Chapter 1: Take A Bite 1.

Take A Bite 1. á !

In the time of sunset, many people were crowd all around a train station and near the last one that came to its stop with the sound of the whistle. A young woman waited patiently, in the attire of a maid, almost looking like a doll in a still position and being a bit short but was very much of 30 years of age. She then came to life as one girl came out of the train with her luggage and holding a cute plushy rabbit.

"Ashley! It's so good to see you!" The girl said running over and hugging Ashley. "Ms. Charlotte, good evening to you" Ashley replied politely. Charlotte was a gorgeous girl with long flowing white blonde hair with a ribbon in back, she had pretty blue eyes, in nice short sleeve shirt and skirt with white stockings, looking elegant. "Your still the same as usual but I'm glad" Charlotte teased abit and smiled angelic in the sunset light. "Hmmmâ !where is Ms. Sharon?" Ashley asked gazing at the train door.

"Oh! Your right, I can't see much" Charlotte gasped and said. It was still crowd and people were still boarding off the train then a girl got off with her two suit cases while trying to munch on a tasty bread snack. "There she is heehee" Charlotte giggled shaking head abit. "I see Lady Sharon still have that appetite, good thing I over cooked more food for three" Ashley said with a small smirk. "Hey guys! Sorry but I wasn't done eating and everyone was in the way" Sharon said waving as she ran over with her big cute smile, almost tripping over people luggage.

Sharon was a stunning girl known for her cherry red wavy hair that she had out with two cute small buns, like her sister she had lovely blue eyes, Sharon also known for her big bust with a slim waist, wearing the same outfit but with black stockings. "I will take you girls home, this way please" Ashley said in her aloof tone. Charlotte and Sharon followed behind carrying a few things as Ashley handles the clothing luggage like a super women with more stuff. In a nice navy blue car with girls in the back, all things packed in the trunk, Ashley drove off from the train station.

Charlotte had dozed off on Sharon's lap who was watching the rain pour down as they got close to their home town. "Huh? When did that house appear?" Sharon asked confused. "I'm sorry, but I didn't see anything Ms. Charlotte" Ashley replied pulling up to a house. The house was quite big and very charming with its own private area and big backyard. "Welcome home ladies" Ashley said holding open the car door. "Mmmmâ !Were back?" Charlotte yawned and smiled getting out. "I missed it!" Sharon shouted excited hurrying to the door. There standing behind the front doors was a beautiful woman with a long black hair in a nice lounge dress outfit. "Welcome home girls, I'm so happy to have you here gain" Mrs. Valentine said kindly. Sharon and Charlotte hugged their stepmom lovingly and went inside with Ashley closing the doors.

"So how has it been in England?" Mrs. Valentine asked nicely. "It's very different and wonderful at the college too" Charlotte replied with her sparkly blue eyes. She quickly told her stories about campus and being a new place. Sharon was starring in the window noticing lights from a far, rubbing her head and went over to her mother. "Do we have a new neighbor?" She asked curious. "I don't think so sweetie, I think I would know, now you go get settle" Mrs. Valentine replied. "All your things are in your rooms too" Ashley said and went into the kitchen. "Thank you" Charlotte said going up the stairs like a tired princess.

Sharon had happily run up stairs to her room that she missed, stripping out of her clothes and into her own private bathroom. "There we goâ !nice and warm" Sharon smiled in a towel turning off the knobs to the bath tub. Sharon dropped the towel off with the bathroom getting steamy and layed in the tub relaxed with hair wrapped up. Sharon had begun to hum as she rubbed her soapy legs and arms then playfully rubbing and washing her breasts. She felt good in long warm baths but once she got out dripping wet in a sweet smell of

grapefruit she sighed into her reflection. Sharon held her pussy open looking at it all clean and kept in a pretty manner, she then layed against the mirror closing eyes in deep thought that she felt hands hold onto her waist.

"Mmmmmâ !" Sharon moaned feeling her butt hole being pound hard into and thrust about with her breasts being smushed up and down on the mirror with her breath making it foggy in lust. She wanted more, in all places, but most definitely to be real. "Eeeek!" Sharon shrieked with a jump by the sound of thunder that made her snap out of it. "Sis, are you alright in there?" Charlotte said worried knocking on the door. "Heehee yeah, sorry" Sharon replied coming out in her pink towel giggling. "That's good, but you better clean your self you're still wet" Charlotte said sweetly and left the room. Sharon looked down only to turn bright red embarrassed realizing she wasn't just wet but had cum a bit but sighed with a smile knowing Charlotte didn't know much being still innocent for a soon to be nineteen year old.

In time during night fall Sharon was comfy in bed but through the whole night she could not sleep, restless and frustrated. She spent half night looking at erotic film by accident click of channels and eating chocolate treats with hands along with lips sticky in desire. Soon Sharon went under the covers with a swirly looking vibrator while sucking on more messy chocolate. At morning she was half awake with a cute expression carefully stacking a deck of cards in the form of a castle. "I'm off girls, oh myâ ! early to bed for you tonight" Mrs. Valentine said rubbing Sharon's forehead gently. "Okay" Sharon smiled with a yawn holding an ace card. "I left everything all set and ready in the kitchen, be home soon" Ashley added and left with Ms. Valentine.

