Kinky Angel Lady Devil

Kinky Angel Lady Devil

Mrs prim and proper, brought up ladylike right,

always good manners and subserviently polite.

Cookery chef and exceptional party hostess,

School PTA meetings, and many after school clubs.

Washing, ironing, cleaning, such is the motherly life.

Trying hard to be a good mother and the diligent wife.

But

Once the kids are tucked up in bed,

the cats put out and the dogs been fed.

The lights go out and the screen has gone dead.

That is when the doors are locked and head for bed.

Shaking loose hair to fall in layers over bare shoulder

The clothes stained by kids tossed absently in the corner

A smile spreads across lips twisted in a wicked sadistic grin.

Eyes of passion, dark filled with seduction, so eager to begin.

High heel strut forward, wearing nothing but a tan and leather.

Rope slides out of the partially open drawer with the chain

â My darling, I promise you exquisite pleasure and pain.

Kinky Angel Lady Devil

Come take the position, its your mistresses time to play.â
