Chapter One - Moving To A New School

ï½

I woke up this morning and looked at the clock, 7:00 AM. Perfect. I had to be at school by 8, but I had some spare time to get ready for my first day so I was very excited!ï½

ï½

I got up and brushed out my long curly brown hair, it wasn't *really*ï½brown, but when it was in the sun it shimmerd a blondish gold colour.

Then i decided to wash my face and apply a bit of makeup. I put on a little bit of black eyeliner and blended it out so I didn't look too 'emo-ish'

ï½

'Rachel! Are you almost ready for school?' My mother called to me from the kitchen.ï½

ï½

I put down my things and peeked out of the bedroom door, 'Yeah, I just 'gotta get dressed!' I called back and smiled.

ï½

When I opened my closet, I sighed. When we moved I lost alot of my clothes on the way over to WA. I once lived in Sydney but moved because my parents decided to split up.

I put on a pair of skinny jeans that hugged my figure perfectly and put on a normal blue t-shirt. I walked over to the mirror and stared at my appearance, I wasn't pretty, but I wasn't ugly either. I honestly didn't care about what I looked like, but today was my first day and I know that kids these days judge you on first impressions.

ï½

I skipped down the hallway of our house and grabbed some breakfast and made a sandwich for lunch today.

ï½

'Are you excited?' My mother giggled happily.ï½

ï½

I looked down at my food and shrugged, 'I guess,'ï½

ï½

'Now, now, you'll make lots of friends, try and fit in. If you are having a hard time just stay low and stay out of trouble,' My mother replied while studying my face.

ï½

I thought for a second.. Her advice seemed legit, 'Okay,' I agreed.

ï½

Once I got to school, it was very much like my old school... Loud and messy. Typical.

I was 16 and have been through highschool before so I wasn't too scared.

When I entered the school I looked around for some friendly faces, I saw none.ï½

I saw the common nerds, jocks, loners and sluts. It was so familiar, I laughed silently to myself.

I never really fitted in, I guess I'd be a 'nerd' because I take my school work seriously and only have a few friends, like two or three.

ï½

'Hi there!' I heard a girl say to me happily.

I looked up and saw a beautiful girl stand before me, she hair curly red-ish hair and big green eyes.

ï½

'Hey,' I tried to smile. She grabbed a peice of paper out of her pocket and handed it to me.

ï½

'You must be new here, right?' She asked. I nodded.

ï½

High School Sweet Hearts

'This is your time table, my name is Lilly, feel free to ask me any questions. Consider me your friend, I love to help people,' she smiled.

ï¿½

I suddenly looked up from my paper and felt very happy, 'Thanks sooo much, I was really nervous about meeting new people, but you seem pretty nice,' I admitted.

ï¿½

'No problems, you and me and in most classes together, so let me show you around,' she said again with her perfect little smile.

ï¿½

She continued the morning by showing me where everything is, but then she introduced me to her friends..

ï¿½

'This is Nick, he's in some of your classes aswel,' she said while pointing to Nick.

I studied his face.. Pure perfection is the first word that came to my mind.

He had black hair that was almost dead straight, it feel just over his eye brows and showed off his perfect green eyes. Then he had a beautiful small nose that was in the cutest shape ever. His lips were tiny but adorable and he smiled brightly while looking at me.

ï¿½

'Hey, nice to meet you,' He said to me. 'Hiya, I'm Rachel,' I smiled.

ï¿½

RINNNG The bell went.

ï¿½

'Well, I gotta go to class, Rachel you better go with Nick, he's in your maths class,' she said and then left.

ï¿½

'Okay, come with me, I'll look after 'ya,' He joked. I giggled, 'Alrighty,' I agreed.

ï¿½

As the day went on, I swear I could feel Nick staring at me, every time I'd look at him, he'd always look away. It made me laugh a little bit.

Gosh, he was so cute.

ï¿½

When it was lunch I walked into the lunch room and looked around, I had no idea where to sit.

ï¿½

'Hey, new girl!' Some girly voice called, I looked across to a very classy looking girl. NOT.

ï¿½

She had a mini skirt on an a tight boob tube showing off her cleavage. I cringed at this dirty slut.

ï¿½

'Me?' I asked while staring at her.

ï¿½

'Yes you!' she said rudely, 'I saw the way Nick and you were looking at eachother, and if you touch him, 'gurl you better look out,' she said while giving me a feirce look. I look at her stunned, what the fuck was her problem? I asked myself.