"I'm going into town to check things out, been a while, want to come?" Charlotte asked in a short white dress that with her looks made her appear heavenly. "Nah, you go I just want to relax it's only our second day home" Sharon replied. "Aww okay, but next time together" Charlotte said with a pout and left waving out the door. "Hmmâ !what to doâ !.?" Sharon thought for a moment until the door was knocked on suddenly. "Did you forget something sis?" Sharon said going to the door to open. "Oh, I'm sorry thought you were my sister" She said surprised. There in front of her was a ravishing young woman in a strange yet unique beautiful dress with long blonde hair with one green eye and other gray.

"That's quite alright, my name is Renee, and I live in the neighbor hood you could say" Renee said with smile. "I knew it, I mean I'm Sharon Valentine, nice to meet you ma'am" Sharon happily said shaking hands with Renee. "Please excuse my manners, didn't get much sleep but would you like to come in?" She said politely. "Don't you stress dear, I'm just passing by but I can help feel better" Renee said with a confident tone with hands on hips. "Wowâ !I mean how?" Sharon asked curious with her big blue eyes. Renee pulled out a basket, taking out and holding up a green apple to Sharon. "Just one bite and your problem will be fulfilledâ !literally" Renee said.

In a moment of brief silence Sharon starred at the apple with a skeptical and not amused expression. "Ummâ ! okay, well I need to go now" Sharon said taking the apple feeling uncomfortable and suspicious a little. "Trust me just do it, I'll be going then" Renee said taking her departure from the house. "How does this help?" Sharon wondered feeling annoyed with her stomach now growling. "Well whatever, its still food" She shrugged and smiled biting into the apple. â ;

Chapter 2: Eat Me Up 2.

Eat Me Up 2. á !

In her home still near the front door Sharon had begun taking a bite of the apple but her chewing came to a sudden stop with her pausing for a sec. Sharon notice everything looking like a blur, getting hot inside with a dizzy head. "What's this? Someoneâ help pleaseâ !?" Sharon struggled for words on her knees clutching her pounding fast heart. She then collapsed on the floor out cold with the apple rolling out her hand. The strange noises of crickets, birds chirping, and wind blowing began to awoken Sharon.

"Mmmâ is someone there?" Sharon mumbled with her eyes opening slowly where above was sunlight shining into the tips of tall trees that seem to form a circle. "Wahhâ where am I?" Sharon gasped in deep surprise, sitting up from once her floor now a ground. "It's so beautifulâ !!" She said amazed and still in disbelief looking around more confused. Sharon was somehow in a huge forest that was all green nature, with no hesitation she did some quick exploring where she stumble across many creatures, from lovely colored birds, butterflies, even flowers with expression going around Sharon that she was almost levitating.

"What is this place?" Sharon smiled and found a wooden sign which made her jump a bit. The writing was fresh like it just been hammer and wrote on which read "The Emerald Forest of The East". "Oh well that explains it heehee" Sharon giggled and sighed. Sharon did some more exploring only to become even more enchanted and excited finding a river nearby. "Hmmâ wahh?! Is that me?" Sharon shouted in shock a lot. As bent over gazing at the river she caught her reflection that showed her eyes went from blue to enticing emerald color green. "How did this happen? Was itâ really that apple?!" Sharon had panicked in a cute manner almost running into a tree and falling into the river.

Unknowingly to Sharon in the shadows two figures were close watching her, one bumping arms to other with a grin and the other doing the same. "This is just nonsenseâ how do I get home anyway?" Sharon said with her finger on her mouth in thought, just realizing it and the fact of the apple gone too. "I need a mapâ I need that apple backâ !.I need some help, oh!" Sharon said caught off guard. Two blonde strangers stood in front of her, they were attractive twins of the opposite sex, who just stared smiling without moving much at Sharon. "Umm do you know the exit to the forest?" Sharon smiled asking the boy. The handsome gut didn't reply but still smiled, Sharon nervously moving over to face the girl. "Soâ How about you? Can you help me or not?" She asked with a small sigh.

Neither twin had answer or even talk at all that was annoying enough for Sharon to take a hint to just walk by. To her dismay just when she tried to get passed the twins constantly blocked her together, side by side, Sharon even tried running only to get caught in the middle with both twins approaching from front and behind. "What's your deal? You're freaking me out!" Sharon said upset and nervous. The twins were back side to side starring at Sharon but for a moment looked at each other, exchanging a tad of confused looks by Sharon's distress. "Hmmâ wait that was there all the time?" Sharon said surprised with a blush of embarrassment. "Jezebelâ and your name is Jasper" She said reading what had appeared to be name tags on the twins' shirt collar.

The twins smiled once again moving closer with Sharon still in the middle smiling nervously moving away slowly as well. "Mmmmâ !" Jasper took a sniff of Sharon's hair, letting his finger twirl in her hair playfully. Jezebel gave a neck nuzzle that made Sharon flustered by what was happening out the blue. In shock Sharon watched Jezebel and Jasper grope her everywhere like hungry lions as they even tried to rip her clothes apart in craving for her delicious meat body with fluids of joy to satisfy a great thirst.

