# Exsploring Canberra

The time had finally arrived for my trip to Canberra . Planned to stay at a friends house who I hadn't seen in 8 years. The drive down for 3 days was enjoyable and when I pulled up outside Maryanne,s place I was glad to be finally there. I got out and went to the courtyard gate and pushed it open. Proceeding to go to the door I heard STATUS QUO turned up loud and a familier voice singing along. As the song finished I pushed the doorbell and waited. The door was opened and Maryanne,s gorgious body and smiled greeted me. I went in and put my luggage down and stared a Maryanne. She stepped foward as we fell into each others arms. I just held her breathing in her familiar perfume I often smelt. We parted a little to see the beauty in her eyes and the tears that exscaped them. Maryanne lent foward as our hungry mouths met with happiness and total satisfaction. Our tongues searched for each others wet mouths and my hands searched her body. Sliding over her firm beautiful breasts and down to her small firm butt that hadn't changed from back then. I felt her hands run over my back and onto my backside. From there she moved them up over my chest and slowly down over my semi erect cock. It grew bigger as she squeezed it and her eyes glistened as what she found. We kept kissing as Maryanne moaned and I groaned and we wanted each other so badly it hurt. Maryanne replied " we are all alone with no interruptions " . I grinned " thank goodness for being single " . Maryanne lead me slowly through the house getting familiar with the setup. We finally reached her bedroom as she said " this is were the livings gonna happen " . I replied " and the kitchen,laundry,study,courtyard, " Maryanne nodded " yes please ", Our mouths groped hungrily for more as I undid her blouse to expose her black silky bra the held her lovely breasts firm and steady. I felt her hand undo my trousers and the zip slide down to let pressure off my erect cock beneath my red jocks. I unclipped her blue jeans and pulled them easily down her thighs. I now knelt before her to lean my face foward to kiss the black silk panties and breath in her naughty sensational smell of her bottled up nectar. Maryanne looked down as I gentle pulled at each side of her panties as I took them down her muscley legs as she stept out of them and put them under my nostrils inhailing the last 8 hours of her swetty mixed fluids. I stared at her neatly trimmed pubic patch and how her pink lips glistened with her cuntel fluids. "Oh Maryanne " I sighed as she guided my face towards it. My heart pounded as my cock throbbed and my mouth dry with the taste of whats yet to come. I looked up as Maryanne nodded as she shook with excitement as I opened her pussy lips and slid my tongue finally across her mature vagina. I grunted as it was well worth the years and kilometers I drove to engulf it. Maryanne moaned " better lay down " as I seen her start to tremble with anticipation. She sat on the side of her four posted king size bed and opened up her legs wide enough for me to taste her again. Every lick deeper I watched as more fluids leaked from her pussy. She acknowledge every lick I made foward as her moans got louder and closer together. She grabbed my hair and held me there as she screamed " here I go " and she exsploded as I lapped hard and fast not missing a drop. Maryanne collapsed back on her bed and went through the aftermath of her orgasm. One iv wanted to exsperience since I first met her. I finished up the stray fluid as she sat up and said " its your turn " I stood up as Maryanne dragged me around in front of her. She looked up at me then proceeded to take my trousers off my feet. My crotch was sticky with pre cum as she breathed in taking a big gasp as she whipped my jocks down as my cock stood to attention before her. I managed to free her bra and held her breasts together as my cock tit fucked her. Maryanne dropped her chin and opened her mouth as she sucked my head with every thrust. I freed the grip of her breasts as she took my cock and engulfed me further inside her wide open mouth. She played with my balls as she went harder and further down my shaft. I moaned " baby im gonna blow " and she clamped down hard not allowing me to move as I emptied loads of hot cum down her throat. She swallowed eagerly as I couldn't believe this was happening. Maryanne lapped up cum that had leaked out her mouth. I seen some cum on her chest and wiped it off with my finger and stuck it in her mouth. I sat down beside her as Maryanne smiled " welcome to my action pad " I grinned as we kissed. Maryanne took of my shirt and said " lets go get a drink " . She led me out to the kitchen and I sat her on the counter and got her to tell me where things were. I handed her a burben and I noticed a 6 pack of dark and stormies. I thanked her as we kissed. I told Maryanne to lay down there. She replied " why ? " I grinned " you will find out ". She did as I poured my drink over her breasts and stomach as she adjusted to the cold. I went straight to her breasts and

sucked on each effect nipple. She groaned as I slid my hand between her thighs as she spread them to allow me easier access. I continued to lick the bundy off her. My fingers gently slid in between her moist lips as I slid two further in. Maryanne moaned " please fuck me " . I smiled " soon princess " . I was now watching my fingers slip easily in and out of her wet pussy. My tongue soon joined with the probing fingers as I enjoyed the challenge . Licking her pussy I moved my fingers up to her mouth and slid the clagged fingers in her mouth as she licked them clean. I said to her " id like to see a women go down on you " Maryanne replied " cool as I have a women in mind " . I replied " cool look foward to seeing that. " I continued eating her out. Maryanne soon come to another orgasm. Maryanne was flushed as I kissed her again and felt Maryanne grab my cock and wank me. My cock bulged again as she got up and took my cock and led me by my cock to her bedroom. Maryanne lay down and taped the bed beside her. I slipped beside her as we touched each other and kissed again. Maryanne pulled me over her and said " please fuck me now ? ". This time I agreed as I slowly moved above her and Maryanne lifted her legs over my shoulders as she gave me a view I had to plug. I nudged the head of my cock foward and concerntrated as it slid easily into her saturated moist vagina. Maryanne said " deeper please " . I nodded as I did what she ask and felt her muscles engulf the shaft. Adjusting to my cock she ask me to " pull out and slam it in " I did exactly that as I heard and felt my balls slap harder every thrust. Maryanne pushed as I pushed as we soon started to work as one. We kissed harder and longer as I seen Maryanne start her peek of pleasure. I groaned as she groaned as we soon had swet dripping from our joined bodies. It was then I felt her shake and groan loud. I watched as her eyes rolled and she dug her nails into my back. Maryanne yelled louder then ever " im gonna blow" and with that I exsploded and filled her with every last drop. Maryanne cried " finally its you and me " I replied " dreams to come true. " We held each other tight and looked forward to much more..... TOO BE CONTINUED. ....