ï¿½

'Alrighty then, love,' I said sarcasticallyï¿½and walked off, she didn't bother me at all. Another common slut, I sighed.

ï¿½

'Rachel! over here!' I heard a familar voice call, it was Lilly!

ï¿½

I walked over to her and Nick and sat down, 'Hey,'

ï¿½

'What did Jessica say to you?' Lilly asked while looking corncered.

ï¿½

'Nothing, who is she?' I lied while picking up my sandwich and taking a bite.

High School Sweet Hearts

ï¿½

'The school hoe,' she sighed.

ï¿½

I laughed at that comment and looked up at Nick, he was staring at me.

ï¿½

'Yeah, she's totally crazy,' Nick added, 'She's my ex, god she gets jealous so damn easily, I had to end it with that bitch,' He laughed.

ï¿½

I giggled at him and he smiled back at me, 'Gosh you two get a room,' Lilly poked her tongue out at us.

ï¿½

I looked away from him and returned my attention back to my food, I wasn't that hungry though.

ï¿½

'I got to go, my friend needs me for a second,' Lilly said while getting up, 'I'll see you after school Rach?' She asked me.

ï¿½

I felt happy, I loved being called Rach for some reason, 'Umm, sure. Add me on Facebook or something,' I agreed.

ï¿½

When Lilly left, me and Nick sat there together, chatting away. He was so easy to talk to.

ï¿½

'So where you scared about coming to a new school?' He asked.

ï¿½

'Hmm.. No,' I replied while shaking my head. 'Yeah right!' he laughed, 'Seriously were you?'

ï¿½

I paused for a second, 'Alright, yeah a little bit, I'm not usually super popular,' I confessed while throwing my mess away in the bin.

ï¿½

'Did you have a lot of boyfriends at your old school?' He asked suddenly.

ï¿½

I looked up surprised, why would he care?

ï¿½

'Umm..,' I stared down. I was a virgin still and have only kissed one boy.

ï¿½

'Sorry, I'm just wondering,' he added.

ï¿½

'No, I don't usually slut around with a lot of guys,' I laughed.

ï¿½

He smiled, I think he enjoyed my answer.

ï¿½

'That's good, maybe you and me will get along then, I don't like sluts, and this school has a lot of them,' He replied and sighed while looking towards Jessica.

ï¿½

I looked at her too, she was sitting there with her arm around one of her friends while they did a stupid looking pout, she held out her camera in front of her and took a picture.

ï¿½

'Oh 'mah gosh, this one is going on 'da Facebook!' She giggled and showed her friend.

ï¿½

'Yah, we look totally hot,' her friend agreed.

ï¿½

RINNNNNNG The bell went.

ï¿½

High School Sweet Hearts

'I better get to class, see you later,' I said while waving to Nick.

ï¿½

'Alright, I'll add you on Facebook and we can chat?' He smiled,

ï¿½

I then realized he was actually asking a question, 'Umm, sure!!' I agreed.

ï¿½

The day dragged on, but the teachers seemed to like me so I didn't complain.

The work was pretty easy which put me in a good mood.

When I heard the finale bell go, I packed up my stuff and got ready to walk home

ï¿½

I saw Lilly and waved goodbye to her, she just smiled and yelled, 'See you later, Rach!'