"Hey! Stop that! You didn't even ask me!" Sharon yelled overwhelmed with her cheek deep red. Sharon's black stockings was ripped along view of her pink panties then with her shirt half ripped but allowing a sexy view of her big breasts in a matching pink bra. "We just want play" Jezebel said in a teasing tone. "So you finally talkâ perverts" Sharon said annoyed with a smiled covering herself. "Don't get mad, just be mad" Jasper said with flirty wink. "What do you mean?" Sharon asked. She is stunned a lot as Jezebel on her knees is pulling the side of Sharon panties, giving a glimpse of pussy that she kisses giving Sharon chills only to look over at Jasper unhooking his belt with a happy expression. "Whoa! Hold a minute!" Sharon shouted out hitting Jezebel away and Jasper too. "I need to go now" She said blushing and just walked off to any direction.

"What?! Nooo...Mmmm!" Sharon yelled in a small moan. Jasper big but firm squeezing Sharon's breasts from behind while using her hand to rub against his now hard cock. Jezebel on her knees again held Sharon's butt with her stocking ripped in a sexy manner there too, moving a side her panties Jezebel was ready to devour the warm cute hole of Sharon's butt. "Pleaseâ I can't!" Sharon mumbled while trying to hide her moans with her free hand of embarrassment. Jasper was now sucking Sharon's neck with his hot tongue as his hand began sliding through her panties to rubbing around the clit then sliding two fingers to swirl and thrust about in Sharon's pussy.

Sharon felt like her mind was going crazy feeling weak in the knees as she moaned louder in her hand especially as Jezebel was sucking her hole that was now wet. Jezebel's long tongue was exploring and hitting spots even with a slip of finger inside. Both twins were also squeezing one of Sharon's big breasts, making her nipples hard. The heated yet unexpected passion was so much that Sharon was running her hands in her hair moaning in ecstasy and started to burst in cum. Jezebel now joined by her brother were below, Jasper under Sharon's pussy and Jezebel under her butt with their mouths open drinking and licking up all the cum.

"I can't believe itâ that wasâ too greatâ and bad" Sharon said in thought holding her head frozen in shock. She felt herself moving to the point that she ran away and finally escaping the bizarre twins. Sharon kept running until to weak by her body a little and out of breathe stopped to rest for a sec. "Hmâ how lovely" She said smiling down at the ground. Sharon was in a small field of beautiful white flowers with some petals blowing around her by the breeze. "I must be really tired to see that" Sharon smiled in a yawn. The flowers seem to be dancing around making Sharon very sleepy that she slowly layed flat down falling into a slumber happily with flowers near her turning red. â

Chapter 3: Swallow Me Whole 3.

Swallow Me Whole 3. á !

In "The Emerald Forest" still and sleeping was Sharon in a small field of now red flowers that became white once again as someone approach near with a blurry and bright appearance due to the sunlight and flowers blowing away. "Hmmmâ !?" Sharon rubbed her nosed waking up gently. "Hey, you don't belong!" A voice said ticking with a feather at Sharon's nose.

"Wahhâ !Who are you?" Sharon asked with eyes widen a bit caught off guard. "Wrongâ !Its how do you do then introduction, get it?" The girl said poking Sharon's forehead. "Harley the name, and that's my game, your roll" Harley said with a cheerfully expression waiting. "Oh, umm I'm Sharon, I drawâ !?" She replied confused smiling back. "Nice, need a hand?" Harley happily held out hand. "Thank you heehee" Sharon giggled getting up from the ground. Harley was a cute girl with peanut brown hair with matching long rabbit ears in a type of charming get up with a comfy move about skirt.

"Wait your eyesâ !just like the twinsâ !my eyes are like yours too" Sharon said very surprised. "Huh? Your funny, all eyes are the same, our trade mark you know, our home" Harley replied. She then began to spin around fast and started walking off in a dizzy mad way laughing hysterical. "I'm coming too!" Sharon shouted running to catch up. "The more the merrier, but we must be the same out of minds to get to destination" Harley said pulling out a mallet. "Uhâ !but I like my mind" Sharon mumbled in a small flinch. She watched Harley actually hit her head with the mallet and hit her head as well. "Owwie!" Sharon shouted rubbing her head but was relived to know the mallet was just a joke.

Harley then took Sharon's hands to spin around to the point that Sharon began to question her own mind as things seemed a blur and found herself somehow in a different part of the forest now. "That was fun, two is better than one, and not late at all for a murder of tea" Harley said with an even more chipper expression. "So this is what a hang over is likeâ !maybe worse" Sharon said holding her head with her legs feeling like jelly. Once Sharon snapped out it she smiled almost stunned by a table up ahead that was lovely put together with tea like set and with many kinds of tasty treats. "Hey Minna, I found a guest for a table of three, mind to have a spare?" Harley asked with a charming but mischievous tone.

