Why? Why do i feel this way?

Why?

Why do i have to feel this way?

It's not by choice.

Who would choose a feeling so grim.

I wouldn't.

But.

Here i sit.

It's all i feel.

Heartbroken.

Over you.

Why did you do it?

Was it all justa game to you?

Did you actually care?

If you did, you couldn't do this.

Couldn't.

So, why?

I ask myself this question, everytime i see you.

What pulled me in.

The first time.

I can't remember.

Does that mean it doesn't mean anthing to me?

No.

It did, but i can't dwell on that.

I must move on.

And.

After all this pain, and sorrow.

I see, a light at the end of the tunnel.

Is there another?

I think there is.

But will he mean the same?

Feel the same?

I have to try.

It's all i've got going for me.

Why? Why do i feel this way?
