More random Things I love

Youâ re not afraid of water youâ re afraid of drowning.

Youâ re not afraid of heights youâ re afraid of falling.

Youâ re not afraid of love youâ re afraid of rejection.

If I say I love you can I keep you forever?

If life sucks hate vampires if life rocks, love Taylor Launtner.

Donâ t you just love having the biggest smile on your face and pretending every things ok when you know deep inside its not, and everyone goes on with their lives thinking youâ re ok when it never is. People crying for help are normally the ones never heard.

Every night I cry, every night I weep every day I fly, next to you I sleep.

For every night I think of you makes my days much brighter for every night I dream of you makes me a better fighter, having me so close to you brings out the glory in me.

True love never lasts forever because true love never ends.

If she catches you staring at least you know she was looking back.

Donâ t give up, do the best you can and always live.

Im not a perfect girl, my hair doesnâ t always stay in place. I spill a lot of things and I am pretty clumsy. But when I think about it and take a step back. I remember how amazing my life truly is, and that maybe I just like being imperfect.

Life sucks and then you die, yea I should be so lucky.

You came to me in the bloom of autumn you gave me the vernal showers of spring, I was fading into the western horizon. You gave me the reason to sing.

Guys are like public toilets they are either taken or full of shit.

Take note of the little things in life because one day you will wake up and realise they were really the big things in life.

Friends will always come and go but true love will last forever.

Life is like a coin, you can spend it any way you want, but you can only spend it once.

The purpose of life is a life of purpose.

A friend is someone, who knows the song in your heart, and sings it back to you, when you forget the words.

Life is like a taxi, the meter is still running, whether youâ re getting anywhere or not.

Never argue with an idiot, heâ ll drag you down to his level, than beat you with experience.

Love Conquers all