At the table a girl began to wake up still tired and slow moving, she had like a pale light brown hair cut to shoulder length like Harley, and with cute mouse ears. "Mmmm okay, just not so loud to my slumber" Minna replied in her soft voice sniffing inside a tea pot of its scent. Harley had pulled out a chair and patted it for Sharon, who giggled walking over to sit on. Minna gave a tea cup and small plate under with a spoon to Sharon nicely as Harley playfully held up a tea pot sideways pouring it a tad messy. "Is this party? I wouldn't want to intrude" Sharon said sweetly. "Party? My dear this not a party, this is "Thee Party" every three o' clock" Harley replied serious snatching Sharon's tea from her.

"Hmmâ !oh more tea, have less than much more" Minna said in a yawn giving Sharon another tea with more cream and sugar. "Umm thank you" Sharon flustered held up the tea to drink. Harley became hyper active unable to keep still that she threw plate and cups at trees, used a big sharp knife to cut a cup in half to save part of her drink later. She even got a bit distracted by passing butterflies that when snapped out it she would seem surprise to see Sharon and Minna.

"Don't mind her, you know it's that time of month" Minna said rubbing her eyes a little. "Oh I seeâ !uh does she need protection? Sharon asked concern and curious. "Her? She is delirious always" Minna added while using her finger to stir her tea. "Heehee I'll take your word" Sharon said. "I hope to hang on or your fall like a shooting star then you knowâ !splat" Minna said aloof with a twisted grin and drank up her tea. Sharon

smiled nervously but then watches Minna fall asleep on the table peacefully with small peeks every certain minute.

"Well I must be at the wrong place, I thought this was a threesome date" A mysterious sexy and seductive voice said appearing into the sunlight. Sharon was frozen blushing red at the stranger approaching to the table and stood with arms folded starring deep in her eyes. "Ah! Addie is finally here!" Harley cheered. Minna smiled waving abit before falling back to sleep but Sharon seemed speechless love struck. Adelaide was an alluring and exquisite girl with long straight yet a tad wavy caramel brown hair. She was in a type of Victorian clothing with a tomboyish but charming tie and a short sexy skirt with white tights along with a small top hat wore like ribbon in middle of head.

As well like all the inhabitants of forest, she too had the trade mark emerald green eyes. "Care to share a name at this time?" Adelaide said waiting with a smirk. "â lummâ 'I forgot" Sharon shyly replied smiling big. "A mind blown away, very tempting but name is what I need" Adelaide said whispered with a lip brush gently on Sharon's forehead. Sharon happily was smiling with eyes closed with her enticing pink lips. "I think I'm Sharon Valentine" She said sweetly like under a spell. "My fair Sherry, have tea with me and my merry mad friends" Adelaide said taking Sharon's hand, kissing the palm softly. "I would love too" Sharon happily said with her big green eyes that seem to sparkle.

"Lets begin then" Adelaide let out a wicked and hot grin that Sharon was on the ground and watched Adelaide rip her shirt while at the same time snatching off her bra. Sharon had gasped in shock with her big breasts exposed with cherry red nipples becoming hard, Adelaide leaned down upon her and placing a banana between Sharon's breasts. "Mmmm looking perfect Sherry" Adelaide teased in Sharon's ear. "Heehee I'm glad" Sharon said blushing and getting giggly inside. Adelaide started to smush and squeeze her quite sexy size breasts onto Sharon's breasts, then both were licking and sucking the banana very erotic.

In time Sharon found herself layed right on top of the table by the threesome, she was naked with whip cream on stomach, chocolate all over breasts, sweet honey on her neck, and by Harley's crazy suggestion had applesauce on her pussy. "I'm hungry now, enjoy everyone" Adelaide said smiling as she bit down on fork seductive. "Yay, too bad we had no room for mustard and butter" Harley said cheerfully licking a knife in thought. "I upâ 'ready to eat too" Minna yawned sucking on a spoon with jelly. Sharon was confused, amused, and excited trying to stay still as the three stood now over her.

Minna abit shy but half asleep was sucking on Sharon's neck, licking all around and began to suck hard while pushing her spoon in her pussy under her skirt getting sticky hot. Harley was scooping and sucking up whip cream even sprinkling sugar on Sharon to lick off only to get more hyper. Sharon was overwhelmed giggling by her ticklish body but once she caught Adelaide's eyes she bit her lip with longing. Adelaide held up to squeeze and suck Sharon's breasts passionately, making Sharon moan in lust. Adelaide teased Sharon rubbing her finger around her nipples as Harley used her feather to tickle Sharon's waist.

To Sharon's delight and craving inside she watched Adelaide move below, spreading her legs slowly to her wet pussy covered in applesauce to Harley's amusement for sure. Minna and Harley held Sharon's pussy fully open, letting a pleased Adelaide eat Sharon out, thrusting her tongue non stop hitting sensitive and throbbing walls. "Ooo is she tight?" Harley eagerly asked and cheered. "Did it just get hot out here?" Minna asked rubbing eyes.

"Mmmmmâ '!!!" Sharon moaned loud in ecstasy. Adelaide licked her lips with cum on her face, shirt, and hair a little, Harley held out her hand to Sharon's pussy, drinking up her cum with Minna licking some off her fingers. "Hmmâ 'we have murdered timeâ 'now a victim, good thing I lost my head" Adelaide said enticing with a smirk. Sharon had dozed off with a very cute expression nibbling on Adelaide's finger as Harley covered her with the table's cloth with Minna joining her for a nap. â ;

Chapter 4: Succumb My Heart 4.

