.â

â Take your time!â Zane said calmly.

â Oh, I will.â I said smiling back as I exited the bar. I walked over to my motorcycle, and placed my helmet over my head with my hair tucked inside. Of course though, I didnâ t just drive any old plain motorcycle. I drove a street sport motorcycle, a Kawasaki Ninja ZX6R 2013! I turned the engine on and drove out of the parking lot and headed towards home.

I arrived in front of home in ten minutes. I unlocked the door and entered, I walked toward my bedroom and on over to my closet. I took out my phone and the contract out of my jacket and placed it on the bed. I unzipped my jacket and hung it back on a hanger and placed it in its original place. I slid a black long sleeves shirt on, and kept my black leggings on. I took off my black wedge booties and slipped on a pair of black toms. Before I left the house I braided my long hair tightly so it wouldnâ t get in the way when we did what we always did on Friday nights. I marched down the stairs that lead the way out and in to the apartments. I got onto my motorcycle that was still running, and left for the usual place we hung out.
