It Will Rain By Bruno Mars

if you ever leave me baby

leave some morphine at my door

cuz it would take a whole lot of medication

to realize what we used to have

we don't have it any more

theres no religion that could save me

no matter how long my knees are on the floor

ohh

so keep in mind all the sacrifices I'm making

to keep you by my side and keep you from walling out the door

cuz there will be no sun light if i lose you baby

there will be no clear skies if i lose you baby

just like that clouds my eyes will do the same

if you walk away every day it wail rain rain rain aye aye aye

ill never be your mothers favorite

your daddy can't even look me in the eye

ohh

if i was in there shoes id be do the same

saying there goes my lil girl walkin with that troublesome guy

but there just afraid of some thing they can't understand

ohh

but little darling watch me change there minds

It Will Rain By Bruno Mars

yeah for you ill try ill try illl try ill try

ill pick up these broken pieces till I'm bleedin

if that don't make it right

cuz there be no sun light if i lose you baby

there be clear skies if i lose you baby

and just like the clouds my eyes will do the same

if you walk away every day if will rain rain rain aye aye aye

oh don't you say good bye don't you say good bye

ill pick up these broken pieces till I'm bleedin

if that don't make it right

cuz there will be no sun light if i lose you baby

and there be not clear skies if i lose you baby

just like the clouds my eyes will do the same

if you walk away every day it will rain rain rain aye aye aye