Succumb My Heart 4. á !

At the party table deep in the forest, Harley was fishing with a mallet, the moment she saw one she would quickly smash instantly while face down on the ground Minna looked dead but very much alive and sound asleep. At the table Sharon was sitting on Adelaide's lap, with legs wrapped around the chair as she and Adelaide had been making out a lot the past hour. They were twirling their hot tongues in each other's mouth with saliva running down lips slowly, along with groping breasts passionately.

"Ummâ ! my spot please" Sharon said with an adorable smile blushing hot red. "Oh I seeâ !a naughty mind we have" Adelaide teased and winked. She began to slide her hand up Sharon's thighs and slip in a finger to her pussy that quickly tighten around Adelaide's finger being pushing in then out while twirling about in a erotic manner. "It is me or have I become crazyâ !but you seem almost not there" Sharon said flustered. To her shock everything thing had gone black with a small glimpse of light, she had woken up from a hard floor other than soft ticklish green grass.

"I'm homeâ !?" Sharon mumbled in shock still. For a moment Sharon became disappointed with a broken heart until her eyes caught onto the green apple from a far on the floor too. "That's right, because of this one apple, I was thereâ !complete nonsense" She said. Once Sharon gently got up from her knees and the floor, her eyes widen while holding the apple looking down as cum was rolling down her legs slowly, nipples still hard sensitive, and body just felt sticky everywhere. The front door had suddenly opened with Charlotte entering happily but paused to stare at her sister acting peculiar. "I'm back, say are you alright?" She asked very concern.

"Huh? Oh yes! I'm just fine, don't worry" Sharon said as she smiled nervously. She had moved over to a table to hide her wet legs from Charlotte who had approach just a little. Sharon was still surprised to realize that her dream was indeed real especially once the next thing happens. "Wowâ !that's really pretty, when did you get those?" Charlotte asked really interested and intrigued. "What do you mean?" Sharon said confused. "Hi girls, were home, Oh dear, I didn't know you were contacts, they are perfectly lovely on you" Mrs. Valentine said nicely walking pass.

"Hmmâ !nice" Ashley said in her aloof tone with a short smile following behind the Mrs. Valentine. Sharon with no idea what they were going on about went over to pick a small mirror only to shake abit stunned completely, her eyes were still emerald green with her family thinking they are just contacts over her blue eyes. Later on during dinner Mrs. Valentine, Charlotte, and even Ashley noticed Sharon was in a good more than ever before, practically glowing. "Mmm so yummy heehee, could you pass over the potatoes please?" Sharon said smiling big very cute.

"Uh...sure" Charlotte said looking speechless a tad. "Well someone has a big appetite tonight" Ms. Valentine smiled drinking some wine. "Yes! I feel like my taste buds have just bloom and just feel hungry heehee" Sharon giggled with a happy blush munching down. Ashley's eyes went big for a sec at the bowls and plates to clean while keeping her statue like pose. "I'm full, time get cleaned up and head to bed, goodnight sweet family" Sharon said with a lovable expression waving from the staircase. "That's very curiousâ !" Charlotte smiled with her deep blue eyes. "I love it, don't what it is but my daughter is blissful, I hope you are too" Ms. Valentine said.

"Mom, I'm good heehee" Charlotte blushed and giggled embarrassed. Meanwhile Sharon had took a nice warm shower, dried off to put on fresh pair of undergarments, and into bed in a simple yet sexy plaid pajamas with her big breasts in view as she only did two buttons. "I wonderâ !could I go back?" She said in thought

staring at the apple that was wrapped and hidden. Sharon took it out gently from a box that she unwrapped and looked at her bite mark just as she began to hold the apple to her pink lips. "I must be really madâ but here goes nothing" She said taking a bite again happily. Sharon like before felt dizzy and with what felt like a heart attack, falling out unconscious in her bed.

In time Sharon finally woke up and to her excitement was back in forest but things were a little different from her first journey to the place. For one thing, it was like a dark forest being night time and went from warm to now windy. "Hello? Is anyone out here? Adelaide?" Sharon called out holding her arms with a slight shiver. The bushes near was noisy and shaking with tree's leaves being blown around even hitting Sharon as she tried to walk with the wind going in her direction. "Ummâ 'who's there?" She said with a spark of fear inside. As she walked more she could hear scratching sounds then was sure freaked out in everyway and thought hearing actual howling.

Sharon began to doubt if she was even in the right place or forest now hiding behind a tree, really cold and worried. "Wahh..? Eeeek!!" Sharon yelled loud as her leg got caught and was lifted up into a trap on a tree branch. "Someone help me please!" She cried out unable to get loose. In the shadows two figures had appeared once closer stepping into the moonlight it was revealed to be the twins hand to hand, both eating very sweet treats. "Oh it's you, could you help me down?" Sharon asked very nicely in relief. "She needs us now" Jezebel had grinned bumping arms with her brother. "â lit would seem apparently" Jasper replied back with same grin. There Jasper cut Sharon down but then had left her tied up on the ground. "Thank you but I'm still stuck heehee" Sharon said with a blush giggling. "We know this already" Jezebel said in a teasing tone.

