MORE THAN FAITH

I BELIEVE & I KNOW

I believe that noise kills and music heals

I know that quietness and assurance is the highest prize

Fulfilment of desire is the greatest aim and victory

I believe that disappointment and defeat is victory in disguise

I donâ t believe in common sense but wisdom

I donâ t trust women but the God who created them

I donâ t believe in myself because Iâ ve tasted the bitter fruit of defeat

But I hold the immutable faith that all things are possible
