# Pain is a little thing--Isn't it?

When you feel it you will pray, very hard "Please go away". How about we look & see, what pain really does for me. We don't like it; "No, no way. Go away, please let me play".

## Pain is a little thing--Isn't it?

### PAIN:

*Headache time; "Please go away... Don't come back some other day."*

*"When you come you make me sad.*

*Go away and make me glad".*

When I hurt I want to cry; big fat tears get in my eye.

**Fire bright; my fingers burn, mama said that I don't learn;**

**it's so pretty, I can't see,**

**why it keeps on hurting me.**

*But that fire made me cry; big old tears from my eye.*

Â

*I don't like Tommy anymore; He shut my fingers in the door;*

*I picked myDolly off the floor;*

*I had dropped her, fingers sore.*

*Pinched my fingers, made me cry; Lots'a tears to my eye.*
