Chapter 1: Strawberry1.

Strawberry1. A Sweet Secret. â ;

When I was little my mom told me that little girls were made of sugar and spice with everything nice but for me I was special. Either I got a frog, snail, or puppy-dog's tail but I had something that I thought belong to a boy. I suppose now I am a strawberry with a banana, as one. â ;

"Ahhh feel that morning breeze!" Kadiri said happily as she stepped outside with her backpack. "Heehee Morning" Momoko waved, as she waited for Kadiri outside. "Oh, Momo!" Kadiri smiled very calm and sweet.

Momoko Shinsato, she is so beautiful and elegant, we met in middle school, I was exposed in a girls shower room and bullied so bad. But Momoko made the girls stop with a deep look of anger and loan me one of her shorts to wear, there with a gentle smiled she said, "Our secret together". Since then things became much better, I had such a good friend and a lovely princess acting out as a knight.

"Hmm Kadiri?" Momoko looked at her shoulder to see Kadiri had fallen asleep. "Sleep tight" Momoko whispered softly and smiled rubbing Kadiri's head. It was a long peaceful ride on the train and in time a stop was made and the girls got off in a local town with there school just ahead.

"Well talk about a big fancy looking school" said Kadiri with a very surprised look. "Come on silly, can't be late on our very first day" Momoko teased and smiled. "Yeah!!" Kadiri said happily taking Momoko's hand running to the school.

The bell rung and all students were seated in their classrooms and out of the principal's office Kadiri and Momoko was shown to there official homeroom class.

"Quiet!" Ms. Hatanaka shouted sitting on her metal with an oak top teacher's desk. "Now two new students arrived today and we are lucky we get to have one join us in this class". The class cheered and gossiped excited as the door opened. Kadiri shyly walked inside and stood in front of the class. "Umm Hello, I'm Kadiri Yasuda". The class all together said, "Welcome Yasuda!"

"Alright, there you can sit in middle desk of Aya and Hatsuyo "said Ms. Hatanaka. "Okay" Kadiri walked to her desk and sat down with her things. "Hmm?" Kadiri felt a strange uncomfortable force. Aya was starring at Kadiri in a flirtatious look and when Kadiri looked to the other side Hatsuyo also had a charming smile.

I never saw two girls just looking at me, and in that way. Maybe it's nothing, besides they could be ready to pick on me or something, So much for trying to look forward and start fresh. *sighs*

It was lunch time, and at a table Kadiri was sitting alone but kept noticing other looks from girl students. "May I join?" A sweet voice asked. "Momo!" Kadiri said happily. "How were your classes so far?" Momoko smiled and blushed. "Well I saw this really cute boy in English class, so handsome". For some reason Kadiri lost her smile and put on a happy act, "I'm so glad Momo".

"How about you?" Momoko asked. "Uhh you know same old same old heh" Kadiri laughed a little. "I'm still always here for you, friends always first" Momoko held Kadiri's hand and smiled. "Right!" Kadiri said with a very happy smile. The bell ranged and students begun their final last classes.

"Gym?! Swim?! Girls room and shower?!!" Kadiri panicked as she looked at her schedule. "What am I going to do, either one will let my cat out of the bag!" Aya and Hatsuyo noticed how Kadiri avoided the girl's locker room with showers, refused to do swim class but worn boys shorts in gym. When gym was over, Kadiri quietly headed into the locker room after the girls left full dressed in uniforms again. "Whew close one" said Kadiri. She went all the way to the back and began to unbutton her small buttons on her shorts. Just then Hatsuyo ran back to the locker room as she left her uniform ribbon.

"Here it is, can't let my chest catch a cold heehee" Hatsuyo giggled as the ribbon kept girls chest from exposure with buttons down there breasts area. "Hello?" Hatsuyo said looking around, hearing sounds. As Kadiri pulled down her shorts slowly to her knees her male genitalia was out, only to look up with a very shocked embarrassed look.

Hatsuyo stood completely surprised and frozen as her eyes slowly looked at Kadiri's secret, she blushed bright red and Kadiri panicked but then saw a wet drop fall from Hatsuyo, and both girls ran separated ways.

Behind a wall Hatsuyo was trying to catch her breath, still very red in the face. She stood with her legs tight together embarrassed and suddenly let out an alluring smile with the thought of a banana. "Mmmmm now that is one sweet secret" said Hatsuyo with a wink. â j

Chapter 2: Strawberry2.

