Stripper Love
.ã
I really want to be, a stripper girls lover.
Sheâ ll really love me, and never another.
Her sexy little body, makes her a real hottie.
Sheâ ll know I love her, and her sexy body.
.
Sheâ ll say she loves me, cause Iâ m so sweet.
No other man, will she want to meet.
Sheâ ll love me like, no other woman can.
Sheâ ll be so proud, that Iâ m her man.
.
Sheâ ll come home to me, after a night at the club.
Because Iâ m the man, that she wants to love.
With me is were, she really wants to be.
When she gets home, sheâ ll strip for me.
.
I want to be, her ever loving man.
To love her more, than she can stand.
Weâ ll always be together, and never part.
Our love for each other, is in our heart.
.
You know Iâ ll love her, and sheâ ll love me.
In love with each other, weâ ll always be.
When she takes her clothes off, and gets in bed.
Well some things are better, if just left unsaid.
