Anti-Valentine's Day

Hoory new contest! Ok so since it's the first day of February this week's theme is Valentine's Day. I don't want a happily ever after, I want the most anti-Valentine's Day story you can write. It can be any length and any genre as usual; just make it as anti-Valentine's Day as you possibly can. Contest starts on February 1st and ends February 28th. No entries will be accepted after February 28th.

Leave a comment below if you'd like to join, then when you finish it please leave me another comment saying you're done AND add a tag to your story/novel/thing that says thecontestmaker3. That's just so I can find it easily :). So here's this weeks challenge, good luck, have fun, and may the odds be ever in your favor/may the force be with you.