"Indeed we do and the second time is even better" Jasper added biting a piece of chocolate with a wink. Sharon found them annoying but felt on alert by their weird behavior and way of words like before in their first meeting. "Wahh, wait!" Sharon shouted turning red in shock. Jezebel was groping her breasts, squeezing tight and rubbing slowly passionate that Sharon moaned slightly with some resistance. Jezebel started to pull on and bite on Sharon's nipples from her plaid pajamas top. Sharon flinch a bit and gasped as Jasper held her legs up with her sliding onto her back on the ground watching Jasper pull down her bottoms along with panties to thighs. He instantly used his fingers to finger around inside her pussy, making it get tight quick and very moist.

At the same time Jezebel rubbed under Sharon's butt, slipping a finger into her hole while using her free hand to rub on vulva and mons part of Sharon. For a good time Sharon was moaning much to her dismay but her body's pleasure. Suddenly Jasper begun to push his cock up between her breasts, moving and down slow to fast. He was hot and tuned on a lot with his hard cock, squeezing Sharon's breasts against his cock sexing her breasts now with swollen nipples.

"Mmmmâ !!" Sharon blushing red closed her eyes with a small peek as Jasper's expulsion of sticky hot cum shot into her face, hair, and lips that Jezebel scoop up some with her finger into Sharon's mouth to suck off. "I like this one betterâ !" Jasper said panting with a pleased expression. "I too agree, let's start again" Jezebel replied with a playful grin. "Nooo!" Sharon shouted red pouting. â ;

Chapter 5: Twist Up My Womb 5.

Twist Up My Womb 5. á !

Sharon who had been left still tied up by the twins was now blindfolded, being carried off by Jezebel and Jasper into somewhere in the big forest. She soon could feel her self being placed down upon a chair that made her lit in side. "Is thisâ !the party table? Am I back nowâ !?" She whispered in thought. Sharon felt a sudden lip brush against her lips that seemed familiar even by a small tease of a kiss. "My Sherry has return, finally and on time too" Adelaide said in usual sexy mad voice. "Adelaide, heehee I have missed you" Sharon happily said. "How sweet, loosing your mind over me, so touch I am" Adelaide smiled removing the blindfold and rope gently.

Sharon starring at Adelaide with her adorable expression and big green eyes almost sparkling love struck, she slowly started to spread her legs in enticing manner. "Hmmmâ !so you're that crazy for me huh?" Adelaide said letting out a smirk. "Maybe heehee" Sharon giggled with her cheeks getting flush. Adelaide began slide her hands down Sharon's pajama bottoms, through her panties, and begun to rubbing then caressing her soft pair of lips below. "Mmmm Adelaideâ !" Sharon moaned deep red smiling passionate squeezing her breasts in arousalment.

She watched Adelaide awaken her pussy that became stretchy, more stimulated, and even more sensitive for some special attention. Adelaide was fingering inside Sharon's pussy, using three fingers to push deeply into the happy trail, twirling about that her fingers felt almost being suck up and tighten around. In intense lust Sharon stood up facing backwards on the chair, opening her wet butt hole for entrance to Adelaide only. To her delight Adelaide removed her jacket to unbutton her blouse, showing her nice sexy C average breasts in an alluring cut short corset like bra.

She then untied the strings a tad abit, loosing her breasts that she held up and onto Sharon's butt. Adelaide used her breasts to rub seductive upon Sharon's butt to tease while letting her tongue explore the now damp cave of pleasure. Sharon moaning still was nibbling a string of her hair, squeezing her hard nipples, even rubbing her finger on her clit in an erotic happiness expressed in her eyes getting lost in the heat. "I need to let some outâ !Adelaideâ !can't hold itâ !Adelaide?" Sharon moaned and called out. She was shocked when she turned around to see Adelaide actually having a tea break with Harley and Minna who had appear sometime already.

"It may be dark as a raven and noisy like scratching wooden desk but tea we still do, time frozen to us" Adelaide said sipping up her cup with a sexy wink. "Oh...That's right" Sharon smiled and blushed a little embarrassed. "Come join, one of same now" Minna yawned patting a chair. "Yes! Hurry or no less tea for you, just lots more!" Harley shouted twisting her long ears in a knot. "Hey be careful thereâ !" Sharon said worried sitting down quickly. "Don't worry five cups of sugar can make even crazy immune" Adelaide said in her alluring smile. Sharon blushed and looked at Harley who was indeed fine, drinking tea with Minna who completely drunk up one tea pot and cuddle into a nap. "Heehee I think my mind is going" Sharon said shaking her head and giggled very cute.

"Fantastic!" Adelaide said with her eyes widen in excitement for the first time. "What a small worldâ !" Minna mumbled happily in her sleep. "Alright! Time for a dessert celebration!" Harley cheered with both arms up in the air. In minutes there was a tray with three layers of desserts going around, from cupcakes to brownies, even cheesecakes. Sharon had her finger to her lips very overwhelmed and unable to decide what to pick in hopes of using to seduce Adelaide. Minna was licking cream off her vanilla cupcake, even pushing her tongue inside to scoop out the hidden flavors onto her tongue. Harley was literally devouring her carrot cake dessert, stuffing in mouth in quite an erotic way and happily did a dance with her hips, enjoying her self.

