# DADDY'S LITTLE GIRL

She's young and beautiful,Â  
Strong and got attitude,Â  
sheâ s got no substitute,Â  
and with her I see my dreams coming true.Â

\*

She's the reason why I work,Â  
the reason why I have to be strong,Â  
the reason why I pray non-stop,Â  
to keep her path right with God.Â

\*

She's the reason for this song,Â  
the reason I wake up all night long,Â  
the reason for our joy,Â  
cos she's the seed of our love.Â

\*

She's now sixteen,Â  
looking sweet and loving,Â  
Beautiful than me and mummy,Â  
that everyone calls her honey.Â

\*

She is daddy's little girl,Â  
A rare gem among friends,Â  
A beautiful angel in the sight of men,Â  
A blessing to her generation.