Strawberry2. A Yummy Visitorâ :

"I can't believe what happen so fast! Now, Hatsuyo will sure enough spill my secret!" Kadiri yelled with her head buried on a pillow. "Did she really do that when she saw me?" Kadiri asked as she lift up her head blushing and she remember Hatsuyo either got turn on or had accident. "Well what do you think?" Kadiri asked and looked at her adorable rabbits, Marshmallow and Brownie. They wiggled their ears, and both thumped their feet on the ground for yes. "Nuh Uh!" Kadiri blushed a lot and walked out her room to the kitchen, cooking dinner. Her rabbits followed and sat on the couch taking a nap.

"Huh?" Kadiri heard an unfamiliar knock on the door. "Coming!" As she opened the door slowly her face turned into a shock unexpected look. There in the rain stood very hot Aya holding up a gym bag. "Oh I forgot that I left it! Umm thank you" Kadiri said with a smile abit. "I'll catch a cold if you don't let me in please" Aya teased with a grin. "Sorry! Come in!" Kadiri said and grabbed a towel as Aya sat in a chair. Kadiri rubbed the towel gently on Aya's head and cheeks that made Aya smiled. "Mmmmm" Aya said with a happy smiled moving the towel away to feel Kadiri's soft hand.

"Uhhâ : yeah! I have dinner if you're hungry!" Kadiri red a lot in the face, walking away into the kitchen. "I would love to taste your cooking heehee" Aya winked and smiled starting to undress. "Umm what are you doing?" Kadiri asked in a shock funny look. "Well all my clothes are very wet and you never mention to change into a room, guess you want a show hee" Aya teased and sticked out tongue playfully. "I'm sorry! My room is down the hall" said Kadiri blushing.

Aya went into the bedroom, she began unbuttoning her school uniform top, revealing her cute purple bra and took off her skirt, in her matching panties. Meanwhile Kadiri set the hot food on the table and gave her rabbits their dinner too. "Mmmmm smells good!" Aya said happily sitting at the table wearing the top of one of Kadiri's pajamas and her panties in view. "Looks very cute heh" Kadiri blushed and laughed happily that made Aya shy for a moment.

They began to eat, enjoying the food a lot and even time together, Aya played with the Marshmallow and Brownie, she and Kadiri watched scary movies that made Aya get close up on Kadiri scared. Then they played games to midnight, the pouring rain never stopped but both girls seem to forget all about it.

"Mmmmm!" Kadiri woke up yawning and stretching in her bed happily. "What a beautiful day! I should call Momo to tell her about the crazy night I had" Kadiri said smiling as she got up only freeze in deep shock. "EEEEKKKK!!!" Kadiri panicked as her boxers was missing on her body.

"Breakfast ready sweetie" Aya happily said in the kitchen, naked in a pink apron with "banana" on it and holding up two plates of strawberry pancakes. Kadiri blushed red and try to shake it off only to slip and fall onto Aya. "I'm so sorry!" Kadiri tried to say realizing she had Aya pinned onto the floor and strawberry pancakes over them. Aya smiled and pulled Kadiri to her lips, making out passionately on the floor. Kadiri knew she enjoyed it but pulled away. "Did you already know my secret?" she asked catching her breath abit. "Oh I knew once you had reaction to me standing in the rain wet heehee" Aya giggled and smiled. "How come you didn't run away or freak out?" Kadiri asked confused helping Aya up. "So you're different, so what, I wanted you anyway, that big surprise just adds to more fun" Aya winked teasing and Kadiri blushed but smiled amazed to hear anything like that for the first time.

Later on, Kadiri was very happy like a burden was released from her shoulders. "I love this side of you, may I ask what brought this suddenly?" Momoko smiled asking as she walked to school with Kadiri. "Well I learned

the past was the past and now things can get better" Kadiri smiled looking up at the sky. "I wanted to be accepted for whom I'm inside and out and maybe in time I will meet the one, but I can't rush right?" Kadiri said and looked at Momoko. "Yes and I want you find your first ever love but give it time, you will be surprised" Momoko happily held Kadiri's hand.

Kadiri smiled squeezing her hand gently and look to see Hatsuyo in a crowd of cheerleaders, she waved and Hatsuyo winked with her charming smile, Then Aya appeared, Kadiri shyly smiled waving and Aya pulled out a strawberry, bite it with her lips juicy red and blew a kiss.

