## icarly- irape : Chapter 1

14 year old carly came home after school one day to find spencer,her older brother, cooking spaggeti taco's."Hey carly" spencer said entering the room. "hey spencer,"she said walking up stairs to her icarly studio. "WAIT!," spencer yelled, and carly turned. "uh, don't go up there! I mean...eat a taco?" he said as more of a question then he'd intended. "nah, I'm not hungry," she said turning and dashing up the stairs before he could stop her. She got to the top of the stairs and stopped. "what the f...." she thought looking through the window to the studio. Sam was tied at the legs her hands bound above her head and a gag in her mouth. Other than the bonds she was completely nude and cum dripping from her head to her feet. Then she noticed a heap on the ground. Freddie had been beaten severely and was also nude and bounded. "freddie..." carly started but then her brothers voice said from behind her " sorry you had to see this" he said before he punched her in the face bloodying her lip and knocking her out.

## Chapter 2: iforce fucked

carly woke up tied up in the studio with her two best friends. the studio was sound proof so that thier web shows wouldn't disturb the other building tenants, so none of them were gagged. "carls,omg" sam said. " what the fuck is going on!" she yelled. " yeah carly, spencer kidnapped us." freddie said. but just then spencer burst in with a raging boner and a huge knife. He walked to sam and cut her down with the knife. sam fell to the floor and hit with a thud. "spencer...no...please" sam begged but it was no use he pulled out his prick and jammed it in sams mouth shutting her up. sam kept trying to plead and beg but every time she did he would pull out of her mouth and punch her. After furiously screwing her 14 year old mouth he pulled out and came on her face. He then lifted her up and flung her against the wall and shoved his 10 incher in her teenage ass. carly and sam were forced to watch this untill finally spencer pulled back out and squarted all over sams ass. Once he was finished with her she was tossed aside where she balled up in the fetal possition and cried. Spencer got up and made his way to fredie- he took the knife and swiped it across his chest"ouch!" freddie screamed. "no!" carly yelled. "oh, shut the fuck up carly" spencer said. "whine whine whine, thats all you do you fucking slut!" he yelled as he continued cutting freddie, then he put the weapon away and started punching, kicking and kneeing freddie. freddie was weeping now. barely concious as carly couldnt take it anymore. "please!" she begged I'll do anything" she she said desperatly. Spencer took out one more kick to freddie's unguarded private area and turned around to face his baby sister slightly amused and greatly aroused. He looked at her with a sinister grin. "anything?"

## Chapter 3: iwill do anything

before I start this next chapter I would just like to thank you all for making this novel popular but would like to ask you to try a my personal favorite of my stories- boy (wonder) no more.

anyways without further adue----chapter 3.

carly shivered as spencer eyed her assets her perky teenage boobs,her nicely rounded but,'wow' he thought has he looked her up and down.'how did I miss this before now' he silently admired his little sister until he made a decision. You see his sister had just coaxed him into an amazing deal. If he'd stop beating the shit out of freddie benson, oh how he hated that annoying smart ass-with his 'tech producing smarter than everyone attitude,but carly couldn't stand seeing him get cut and hit so she gave in. "well, first of all your going to cut your wrist with this he said thrusting his pocket knife into her shaking hands. "but...why"she asked quietly. "because I said you stupid brat." spencer said frustratedly. Carly glanced over at sam who had stop crying. 5 minutes ago her brother raped the shit out of sam and jizzed all over her. Sams eyes were red and puffy and carly couldn't help but feel sorry for her. Freddie though was a lump of flesh and bones and he was bleeding from all the wounds inflicted by spencer. 'i have to' she thought to herself as she wiped away a tear and took the knife and quickly cut slits on her small arms. Then spencer knocked the knife away and tackled his sister to the ground. They were both already fully nude so he wasted no time in squeezing carly's breast rather roughly too. When he removed his hands there were red hand prints left behind. Spencer then got on his knees above her and,holding her down with one hand,began beating of above her head. After several minutes he shot a stream of hot semen onto her face. Then spencer grabbed sam and drug her over to where carly lay sobbing."stop crying you fucking baby! Now kiss her you slut!"he screamed at carly who looked at her friend and reluctantly leaned forward and locked lips with sam. Spencers hard-on was returned with the lesbian display and kicked sam in the chest knocking her away from carly."spencer what the fu.." but before she could finish spencer lifted her up and forced his dick into her ass. She screamed in pain as he pumped away at the girl. Freddie had been completely ignored long enough to crawl to were the pocket knife had fallen. He picked it up and stood, just as spencer was about to defile his sister freddie stabbed him in the back and he dropped his sister. Carly was stunned and unable to speak. "you..you saved me," she said as he helped her to her feet. With that they shared the first of many passionate kisses.

## Chapter 4: the days that follow

The day after spencer's funeral. "im sam", she said "and I'm carly",carly said,"and this is" they said together"i can't"carly said. She broke down right then and there and started crying. " I'm sorry" she said running away sobbing. " uh, sorry folks" sam said turning off the camera and leaving after carly. When sam got up the stairs to carlys room she saw that the other teen girl had tossed away her shirt,bra and skirt,leaving her topless and wearing nothing but her black lace panties. "jeez,carls what are you doing" sam asked. But carly didn't answer she just ran up and kissed her best friend. sam kissed back and they slowly embrace each others presence until sam slipped her hand into carlys panties. she rubbed and fingered carly,then sam dropped to her knees and pulled down carlys undergarments were she liked and furiously ate out carlys pussy. "omg,sssam!" she yelled orgasiming."Yeah, sam,carly," said colonel shay. "dad!",carly yelled. "holy fuck mr.shay!" sam yelled. embarassed because carlys cum was all over her face. "hmm well this is awkward" he said, turning to leave. carly was amazingly shocked that her dad walked in and then right back out. but carly and sam didnt stop they continued their les fun for several more minutes while colonel shay went up stairs to spencers old room and took out spencers photo album (of nude pics of sam and carly) then colonel shay beat off to pictures of sam.

meanwhile at the hospital. freddie sat there thinking about carly. he looked around the hospital room. he was depressed though because he wasnt allowed out off the room. freddie stayed up until he got drowsy and against his doctors advice fell alep and sadly into a coma where he died.

carly and sam where arrested for child porn because the web cam was unfortunatley still on. and mr.shay went back to the navy. the end.
