# How Sex Starts...

..a smile leads to a laugh

...a laugh leads to a high 5

...a high 5 leads to a hug

...a hug leads to a kiss

...a kiss leads 2 a makeout

...makeout leads to a feel up

...a feel up leads 2 a finger

...a finger leads to a hand

...a hand leads to a lick

...a lick leads to a suck

...a suck leads 2 a fuck.

and then the moaning  
and the grabing  
and the wispering  
comes.....

...So tell me how many people are you gonna smile at after you heard this cuz sex is like math.

...u add the bed

..subtract the clothes

...divide the legs

...leave your solution

...and pray you dont multiply