"Kadiri you okay?" Momoko asked as she was paying attention but waving to her friends. "What?! I mean yes!! Uh let's get to class!" Kadiri blushing embarrassed. â ;

Chapter 3: Banana 3.

Banana 3. One cold with hot Nursesâ !

It's already been a week and my life has taken some funny turn, some girl students are very friendly to me, some look at me with hearts in their eyes, and boys are so envious of me. But then again I shouldn't be surprised, the two hottest girls in school defined by all the boys, are Aya and Hatsuyo. These two girls have never shown interest in anyone well until now. I'm sure any boy would love it but for me it's very embarrassing especially in class last Thursday.

"Alright let's begin our first lesson" said Ms. Hatanaka as she turned to the black board with chalk in her hand. The class opened their books and took notes watching Ms. Hatanaka demonstrate how to solve a math problem. "Put this there... And add it by two... Oh!" Kadiri said as she happily took notes too. Aya giggled watching Kadiri and Hatsuyo smiled, both girls moving their desks closer to Kadiri's with her even more in the middle.

"Ahhhâ !" Kadiri blushed a lot and held her mouth tight. She instantly looked under her desk to see Aya and Hatsuyo hand on both on her legs making it further to her thighs. Aya smiled happily pulling on Kadiri's hidden boxers up her skirt. Hatsuyo was hugging Kadiri's arm with her bust tightly pressed on to it. "Ahhh I have to go to the rest room!" Kadiri yelled jumping up from her seat with her face all red.

That was so hard to endure without exploding both inside and out, as days went by more it got worse and worse, now after a long week of rain and unwanted touching, I have to admit I don't think I'm feeling wellâ really.

As the bell rang, all students went there next class but Kadiri was going very slow and could barely walk. "Kadiri are you okay?" Momoko hurried holding her hand. "Yeah, it's nothing, not to worry" Kadiri said with a weak smile trying to brush it off. "No your not, I know you now please go to the nurse office and I promise to come back for you after class" Momoko said very worried rubbing Kadiri's forehead. "Okay, for you" said Kadiri with a smile and left to see the school nurse. Momoko watched and blushed at her hand was so warm from Kadiri's forehead.

"Nurse Koshikura? Are you in here?" Kadiri called out in a low voice walking inside the nurse office. As Kadiri moved a curtain back she froze blushing red, there on the patient' bed was Hatsuyo undressed out her school uniform smiling seductive. "Is my banana not feeling well? Can I help please?" Kadiri was very overwhelmed with a sick body inside and turn on body from the outside. "Umm heehee nope I good" said Kadiri. Laughing nervously backing away slowly only to trip over the curtain. "Mmmmm" Hatsuyo smiled happily as Kadiri had fallen on top of her but in an interesting position. Kadiri's face was on Hatsuyo's panties with Kadiri's butt in Hatsuyo's face. For about five minutes, no movement yet, Kadiri couldn't move starting to feel dizzy again. Hatsuyo done having a fantasy similar to this, started to poke Kadiri's butt playfully. "What is the meaning of this?!" Aya yelled coming in the office. "How dare you try to take advantage of my sweetie when obviously she is sick!" Aya pulled Kadiri off Hatsuyo into her arms. "No fair! I had her first! Girlfriend stealer!" Hatsuyo pouted and angrily pulled Kadiri back on top of her. "We will be done in four hours, bye" Hatsuyo waved smiling. Aya lost her temper grabbing Hatsuyo hair and in moments both were at war. "Everything is spinning heehee...yup aroundâ around..." Kadiri said holding her head with a dizzy smile and fell out cold. "Kadiri!!" both Aya and Hatsuyo shouted in panic with clothes ripped.

When Kadiri awoken, she found herself in her bed at home. She had a fever and was coughing a lot. "Mmmmm so cold... So hotâ lowwww..." Kadiri said very sad feeling muscle aches. At that moment, Kadiri blushed red at Aya and Hatsuyo, both at her house and in tight and short nurse outfits. "Nurse Strawberry

here" Aya winked and smiled. "Nurse Banana here!" Hatsuyo blew a kiss with a sexy smile. "Uhâ !" Kadiri smiled abit and held the covers over her head shocked.

