May In Booksie 2013-SOSNH Planning Logs

Hey guys. I. Am. Back. Prior to this, I have only wrote 1 thing for Booksie in the past month (basically) was the **My Kitchen Rules Australia Results** article. I apologize for this, but unfortunately, I had my **Year 12 Half-Yearly Exams** and shortly after, my **school holidays**. I return to school for my third term this year **today** (2nd May) and I will now resume activities on the site.

This means that **Top 5 Memes** will come back, alongside the **other Top series**, which I don't believe I started much of, aside from **Top 10 Songs**, and **Top 10 movies**. In relation to **Top 10 Movies**, I will be changing this to a bi-weekly article, not weekly, as it is hard for me to watch movies that often during my schooling times.

Shane's Wrestling Story will resume. Last month I do not believe I updated it purely because I didn't have enough time. This month I plan on updating it at least twice. I will date when I have added a new chapter in the logs below.

The Brighter Side Of Life looks like it will be cut. I haven't updated it in a very long time, and I might make a newer version of it with a different name, to be released at a later stage.

Please comment below on Top's you think I should do.

Logs

-2nd May-Sorry guys. Can't do Top 5 Memes, as Booksie has removed the ability to upload pictures but has left the alignments and such. When Booksie has this fixed, I can resume this.

-3rd May-Uploaded first weekly Top 5 Wrestlers today.

-3rd May-Uploaded next chapter of Shane's Wrestling Story.

-22nd May-Xbox One revealed.

-22nd May-I want to upload content on Dolph Ziggler, The Wrestlemania article I promised, and Celebrity Splash stuff, but I cannot without the image uploader, which still isn't back.

-23rd May-Celebrity Splash article finally posted. Wondering if I should just wait and post Ziggler's story after images put back on so I can show a path using images of his story. Nah, I'll wait.
