Chapter 1: First off.

Saturday, March 10 th

Boring.

That Was The First Word That Popped Into My Mind When I Thought About Grand Turk. I Mean, Grand Turk Was Amazing -The Nice Sunny Climate,The Warm Cool Breeze, The Crystal Blue Seas- But I Wasnt Allowed Outside My Yard Unless I Was Staying In The Neighbourhood , Going To School Or Classes , Or With My Friends At Their Houses.

Right Now I Was Sitting On The Wall With My Best Friend Chanye, Who's Birthday Is Today. We Were Planning What We Were Going To Do Later, I Mean, She Was Now 15 ! I Would Be 15 In October,But That Didnt Matter Right Now. Since The Year Started, I've Made Friends, Lost Friends, And I Don't Think My Hater Meter Has EVER Been So High.

It Sickens Me That Some People Who I Have Been Friends With Since Pre-K Hate Me So Much Now. Did I Mention That They Have No Reasson To? I Never did Anything To Them, At All. I Just Don't Know What To Say To Them Anymore,I Just Ignore Them.

The Main One Is Lioneisha.

Oh My gosh, That Girl Can Run her Mouth ! And She Lies All the Time ! Forget About her, She Has this Whole Group of Girls Who Practically Worship her. One Of Them Was my Friend Darnell. Darnell Was Good,She Was Cool You know? Like that friend Who Knows That She has A Brain,But Gets Used A Whole Lot. That Was Darnell. She Could Stand Up To Anyone Except Lioneisha. They Were Born On The Same Day,So Lioneisha Put The thought In Her Head That their Sisters. Chanye And Darnell Arent As Close As Me And Chanye, Or Me And Darnell, But they Are Cool.

Chanye-Her real name Is Renee,We call her Chanye because Her mom's name is Chandi- Is Probably The Complete opposite of Darnell. Chanye isWeird in her own unique way, Has a mind of her own,Funny,Is quiet around people but is wild around her friends,Thats Chanye.

Another One Of My Friends Is Alexia. Lexi is the craziest chick you could meet ! I mean,she is the TOTAL Nicki Minaj,without all the booty. She definetly has The boobs though,Just yesterday we were talking about how she needs liposuction. seriously, when she runs,her chest moves UP AND DOWN AND UP AND DOWN. Its The Total 411.

Umm.....What am I forgetting before I finish this chapter? If You need any info comment cause I'm not sure. Hey, Maybei should Say what happened while we were outside before I finish the chapter.

So as I said,Chanye And I were sitting on the wall outside of my house,when all of a sudden my guy best friend Rolphi goes speeding down the road on his motorbike. " ROLPHI !!!!!!" We Screamed it like how he said his Mexicans Used To say It. Rolphi was from Mexico,His Mom's side of the family,but his mom was born in Miami,so was his dad which is how they met and thats where Rolphi was born. We met in Miami,and when I moved,his family were just settling in to the islands. It was nice to know someone other than Chanye,who I knew my entire life.Rolphi turned around 360 style and came to us. He started to say something,but then our eyes met.

Anyways,as I was saying,It was nice to know a guy who wasnt my friend because he wanted to be with me,my money,or my looks. Nice. Rolphi was about 5'10,with a caramel skin tone and chocolate brown eyes to match. He had his hair braidedat the moment,but you gotta know how Mexican feels. Its like silk,I could play in his hair for hours.i stared into his eyes,and he stared back. I dont think I Love him,I told my friends I didnt. They didnt believe me. So what if I Am? Does it matter? It would if I Had A boyfrined,butI dont. Rolphi was only my GUY BEST FRIEND,I didnt want to be in love with him, I mean,I didnt want to risk our friendship and everything we have been through. I was tired of losing friends.

Yeah, Thats What I Have To Talk To You Guys About,The friends I lost. You Would be suprised at the list. Trust me. Anyways,guess I have to start wring the list.

Later Readers,

Chapter 2

Wow.

These Last Two Weeks Have Been Crazy. First Of All, I Am So Sorry I Havent Been Updating My stories Lately. School Closed On Friday,So I should be Touching Up Stories More,But I'll Have To Balance It With Classes. Yup,Classes. I Have Some Serious Tests To Do In May That'll Determine If I Graduate Or Not So I Have To study Around The Clock.

So,As I Was Saying,These Last Two weeks Were Killer. My Whole Class Wrote this Note Saying How They Hate Me And My Sister And The Teacher. Our School Runs Differently,We Have 1 Teacher For Every Class Excepting Music, Physical ed. , And Computer Classes. Yeah, So, I Wouldnt Have cared Is lioneisha Had Started The Note, But It Wasnt Her. It Was Chanye. Yup, Chanye, My Supposed Best friend.