"Kadiri are you home? Hello?" Momoko called on her cellphone. "Hmm I hope she is alright, Nurse Koshikura said she never seen Kadiri in her office but Ms. Hatanaka said she went home early" Momoko said thinking and reached Kadiri's house. Momoko pulled out a spare house key she had to the house and entered in it quietly. "What in the world?" Momoko looked around to see two school uniforms on the floor, along with bras and panties. "Kadiri?!" said Momoko standing in shock and anger.

"Momo!" Kadiri said in a very weak voice blushing as Aya was rubbing strawberries on her breasts from her shirt and Hatsuyo playfully sticking a banana up her cute boxers. "Heehee, Time for your shot!" Hatsuyo smiled giving a shot on Kadiri's butt. "Say Ahhh" Aya smiled enticing and very ready to taste Kadiri's tongue. Momoko busted into wrath kicking the girls out and holding a sick Kadiri in her arms with a blanket. "The nerve of them!" said Momoko still upset but sound very jealous. Kadiri had fallen asleep finally in peace. Momoko left the room and saw the girls holding up drinks.

"We so sorry if we upset you, really" Aya said with a sad look. "We just adore her and guess got carried away, not nurse like, forgive us?" Hatsuyo asked with a little smile. "Umm sure, maybe I went far too, thanks and yes" Momoko smiled back thought still very mad taking the drink and sipped slowly. In just a few minutes both girls grinned and laughed as Momoko felt sleepy a lot, laying on the couch. "Oops those darn sleeping pills" Hatsuyo laughed and smiled. "Not bad, that was excellent" Aya smiled impressed.

They were happily back in the bedroom, one on each side, lying asleep with Kadiri who kept having a dream of two cats constantly licking and biting her. Unknowingly to her it was very similar, as through the night, Aya and Hatsuyo kept snuggling, touching, and kissing Kadiri a lot. Both very happy sleep yet Kadiri had a ruff time, even sick she wasn't left a break with a cute irritated look blushing still with a fever. â ;

Chapter 4: Banana 4.

Banana 4. The lucky number three â ;

It was a beautiful morning and all girls and boys headed to school in a hurry not to be late but no I was still stuck in bed *sighs* and ended up having a three's company in bed. So you can pretty much guess who were my company and as much as I feared of extreme temptation and pressure, so far the day went like thisâ ;

There in the bed, starting from left side was Aya reading a book called 'Just plain Lust, How to make it dirty but keep it clean'. Next, in the middle was Kadiri reading a book called "How to shoot cupid, and find peace" Last on the right was Hatsuyo reading a book called "A Loving Desire, Make it yours".

"Time to eat you three" said Momoko as she had no memory of last night but Kadiri being sick. "I made a lot more in the kitchen to last the day while I go to school". Momoko said and then hurried out the door after kissing Kadiri's forehead. "Thanks Momo, bye!" Kadiri said happily waving and coughed abit. Right at the sound of the door closed and locked, Aya and Hatsuyo slowly moved their books from their face with a happy grin.

I should have knew they were quiet and good for a reason, waiting like predators, waiting to finally have their prey all to there selves. So the rest of the day turned out like thisâ ;

Kadiri was happily having a bubble bath with vanilla scented candles and eating a strawberry banana ice pop. "Mmmmm this is so relaxing and yummy heehee" Kadiri said giggling and closed her eyes as her body was soaking in the bubble bath. "â lheavy..." said Kadiri suddenly feeling strange from her body in the tub. "May I join please?" said a familiar alluring feminine voice.

"What?" Kadiri opened her eyes quick and her cheeks became a deep rosy red at the sight of a very sexy naked Aya leaning on top of her. "Aya don't!" Kadiri held up a towel to block the view, but Aya pulled it away fast smiling. "No need to be shy, It's just me besides you already saw me in my under garments" Aya winked and smiled pulling the bathtub plug out, releasing the water.

"Umm what are you doing?" Kadiri asked blushing very nervous, keeping her legs closed hiding her aroused male genitalia and holding her breasts in her arms, hiding them too. "So cute heehee" Aya smiled giggling as she pushed Kadiri down on the soapy tub floor. "Mmmmm" Aya began to make out with Kadiri, rubbing her body on Kadiri. "Mmmmm Aya I can't..." Kadiri said trying to fight Aya's desire but let out a small yet cute moan that excited Aya a lot. 'Kadiri be mine, okay?' Aya smiled holding Kadiri's hands on her big breasts and giggled happily. Kadiri was completely in a passion state and squeezed Aya's breasts slowly. "Ahhh... Mmmmm" Aya blushed shy and moaned, caught off guard.

