story

(jazzmine's p.o.v)

i hated my life i hated the way i 1/2look dressed and and who i was. i'm always bullied and abused sometimes i just wish i could die but i don't have enough energy to kill myself. it was morning i woke up i 1/2took a short shower because i wasnt allowed to take long ones and put on my normal clothes.my normal clothes are usually black. black wrist bands black skinny jeans black rock shirts and black vans my hair is black to i evan wear black eyeliner and eye shadow. nobody notices me in this world so why does it matter i am puertorican. yes i know what your saying doesn't purtoricans usually have brown long hair. well the answer is yes i stilll have long hair but i died it black.but anyways i walked to school and back because it gave me time to think about life.today was a normal wednesday i arrived at school and seen them hoes andrea(drea)and vanessa(nessa) thosse bitches used to be my best friends until drea slept with my boyfriend i 1/2and nessa stuck up for her. i cant believe i used to be like them bony short skirts and shirts to show off my belly pircing and heels now there the school bullies(fuck thosse bitchess)i still have alot of pircings i have my old belly button pircing nose pircing ear picing eyebrow pircing and lip pircing how i loved pircings i have a pircing for everytime my farther raped me....but anyways as i walked in to homeroom nessa and drea started to bring the smart comments again

drea:look what the wind blew in

nessa:more like dumpsters

drea:exactly

i just took my seat walked right past them and put my head down

mrj:(mister james aka teacher)we have new students today boys introduce yourselfs

i rose my head to see 4 boys one with shades(jacob)one with goggles(rayon) one with a hat(cheresanto)and one with a mowhawk(craig) this boy with a big afro named jacob he seemed like he was gangsta like he would fuck somebody up if they didn't get out the seat by the count of 3!!! he was scary and never took off his shades he said he didnt like people to see his eyes...there was one with two long braids that wore goggles on top of his head..i dont know why hes not in a swimming pool but he seems like the bipolar person in the i 1/2goup llike one minute hes happy the next sad....theres not much i could tell from the one with a hat besides he seemed like he couldnt hurt a fly but there was a side of him i can tell was anger...than theres the one with a mohawk it had LOL on the side of it if it means laugh out loud than thats pretty stupid he seemed like he was the leader of the group and could order them to do watever the fuck he wanted them to do they walked passed

say what now(mindless behaviorr mystery)

me to take there seats but craig stoped and whisperd in my ear

craig:it does not mean laugh out loud it means loser only loses

he laughed than walked away i didnt get it like thats pretty stupid we were in the 10th grade still worrying bout losing and winning it was time for lunch and i grabbed my lunch and took it outside what i usually do is do a sertant whistle and a whole bunch of animals come and i feed most of it to the and eat the rest i turned around to see cheresanto starring at me i was kinda scared

(cheresanto p.o.v)

after me and the boys went out to eat i took a different inside because i heard creatures and i love animals. i peeked around the corner and seen this girl craig talked to earlier feeding them. she was very skinny and wore all black she turned at me frighten. so i stepped out and introduced myself to her

cheresanto:hi im cheresanto but call me trey

jazzmine:jazzmine but call me jazz

she had beautiful greenish hazelish eyes when i put my hand out for her to shake it he jumped and backed off

trey:its just a hand

jazz:yah.....im going to go

she scratched her head and speed walked to class

(jazzmine's p.o.v)

when trey showed me his hand i did not shake it because were i come from it means that you trust someone...and i did not trust him he was too suspicious i hurried off too class. in class i was taking notes down and i fealt someone starring at me so i turned around and it was trey i got a little uncomfortable and left to the bathroom

(trey's p.o.v)

i walked into class happy to see jazzmine she was there not talking to nobody just with her head down chillin. i didnt get her usually when girls see me they run to me but when she seen me she runs away from me. i sat in the back of the class and studied her. the way she taped her pencil the way her heart beated and legs shaked when she had to read out loud she played with her hair alot and the bracelets on her skin she moved her braclet and i seen a whole bunch of cuts on her wrist i think she did it to herself but she was beautiful she had pretty eyes pretty hair and pircings that i liked she turned and seen me starring at her so she went to the bathroom

(craig's p.o.v)

i was in classed in turned to roc starring at that emo girl like she was an angel. he better not fall in love with her because our gang does not need no pussies she left when she seen roc starring at her i passed a note to him

craig:stop starin

say what now(mindless behaviorr mystery)

trey:im not

craig:yes you are your starring at the emo girl

trey:her name is jazzmine

craig:who cares dont be a pussy or a loser

trey:im not

(trey's p.o.v)

when prod showed me the note i knew i had to stop having a crush on her she was just irresistible. these girls walked in the classroom and one of them sat in her seat so i tapped her

trey:excuse me someones sitting there

nessa:like i care

drea:oooo your a cutie

she wrote her number down and bended over slowly puttin it in my backpack i couldnt help but to look at that big ass but when i looked up i seen jazzmine starring at me with disgust....what have i done

(jazzmie's p.o.v)

when i walked in and een trey daydreaming over andrea's as i felt disquasted and i knew he was my pig to think i almost shook his hand behind the school.just than i noticed nessa in my seat i was like helll nw and went to throw her out of it i was not geting bullied this time i was standing up

jazz:move

nessa:make me

i threw her stuff down she got very angry and got up and slapped me i fell on the floor and heard the class laughing i got up and apparently they wern't done

drea:nessa sits werever she wants to got it
