Writer's Inspiration

Inspiration

It takes inspiration to write

Writer's Inspiration

A good piece and poetic

Itâs not just pen and paper

But the spirit that matters

Not only the eyes searching

And hand writing

But the essence and fragrance

That blows now and then

Makes us possessed involuntarily

And vomit those wonders

Makes us conceive instantly

Those ferocious ideas

We go through labour

To birth those timeless classics

Those unfading masterpiece

And unforgettable lines