ï¿½

~~~~~  
ï¿½

A couple of weeks passed and I continued to hang out with Nick and Lilly at school, I avoided Jessica because I knew she was a freaking moron.

It was Sunday afternoon and I decided to hang out with Lilly at a milk bar.

ï¿½

'Two chocolate sundays, please,' Lilly said to our waitress.

ï¿½

The waitress nodded and walked off.

ï¿½

'So, how are you?' I asked, trying to make small talk.

ï¿½

'Good, good..,' she said while looking down towards the table. I knew she was hiding something.

ï¿½

'What?' I asked.ï¿½

ï¿½

'I know something you don't know!' She teased and laughed.

ï¿½

Me and her were pretty close, these couple of weeks were super fun, me and Lilly were like sisters now.

ï¿½

'What, what is it?' I asked. I hated surprises and secrets. I guess I was kind of nosy.

ï¿½

'I think Nick likes you,' she finally confessed. I felt my heart leap from my chest, I was so happy.

ï¿½

'Really!?' I asked looking more surprised than ever.

ï¿½

'Yep, he always asks about you, gosh he's obsessed,' She said.

ï¿½

We continued our little lunch date thing and I paid the waitress.

ï¿½

Lilly looked up to me, 'Thanks for paying,' she said happily.

ï¿½

'No problem, text me later,' I replied.

ï¿½

She drove off with her older sister and I walked home. I couldn't wait until tomorrow, I didn't know if I should confess my feelings to Nick.

I got to my room and kicked off my shoes, as I waited for my computer to turn on I brushed my hair again, it was a total mess.

When it finally loaded, I logged onto Facebook I noticed something,

ï¿½

"Nick Mathews is now in a relationship with Jessica Clark"

ï¿½

What the fuck? I thought he hated her?

## Chapter 2

### Chapter 2 - Rumors..

I sat there in class, bored out of my mind.

I was excited to see Nick, but on the other hand, I wanted to know why him and Jessica were together again? It made no sense considering a couple of weeks ago he hated her.

'Rachel, are you listening?' Mrs Clurfed called from the front of the class.

I looked up and found everyone staring at me, I honestly hated the attention.

'Yes, sorry,' I replied and looked at my paper while picking up my pen, hoping everyone would look away from me.

She carried on her boring lesson about history, I didn't pay much attention though.. History is obviously not my favorite subject.

\*Riiinnng\* The bell went.

I grabbed my stuff and left the classroom in a hurry.

Once I got to the lunch room I sat down in my normal spot, Lilly must of been a bit late I guess.

I waited for Nick until I finally saw his beautiful face and instantly smiled.. Then I saw Jessica next to him, my happy mood suddenly faded.

'Hey,' I said as they sat down across from me, Nick remained silent.

Jessica finally broke the awkwardness and looked towards Nick, 'Baby, I'm going to go say hi to my girls,' she said while kissing him and leaving us alone.

I sat there quietly and finally built the courage to ask,

'I thought you hated her?' I asked but regretted it afterwards, I didn't want to piss him off.

'Why would you care anyway?' He asked rudely, that caused me to look up and wonder why he was angry at me?

'I was just wondering, I thought you didn't like her because she was a slut or something..' I replied, looking down.

'Yeah well, she's not the only slut around here,' he said while getting up and slightly pointing to me and obviously aiming the insult at me.

He walked off and left me there thinking to myself;

What the hell was that?

~~~~~

As the day passed by girls gave me disgusted looks all day.

Some guys even took the time to flirt with me..

'This is strange,' I thought.

When the finale school bell went, I walked out of the classroom and started to walk out of the school until a girl stole my attention,

'Hey! Rachel!'

I looked over my shoulder and found a girl dressed alot like Jessica run up to me, it was one of Jessica's 'friends'.

'Hi,' I said while looking confused..

'Theres a rumor going around about you,' she said with a stressed look on her face.

Rumors, I sighed. I've only been here for about a month or so and theres ALREADY rumors going on about me.. Perfect.

'What rumor?' I asked.

'Okay, I'm only telling you this because Jessica is a total bitch and we had a fight yesterday, but she made up a rumor about you because she knew Nick liked you,' She said and looked around to see if anyone was listening.

I stood there confused.. Could she please get to the damn point! I hated gossip and rumors.. Pathetic.

'Anyway.. She said to nick and all her friends that you wanted to piss off Nick by making out with his older brother,' she said.

High School Sweet Hearts

'Oh my god, no wonder everyone's been giving me weird looks today,' I said while doing the 'oh so famous' *face palm*

'Yeah, apparently it worked on Nick though, that's why they're dating, Jessica wanted him to hate you,' she said and then spotted Jessica in the distance.

'I got to go though because I don't want Jessica to hate me anymore, bye!' she said while running off.

Strange I thought, I guess I have to sort some shit out with Nick. Wow, Jessica really is a down right bitch.

~~~~~

Then I got home and kicked off my shoes, the only thing on my mind was to text Nick.

I grabbed my phone and scrolled through the contacts, then I found 'Nick'

I highlighted his name and selected 'Send text'

'Hey, we need to talk. No, I didn't make out with your brother. It was just a rumor, trust me!'

I wrote still a bit worried about his reaction.

I re-read the text over and over until I finally got a reply,

'Okay.. Meet me at the milkbar, we should talk things over with.. I have to tell you something.'

I stared at his text.. Tell me what?

Hello readers ^^ I was just wondering, do you like this story so far? I wasn't quite sure if I should continue it xD
