I'm Not Alright

Iâ m Not Alright

By: Anonymous

I came to you because you told me that whenever my friends are being cruel, I can come to you. But you turned your back on me and left me there to bleed.

My Heart Is Broken, Iâ m not alright Iâ m broken inside

When My friend has in the hospital, you would not let me see her. By the time you said yes, it was too late. She slipped through my fingers.

My Heart Is Broken, Iâ m not alright, Iâ m broken inside

When I was cutting my arms and attempted suicide, you came to my side. But when I promised you that I wouldnâ t cut myself again, you turned on me again!

My Heart Is Broken, Iâ m not alright Iâ m broken inside

Will I ever be good enough to be loved by anyone? Oh God please deliver me!!

When I met a girl who reminded my so much of the friend I lost. You said nothing when my friend told her I liked her. You didnâ t care at all that lies were being spread. Even though you knew the true way I felt about her.

My Heart Is Broken, Iâ m not alright Iâ m broken inside

Will there come a day when I will find myself again and be the kid you used to know?

Will I ever not come off as â Creepyâ to people? Will one ever really care if I take me life or not. Because right now I feel like ending my life.

Will you miss me?? Doubt it, if anything you would be happy to see me there with a knife in my chest. I HATE YOU!!!