"Drop those Melons!! And you back away you succubus!!" Hatsuyo yelled busting into the bathroom holding up a bat angrily. "Why would she want a blonde doll? She can have a fine black hair ecstasy!" Aya yelled back in a towel and began another war with Hatsuyo all over the house. "This blonde will demolish you!" Hatsuyo shouted swinging the bat and Aya smack her out with a pillow only to fall onto the floor as Hatsuyo tripped her. "Stop you too!" Kadiri blew a whistle but the girls still fought very ruff on the floor and Kadiri pulled out sink hose on them.

Kadiri blushed as Hatsuyo wet clothes revealed her white lingerie underneath. Hatsuyo made a passionate look at Kadiri and stood up in front of her holding her hands. "I'm sorry, I made your cold worse now making you wet" Kadiri looked down very sad. "I feeling better now" Hatsuyo kissed Kadiri and smiled. Aya jealous had stick out tongue at Hatsuyo, teasing and being smart that later another fight had break out and Kadiri's

rabbits watched eating carrots.

At night, Kadiri was asleep in her bed with the girls on each side of her again watching TV. "Hey turn back! I love that show "Making it love" Hatsuyo demanded and pouted. "No way, my favorite soap "Twisting all around" comes on tonight!" Aya shouted back with the remote. Hatsuyo snatched the remote changing the channel back but Aya took it back with her channel back on, and they fought with the remote clicking all channels then stopped on an adult xxx channel. The girls actually got quiet watching a young couple bring another person into their sex life, they were very turned on and moved.

"Truce?" Aya smiled holding out her hand. "Yes heehee" Hatsuyo said shaking Aya's hand then both smiled wicked and seductive to the sleeping beauty Kadiri. The next day Kadiri was happily back at school with Momoko. "I'm so glad to have you here" Momoko said very excited with happiness. "Me too, so glad to be back and out more" Kadiri said cheerfully. Momoko then stood shock and confusion. "What's wrong? Huh?!" Kadiri suddenly heard two big clicks, Aya and Hatsuyo handcuffed there selves to Kadiri's wrists. "What's going on?" asked a nervous and cute panicing Kadiri. "We have made a truce" Aya smiled. "And agreement" Hatsuyo added. "Oh?" Kadiri smiled nervously knowing another shocker was happening and outside school. "Lets become a threesome!!!" Both Aya and Hatsuyo happily yelled and Momoko fainted with Kadiri speechless with a crazy stunned look. â ;

Chapter 5: Strawberry 5.

Strawberry 5. The new burning flame â€”

A lovely Friday morning day, and yet I'm spending it so far hiding in a closet at school *sighs* I'm not safe at school now and defiantly not at my own home off campus. I have suddenly become the property of the two most popular good looking girls. I'm so living a boy's dream come true then to top it off have their male ability to make girls glow but it's very overwhelmingâ€” !..

Kadiri was still hiding and panicked with the closet door opening. She tried to move back only to slip over a coat on the floor as someone walked in. "Owwww!" A girl voice yelled out. "I'm sorry!" Kadiri said quickly but then blushed. She had fallen on Uta, a very sexy attractive girl with long crimson red hair, and her bust was even bigger than Aya's. "Uta, can you stand?" Kadiri asked with a sweet voice holding out her hand. "Yes! I'm fine" Uta said getting up and left mad abit.

That actually happed earlier before Aya's and Hatsuyo's shocker announcement. So far for a long while, Uta is one girl who didn't seem to be interested in me and not even as friends, I'm sure she really don't like me at all, so what made this happen out of the sudden?...

Alright I need a volunteer, Ms. Yasuda is a very bright student but because of her illness and distractions she missed out on a few things in class, so who will help her out?" Ms. Hatanaka asked. Uta stood up, "I will" she answered. "Excellent, our class rep is always ready and have time to spare" said Ms. Hatanaka happily. Kadiri didn't know whether to be happy or uncomfortable around her now study buddy Uta. The bell rang and all students got their stuff from lockers and began to head home.

