why do it?

Calling me ugly does not make you pretty!! Calling me fat does not make you thin!! Calling me dum does not make you clever!! So why do it? People say because it is fun the watch the person get upset but that isn't right! If you call someone an idiot doesn't that just make you the idiot?what is the point of bullying as all you get for a reward is having the fact that you are a bad person drilled into you're mind. So next time think, would I like that because you are what you say! Why do it if you wouldn't like it??!
