THE STORY BEHIND THE STORY

Inspiration can come from the most unexpected places. Have you ever seen a picture, heard a phrase or had a dream that turned into a story? â The Eyes of the Strangerâ is just such a story.

I was perusing the internet in search of ideas for a belly dance costume I was designing for an upcoming Halloween performance. While searching for just the right ideas, there staring back at me was this gorgeous creature. He had long, dark hair that spilled down over his broad shoulders and steely blue eyes that mesmerized me and stopped me in my tracks. I found myself contemplating the wildly erotic possibilities that the stranger held.

Try as I may I couldnât forget the eyes of the stranger. I just couldnât tear myself away from this seductive and compelling immortal. I kept returning to the website just so I could gaze into his eyes and imagine caressing his smooth yet razor sharp fangs with my waiting tongue, so I set him as an item on my desktop (at work no less).

Little did I know that very soon that desktop item would become my wallpaper and a full-blown story. I simply couldnât deny the erotic desire that this unknown being had provoked.

Whenever I tried to go to sleep his image would flood my consciousness (and still does). Scenes of erotica that Iâd never even imagined came to my mind. I tried to shut it off, but my body thought otherwise.

This story became quite the âmonsterâ. It wouldnât leave me alone. I worked on it day after day. The Stranger beckoned to me from deepest recesses of my being demanding that I play out the scenarios with him in my mind and then put them on paper. Why had he chosen me for these adventures? Not that I was complaining. It would be wrong for me to complain because thatâs grounds for punishment and I didnât want to anger the master. He can be quite forceful and demanding.

So there you have it, the story behind the story, The Eyes of the Stranger. Is it stranger than fiction or what? Sweet, Erotic Dreams,

Desiree Addams