"My sweet Sherry, open up nowâ nice and wide" Adelaide whispered into Sharon's ear. For a moment Sharon felt the inside of her ear melt in seduction making her feel wet, she opened her mouth even sliding out her tongue just a bit. Adelaide fed a creamy cake with strawberry sauce to Sharon, letting filled her mouth with its delicious red juices flow down her lips and chin. While even nibbling playfully on a strawberry with sugar, Adelaide kept feeding Sharon gently the slice of cake, making her mouth sticky, full, and succumbs to swallowing it all down. Sharon then instantly wrapped her arms around Adelaide's neck, starting a passionate French kissing make out.

"Mmmmâ hold that kiss a sec" Adelaide said coming for some air smiling. "I'm curious now" Sharon said sweetly cute. Once Adelaide disappeared Sharon finished up a last bite of her cake with Minna and Harley who was still digging in all messy and hot. "Little twinkle little bat...fly up high to the night skyâ wishing to bright joy" Minna mumbled stretching a little. Harley smiled waving around her fork and knife to the short song and hummed with her ears moving energetic and grabbed a cup of tea to chug down happily. "Huh? What's that?" Sharon said with a small jump. Oblivious to Harley and Minna, something was moving under the table, Sharon slowly lifted up the table cloth only to see an Adelaide caught in the act.

"Sssshâ !" Adelaide teased that had amused Sharon to nod, letting go of the cloth. Sharon just then sat waiting in wonder as she picked up a tea cup only to spill in shock, with the tea going down to where Adelaide hid and was eating Sharon out. There Adelaide was using her sexy moist hot long tongue to deeper and deeper into the reddish pink tight walls that had Sharon in overwhelming pleasure. While substituting her tongue with her fingers now, Adelaide held up a tea cup with cum going in from a moaning Sharon biting down on a strawberry fed to by Minna. Harley cheerfully began to burrow and wiggle like a worm under the table to Adelaide, with feet up and chin upon her palms she starred fascinated.

"Your mouth so sticky Hattaâ it was marshmallows right?" She asked with a mischievous grin. "I'm glad to say no, cuz it's way better" Adelaide replied twirling her spoon in the tea cup. "Ooo what's that?" Harley asked excited. "My mad lust I would say, for my taste buds to tingle" Adelaide teased. She then gave an enticing grin as she drunk up the entire warm sticky cum, licking her lips in erotic satisfaction. "Ohâ well I'm jealous, sounds pretty darn sweet, my favorite" Harley said with a pout. Adelaide held Harley's chin to rubbing a finger of cum onto her lips.

"â Yum!" Harley squealed holding her cheeks and rolled around silly on the ground only to stop in surprise. "Hmmâ when did you get down here?" She asked energetic bumping into Minna. "I'm not sureâ maybe fell off chairâ !" Minna said in sleep talk. She had been laying half way under the table on her back holding her mouth open as spilled tea dripped onto her tongue. "Ummâ hello?" Sharon said with an adorable confused face, feeling forgotten up on the surface of the table with a cold breeze in her hair and lonely leaf blown behind her. â ;

Tempt Me To Pour 6. á |

There with dawn near in the forest, behind a tall oak tree that Adelaide was lying back against, she watched a sexy and stunning Sharon rub her body slowly while at the same time rubbing her big breasts on top of Adelaide's body and bust to entice. Both girls nipples getting so hard that as erect the pinkish appearance could be seen through their clothes. "Heehee...must you stare at me like that?" Sharon said giggled. "Am I doing something?" Adelaide teased. Sharon blushed with her eyes slightly looking away with heart skipping a beat. "I know I have indeed lost my head, but not my ears that didn't get a reply back" Adelaide said with a smirk holding up Sharon's chin gently. Sharon was flushed even more, closing eyes slowly, and began in a long erotic make out with much tongue until breathless and tongues in each other's hot saliva.

Once Sharon had opened her eyes she was shocked and disappointed, she was back at home again to the start of morning, having been in the "The Emerald Forest" all night. "Well that's it for nowâ |" Sharon sighed and touched her lips with a thought of Adelaide. She smiled and shook off her sad moment and got out of bed to get cleaned up and ready for another day that was very sunny out so early too. In town Sharon was with her family, Mrs. Valentine market shopping with Ashley's assistance, and Charlotte checking out small shops down the street with pulling her sister along. "Oh look at that, how cute!" Charlotte said with a big radiant smile.

They were in front of a pet store, right in the window were rabbits in good view that Charlotte simply had adore, Sharon noticed at very hyper one that in no doubt remind her of Harley. "Hey I'm going be over here" Sharon said waved from across the street. "Okay, but no forget me" Charlotte said sweetly. There on a bench Sharon sat with vanilla ice cream, she licked around, up and down, then sucked down on passionately in a deep daydream. She was even more eager now to get back home and jumps up as her family approach with many bags. "I'm all done girls, how about you?" Mrs. Valentine said nicely. "Yep, saw some pretty accessories, but ribbons still my favorite" Charlotte smiled very pleased.