She made The Boys sign Yes To their Names And then Put On the Topic And Then the Girls Signed It. Lioneisha And darnell Put hell yeah. Yes, Darnell. The Girl Who tells Me everything,Who Told Me She's Bipolar. The Girl Who cuts Herself,Who Can Bring Down My Negativity In A second.

Thats Not The Worst Part.

Chanye Took The Note And THREW It On Mrs. J's desk. She Read It To the class And I Ultimately Lost it. I Threw My chair Down, Screamed Out fuck All Of You guys And Ran Out Of The class. Then I Turned Around,Ran Back Into the Class,Grabbed My full bottle Of Malta And Broke It On the Floor And Piece Nearly Cut Darnell's Foot And Didnt care. I Had A Right.

I Left School With My Sis,I Couldnt Stay After That Tamtrum. Lunch Break Came As We were Leaving. Rolphi Wasnt In My Class,He was In the other Class,But we were Neighbours,Hence The Close Friendship. He saw Us Leaving And Ran to Us to Find Out What Was Going On. After We Told Him,He Walked us home,Which was Only Down The road From the School. Yanely And I Entered Our Room In Silence. We Told Our Mom Later On that Night,And Then Went to bed.

School closed And The Only Person i Was Talking To outside My Family Was Rolphi's Family. I Went To their house And Back To Mine. When I Went To School They were My Classmates. I Said Nothing To them. When I left School,I Left them there. I Had Gotten letters that I Havent Opened Yet,So thats What I Need You guys to Tell me. If I Should Open Them Or not. One Was From All The Guys In class, And I Got A Separate letter From each Of the Girls.

I Went No Where. I Didnt Want To risk Seeing Any One Of Them. If I Wanted Food From The Dot-Teen Hangout-,Rolphi Got It For Me Without A Complaint, Ice Cream From Cool Beans,Rolphi Got It, Chicken And Fries From Walleys,Rolphi Got it.

I Have Classes All This Week,And The Kids In My Class Are Talking To me. I Ignore Them. The Only People I Answer In the Class Are Mrs. Jagroop And Nelly. Oh,And By The way Booksie Family,I Came First In The Class With 90.47%. Tyrese,Another Boy came Second With 85%. thats Five Points Away !

Anyways,Until Later,
~Nay

Chapter 3

I Was Leaving Classes Today When Rolphi Ran To My Side. We Walked In Silence. There Wasn't Anything Wrong,We Just Didn't Talk. Until The Silence Started To Kill Me. "Wanna Go Get Some Food From Cool Beans?" I asked him as we Walked Out The School Gate. He Looked At Me,Smiled and Took My Bag. We talked about anything that popped on our minds. I don't remember what he said to make me laugh so much,but In seconds we couldn't stop laughing. We were close to Cool Beans,an Ice cream Shop, when A guy named Devon stepped out his house. Devon was 18, and treated me like his little sister. We Have our close moments,and he lives in EB So we see each other a lot. EB Stands For East Bush, and I Lived on The Other Side of EB. Rolphi lives Close To My House,Up The Hill. "I See Yall!" Devon Shouted To Us,And We Took Off Running and Laughing. We Had Ordered Our Ice Cream Already,So After We Collected Them From Miss James We Took Off. We Went Under A Shady Tree And Chilled Out. While We Were Talking,Rolphi's Phone Vibrated. It Was His Mom. After Chatting With Her For A Few Minutes,He Hung Up. "What's Up?" I Asked Him. "She Wants Me To Go With Her To Mar's House". "OMG Can I Come???" I Asked Already Jumping Off My Feet. Mar Was An Old Lady Living Down The Street. I Didn't Care That She Was 94,I Loved Her. She Treated Me Like One Of Her Great-Grand Children. And I Treated Her Like My Great-GrandMother. Rolphi And I Took The ShortCut Up The Hill To Mar's House. As We Got There We Saw Mar. She Was Sitting Outside On Her Porch In Her Rocky Chair,Speaking To Her GrandDaughter-In-Law, Rolphi's Mom,Ramona. "Hey Mar" Rolphi Said Approaching Her. Mar Was 94,But Her Mind Was Still Quick. Rolphi Hugged Her And Kissed He On Her Cheek,And I Leaned Against The Wall Quietly. Mar Looked At Me And Smiled. "Hi Naykey" She Said. She Was The ONLY Person I Let Call Me That. "Hi Mar". "What? Are You Waiting For Me To Ask For A Hug?" She Asked Me,Ready To Stand. I Walked Over To Her A Gave Her A Hug. Then I Sat Next To Rolphi On A Bench. "So You To Dating Now?"Mar Said Grinning At Us. "No Mar. What Is It With You And This Strange Obsession Of Nay And Me Dating?"Rolphi Asked Her. "Well,I need Something To Look Forward To,"She Stated and Then Continued, "Ask Your Mothers,I Had This Planned Since You Two Were 2 years,And Still Looking Into It". We Looked At Rolphi's Mom And She Nodded. "Umm,Rolphi,How About We Go Wash Up These Dishes?"We Needed A Quick Escape Out Of Here. I Started Picking Up Dishes And He Followed My Lead. We Collected The Lunch Plates From The Table And Walked Inside The House And Into The Kitchen. " That Was...Weird" He Said,Leaning Against The Counter When We Were Done. I Said Nothing. I Turned Away From Him,I Couldn't Talk About What Happened Out There Just Now, I Was In Love With Him. Just Then,I Could Feel Him Behind Me. He Pressed Me Up Against The Counter,"What Do You Look For In A Guy?"He Whispered In My Ear. "Personality. He Has To Be Able To Make Me Smile In The Toughest Times, And Surprise Me. He Has To Smell Good Too. Cologne, I Love It. I'm Also A Freak Over Dimples.", OMG,I Just Told Rolphi What I Look For In A Guy. Everything He Does And Has IS In That List. Wait,My Best Friend Just Asked Me What I Look For In A Guy. "What Do You Look For In a Girl?". "The Heart,She Has To Be Able To Accept Me For What I Am. She Has To Be In The Good Books With My Family. Her Smile Is An Instant Looker. She Should Be Able To Come For Me For Help Whenever She Needs It. Hip Lips Must Draw Me To Her." He Said. I Turned To Face Him,And We Stared At Each Other. I Leaned My Head Top His,And Just As Our Lips Were About To Touch,The Motto Remix Started Playing. Rolphi Flipped Out His Phone And Answered It While I Tried To Gain Self Control.

