## My big brother is a dick : Chapter 1

I heard the door open so I slipped into the closet. My brother walked into the room and plopped himself on the bed. My brother is 17 I am 15. Joe quickly put headphones on and he grabbed his iPod. I was watching him from a hole in the closet door. Joe quickly slipped his pants off and I saw a bulge in his boxers. Me and my friends always watch him because all my friends are in love with him. He quickly pulled his boxers off and let his cock out. He grabbed his cock and with a hand that he had lubed he stroked it. Watching him masturbate I was getting horny. I slipped my hand down my own pants and reached my fingers in my pussy. I watched Joe cum and saw it land on the ground. I had once waited till he left and licked up the cum. I felt my orgasm coming and I let loose a load of cum into my panties. When I came I moaned and Joe looked at the closet. "what the fuck was that". He said. Joe walked up to the closet and opened. "were you watching me"! He demanded. I nodded. Then I will need to teach you a lesson. He picked me up and threw me on the bed. Our parents were gone for another month for vacation. "Joe im sorry". I said. Joe didn't care and he stood there naked staring at me. He flipped me over and pulled my pants down a couple of inches. He slapped my ass and I screamed in pain. He slapped me 4 more times before flipping me over again. This time he sat down on my chest. "wanna give me a blowjob" he asked. I just looked away but he set his dick on my mouth. I wouldn't open so he decided to flip me over again. This time he shoved his dick in my ass. I screamed but he just pushed my head into the pillow. When I tried to free myself he smacked me in the head and the world went dark.

## Chapter 2

I woke up and felt like shit. There was dried blood on my ass. I looked at the clock 5:00 I had a while till school. I slipped into the shower and got the blood off. When I was done I snuck downstairs and grabbed a quick breakfast. By then the bus was outside and I got on. I spent a shitty day through school until I got to 9th period. My boyfriend Bruce was in that class. We sat together the whole class until I asked if I could use the bathroom. I walked down the hall and walked inside. I chose the bigger of the five stalls. I quickly peed and just as I opened the door Bruce tackled me back into the stall. I knew what he wanted he wanted my pussy. "what are you doing in here" I asked. "I just came to see you" he answered. I had at sex with Bruce a dozen times but never in the girls bathroom. I looked down at his pants and saw a bulge. Bruce pushed me against the wall and grabbed my shirt. It and my bra were off and my breasts were out. Bruce played with my boobs playfully sucking on them. One of his hands slipped down my pants and I felt cold hands down there. "Bruce we need to get back to class" I said. Bruce just continued. "want me to blow you" I asked. Bruce let me drop to my knees. As he was getting his belt unbuckled I grabbed my shirt and ran out. I ran back to class just as it ended. I didn't want to deal with Bruce so I ran home. I got back and grabbed a banana. I headed up to my room as I chewed the banana. I chucked the skin in the trash and headed to my bra drawer. I put a new one on and flopped onto the bed. I think I fell asleep because the next thing I see is my brother naked in my room. "What are you doing here" I asked him. Instead of answering he flopped onto the bed with me. I tried to crawl away but Joe held me. Before I could fight him my pants were down and his cock was in my vagina. "this is wrong Joe" I told him. Joe moaned and I felt his cum slide down. I felt my own orgasm coming and I came some of it leaking onto the blankets. Joe pulled his cock out and stood there. "I'm sorry" he sai. "why don't you have a friend over" he threw me the house phone and left. I called katie and she headed over. When Katie made it over we headed to my room. After 10 minutes of talking I heard a click on the door. "shit someone locked the door" I said.

## Chapter 3

Someone slipped something under the door. We walked over to it and picked it up. There were two pairs of matching black thongs and bras with a note. It said: you two will be our slaves for this weekend. Put these on and don't complain. Katie being the slut she was quickly changed. I decided that if I didn't Joe would hurt me so I also changed. The door soon opened and one of Joe's friends was standing there. He made us follow him into the living room where Joe was sitting. "you two will be our sex monkeys or you will get this in your tight pussys." he said holding up a gun. We both nodded and Joe grabbed Katie and brought her into his room. His friend took me into our parents room. Waiting for me was three guys butt naked. I didn't recognize any of them. My brother's friend pushed me onto the bed and I was assaulted. All of them wanted me. One ripped the thong right off and rammed his huge cock up my pussy. Another shoved his cock down my throat gagging me. The one I was giving a blowjob also played with my tits. The last guy positioned himself so that his cock went up my ass. I felt cum trickle down my mouth as the first guy came. None of the guys wanted to stop and they continued until I was sore. They all pulled out after delivering many cum loads into me. They tied me to the bed so that my legs were spread wide and hands tied. When they left I fell asleep. I awoke later when the door opened and my brother's friend came in. I think his name was Jake. Well Jake walked up to me with a plate of food. He set the plate down and got to his knees. Before I knew it his tongue was licking my vagina. He knew where to go and I soon came in his mouth. After that he freed my arms long enough for me to eat and then tied me up again. I noticed that he had tied my right arm very lightly and that I could slip out of it easily. He must of been trying to help me. I decided I would wait to try to escape.