"I'm good but can't wait for dinner!" Sharon said in an adorable tone. Ashley shook her head with a small smile and started off to the car where she drove the family back home on their private property. Sharon was really excited to get back home in hopes of returning to her now all time best mad party fun. At the house Charlotte in surprise smiling watched her sister run the stairs fast as Mrs. Valentine and Ashley went to put things away in the kitchen. On her bed Sharon sat in complete shock, the green apple had become rotten especially when she forgot to wrap or put store away carefully. "What can I do now? This isâ |my entire faultâ |I can't go" Sharon mumbled with a tear hitting her hand. The thought of not being to visit anymore ripped her inside, already have become one with the world even still with the green eyes.

"I better get rid of it before it smells up in here" Sharon said sighing and walked over to her bedroom door. She suddenly stop only to catch a glimpse of Renee going into her home that apparently she noticed then her family and maybe others as well. "I won't be long, need to see a friend!" Sharon yelled hurrying down the steps and out the front door. "Hmmâ |Oh okay sweetie" Mrs. Valentine said caught off guard and smiled. Charlotte was under a tree reading peacefully and watched her sister zoom past her, quickly holding her skirt down of embarrassment by the big breeze from Sharon's movement. For a moment of silence and regaining breath, Sharon stood at the door with small crescent moon in the beautiful colored window.

"Ah I though had to be you" Renee said appearing at her door and smiled mysterious as usual. "â |Then you know why I'm here?" Sharon blurted out. "Yes I do, come in please" Renee replied. Sharon relieved went inside, with door closing itself which was a surprise, there she was amazed by all treasures and old antiques. "This is what you wanted, right?" Renee said holding up an apple. "That's right ma'am, sorry I didn't believe

you" Sharon replied kindly. "I like you, and this is our secret now, your able to see me for a purpose you know" Renee said with a lovely wink. "Thanks! Heehee" Sharon excited shouted. "By all means, have a bite and a safe journey to ecstasy" Renee said. Sharon blushed embarrassed looking at Renee who gave a cute smirk, Sharon smiled back and happily took a bite of the new fresh green apple.

Soon an unconscious Sharon was instantly in the forest, she began to run looking for everyone, hoping she wasn't late or had missed anything good. "Wahh?!" Sharon said shocked with a silly look. Minna was blindfolded against a tree sleeping as a crazy Harley practiced her archery with tea cups, pots, and plates on Minna's head while blindfolded her self. "Eeeekk!!" Sharon yelled caught off guard. She was splashed all over in red juice by Adelaide who in a sec had used a bat to smash a watermelon upon a tree stump. "Oh hello sweet valentine Sherry" Adelaide said passionate and walked over slowly. Sharon became flushed and happy a lot closing her eyes and opened her mouth abit showing her tongue from her pink lips.

"Did you know she missed before, right in the eye to that nosey knight?" Adelaide said with Sharon almost tripping just by the sudden words. "Ummâ what do you mean?" She asked with a small pout. Adelaide put her finger to Sharon's lips, starrng very alluring. "I have time always for you too" she whispered in the breeze that gave Sharon goosebumps. "Hey, bouncy ball of beauty back!" Harley cheered throwing a tea cup playfully. "Eeeek!! ...Wait a minute bouncy?!" Sharon screamed ducking only to blush embarrassed a lot. "We will start lateâ won't that be mad?" Minna mumbled in a yawn. "Oh, yes, time to drink up" Harley said hop scotching silly to the table. At the table Adelaide poured three cups of hot tea for her friends, looking alluring with some strings of hair over her eyes, Minna sipped down her tea as Harley puts loads of sugar to down her tea in total hyper active bliss.

Sharon had a cute expression starting to unzip her sexy top, exposing her big breasts with round pink puffy nipples. Adelaide was in surprise but very intrigued watching Sharon pour cream down her cleavage, spray whip cream onto her nipples, then using hands to rub vanilla pudding on breasts. There walking over, Adelaide gave attention to Sharon, she swirled her tongue around Sharon's breasts to lick up the pudding. She let her tongue go up to scoop up the whip cream and suck deeply on the now swollen nipples.

"Mmmmmâ heehee!" Sharon moaned while at the same time giggling very ticklish and sensitive. An amused Adelaide had a seductive smirk and begun burry her face between Sharon's breasts, starting to move her tongue about on the slippery good cream. Sharon happily cuddled Adelaide's head close looking around to notice Minna knocked out and Harley actually sleep but with long ears twitching.

"Hmmâ rain?" Adelaide mumbled from Sharon's breasts. Though sunny a light rain storm had came, Sharon was enticing as the rain fell on her with its drops hanging then falling off her breasts and lips. "Now you're just a tease, how cruel" Adelaide smiled using her hat to fan her self. "Nuh uh heehee" Sharon giggled and blushed. The rain poured down more waking Minna and Harley jumping up excited getting soaked. "I have a fun idea, come on!" She shouted energetic. Sharon holding her breasts, Adelaide with her hat, and Minna with a tea pot was smushed together by Harley. "â Alright! Now open up ad enjoy!" Harley said cheerfully with a slight short sexy grin. All together they each gazed up in the sky opening their mouths and slowly sliding out their tongues to the rain drops. â ;