Chapter 4

Rolphi,Rachel,Rebecca And Aunt Ramona Spent The Night At My House Last Night. Their Dad Had Came Home Drunk,And Him And Aunt Ramona Started Fighting And He Threw Them Out The House. They Came Here Around 12,And We Welcomed Them With Open Arms. Rolphi Came In My Room,Rachel Slept In Nelly's Room,And Aunt Ramona Spent The Night In my Eldest Brother's Room-He Doesn't Live On The Island. Rachel Is Rolphi's Twin Sister,And She Hates Me. I Don't Know What I Did To Her,And It Doesn't Get To Me Anymore. Rebecca-Rolphi's Baby Sister- On The Other Hand Loves Me Probably More Than Rachel. See,Rachel Is Always Out With Her Friends,So I'm Always At Rolphi's House Helping His Mom To Clean And Do What Daughters Do. So I Help With Rebecca. I Feed Her, Put Her To Bed, Change Her, Bathe Her, Everything. And I Just Grew Attached To Her, So I Take Care Of Her Even When I Don't Have To. I Even Take Her Shopping When I Take My Nieces. Yeah,I Have 3 Older Brothers. The Eldest Is Jamaine And He's 35 And Has Two Daughters And Another One On The Way To Make Three. Next Is Jayme And He's 29 And Has Two Daughters. The Youngest Son Is Pjay, Paul Jr,Who's 16. Of Course I Have My Twin Sister Yanely,Who's Birthday Is October 7,Also My Birthday. I'm Telling You Guys So You Can Buy Me Something. Lol,I'm Just Joking. Anyways, I Got Up This Morning And Rolphi Had His Arms Wrapped Around My Waist,And I Had My Head On His Chest. He Looked So Cute When He Slept. I Lightly Unwrapped His Arms From Around Me And Walked Into The Kitchen. I Was Careful To Be Quiet Because Aunt Ramona Was Asleep. The Kitchen Was As Soon As You Walked In The House,And If You Went Straight,You Would Be Going To The Pantry Or Jamaine's Room. So I Decided To Make Some Pancakes And Bacon,So I Grabbed Two Frying Pans And Got To Work. As I Was Cooking,I Heard Rebecca Crying. I Walked Up To The Door Quietly,And I Heard Her Cries. "I WANT NAY!"She Screamed. "Nay's Asleep Sweetie,"I Heard Aunt Ramona Tell The Little Girl Who Cried Even More. I Knocked On The Door And She Opened It,And As Rebecca Saw Me She Jumped In My Arms. I Laughed And Cuddled Her,And Aunt Ramona Mouthed To Me Thank You. I Smiled And She Pushed The Door Back To. I Walked Back Over To The Stove And Continued To Cook,And Rebecca was Sitting In The Sink Watching Me. We Ate And I Got Dressed And Dressed Her,Too. I Wrote A Note To My Mom Telling Her That I Was Going To Wallys To Hang Out And Left It On The Counter. I Found Rebecca's Stroller At The Door And Put Her In It. I Walked To Wallys, It Wasn't Far, And The Sun Was Nice With The Cool Easter Breeze. I Reached And Walked To Tanya,A girl Who Was In Rolphi's Class And A Close Friend Of Mine. We Joked Around And Played With Rebecca. Just Then.....
