Go on, go on, go on

# Go on, go on, go on

Go on, go on, go on

The Sun sets on

And the Night leaves on

Letting New day to come on

Giving away darkness to go on

New flowers bloom on

Chirping birds chirp on

Blue rivers flow on

Round planets revolve on

Kangroos bounce upon

Fierce lions roar on

Numerous fishes swim on

Colorful butterflies fly on

Sleeping children wake on

Loving fathers work on

Uncontrolled traffic rush on

And the life goes on.....

Go on, go on, go on

Go on, go on, go on

Go on, go on, go on
