Lover's Lane

Â

Â Â A tug of war - of hearts....

They cry - when they're kept a-part.

Together - They laugh and play - Lover's games.

Â Â Â Â Â Wrestling - nestled deep in the covers..

Â Â Â Â Â Â Â Â Â Tickle you - tickle me..

Board games = Chess = Just who's King in the queen-sized bed!

- Who wins? Will either of them really ever lose?

A loss in this game - is really a gain..

in Love and Life....in the Lover's Lane!

What about that woman...WHO is she?

It mattersÂ and it matters not... What some people might say...

It's all speculation....

Â I would ask you - simply this...

Please - Do not judge me as who I am ,

Â From what other people say.....

To accept what you've heard -

Â as the absolute word....

is truly and utterly - ABSURD!!!!

When you limit your possibilities...

Â

You limit your capabilities!

If youâ ve limited your capabilitiesâ ¦.

Â

Youâ ve just limited your possibilities!

& Quite possibly â

Youâ ve just limited <u>my</u> opportunities â S T O Pâ ¦

Personally, I donâ t like limits.
