Cole sat at the table impatiently. He just couldnt wait for colin to stick it in his asshole. he said "colin, what the fuck are you waiting for, penetrate my bum already!" colin walks over in a thong, bends over to expose his nice tight asshole and says "as you wish baby" colin penetrates coles bum with intense force. " oww jeeaaase colin" yells Cole. cole cant handle it any longer, his asshole is bleeding profusely. then big matt walked over, threw colin on the table and beat the living shit out of him with his big fat hogger. matt grabs his lover kraft and starts playing with her big fun bags. colin gets up and says " il tell rod fag!" rod walks over with his big schlonger floppin around down there, he turns around and spins fast whipping that puppy around and clubs matt in the head
