# Just Dreaming a Wet Dream

Just Dreaming a Wet Dream -

My nipples are hard and my pussy is wet just thinking about having sex with you. I suck a breath in and wet my lips â just visualizing lying next to you. I close my eyes and feel your lips on my lips. I moan deeply as your tongue slips inside my mouth and I feel your arms encircle my naked skin.

You pull my body close to you â my hard nipples brush against your chest and I feel you part my thighs with your knee. I press my pelvis against your thigh â You moan when you feel my juices wet your skin.

Your kisses are hard â they leave my lips and start to descend â kissing my ears, down my neck, urgent with your needs! Your tongue caresses a nipple â I moan â Yes! Your lips follow and hungrily sucking my breasts and nipples â Yessss! I pinch my nipples and a hand slips between my thighs. Iâ m so wet.

I grind my pelvis against yours â begging to feel your hard cock slide inside me. My fingers invade my pussy and I grind against my hand. You feel so nice inside me. I pinch my nipples â hard and my pussy contracts â I cum. I insert another finger and feel you push in deeper. I roll my hips and you push deeper; I cum some more. You thrust and I cry out as I cum again. My juices are dripping down my ass and sweat glistens on my chest. Were you here â You could crawl down between my legs and lick me clean.