"Ready?" Uta asked waiting for Kadiri. "Yup, wait where at?" Kadiri asked with her backpack. "My house of course" Uta said taking Kadiri's hand and left heading to a bus stop from the school. As they got on the bus, they stood side to side, both quiet. Uta looked at the view as she was standing in front of the back bus doors by the crowd. After a long turn and big bump on the road, Kadiri blushed as she was pushed up against Uta from behind and Uta's body pressed against the doors. "I can't moveâ€” ! Uta are you okay?" Kadiri called out in a low voice as she was stuck upon Uta by the big crowd on the bus. "Mmmmm" Uta was blushing red and biting on her ribbon of her school shirt as every bump on the road she felt Kadiri's male part from her skirt shorts rubbed against her.

As the bus stopped, Uta and Kadiri got off quickly, both embarrassed walking up to a small cozy cute house. "Please come in and make your self at home while I prepare a room with space" Uta smiled holding her door as Kadiri happily walked in and sat on the couch. "Take your time and thank you" Kadiri said waiting. "Hmm Aww" Kadiri smiled and giggled looking at photos of Uta growing from a baby to a total knock out. Uta appeared and blushed smiling watching Kadiri. "Umm are you done over there?" she asked. "Oh! Sorry heehee, yes I'm done" Kadiri said giggling and followed Uta into a private room made into a study room.

They both sat on a chair at a wooden desk and started going over lessons by Ms. Hatanaka. Kadiri was happily working but kept catching Uta's eyes on her that was making her nervous. "Sorry, Excuse me", As Uta accidently dropped her pencil, she got up bending down to reach it with her skirt lifting up. Kadiri blushed a lot trying not to look that she spilled lemonade on her clothes. "Oh no, You alright?" Uta asked rubbing a towel on Kadiri, who felt like she was being felt up. "Yes I'm okay" Kadiri smiled only to sneeze abit.

Moments later Kadiri sat on the chair in her blue bra and male boxers very shy and Uta sitting as she waited for Kadiri's clothes to be done washed clean. "Uta may I ask something?" Kadiri said turning to face her. "Do you still hate me or dislike me?" Uta was very shocked with a sad face and stood up facing the wall with her

cheeks red but with a fist bawled up abit. "Uta?" Kadiri called out worried and walked up behind her. Uta turned around and kissed Kadiri passionately, Kadiri was speechless. "That was my answer" Uta blushed looking in Kadiri's beautiful deep blue eyes with long eye lashes.

Uta kissed Kadiri more, turning the desk lamps off, and was on the floor on top of a nervous Kadiri in the dark. Uta blushed rubbing down on Kadiri's boxers, pulling them down slowly, with Kadiri deep red and began to let out loud sounds with her soft voice. The clothes were done washing but something had started and didn't finish yet.

"Mmmmm, its morning?!" Kadiri yawned rubbing her eyes confused. Kadiri had woken up the next day not in her bed. Uta was sleep on top of her in a long white opened t-shirt with panties on. "Morning" Uta smiled happily and yawned "Umm did we..?" Kadiri blushed asking nervously as she got up with a blanket around her. "Heehee nope but very close" Uta said smiling as she held Kadiri's hand lovingly. "Please stay with me abit longer? Uta said as she sat on the bed very beautiful with her fire red hair out, emerald eyes sparkling in the sunlight, and lips a sweet pink. Kadiri smiled with a very passionate look and hugged Uta, "Yes". â ;

Chapter 6: Strawberry 6.

Strawberry 6. Four is a crowdâ !

The day had started out pretty normal so far, I was in peace at a library in town. In a book section about food. Looking for good cook books to make a special dinner for tonight with company. I do admit this is very last minute but after walking in on something I been in fear knowing tonight that was going to be meâ !

Hatsuyo knocked on the front door, "Kadiri-Chan?" Aya grinned and found the spare house key hiding in a flower pot. "Heehee Aww, you would think she didn't want us in" Aya giggled as she opened the door. Hatsuyo happily ran inside but stopped as she noticed Kadiri was not home at all. "She's not hereâ !" said Hatsuyo feeling disappointed. "Don't look so gloomy, we can practice until she comes back" Aya winked and smiled pulling out a love doll that amazingly resembled Kadiri, in white lingerie. Hatsuyo smiled as she remembers that they order that with Kadiri's likeness. "I'm ready" Hatsuyo said to Aya and they begun to undress slowly on the floor.

"Well I'm home now, so I'll text you later Momo" Kadiri said smiling and closed her cellphone. Kadiri suddenly felt a strange feeling, her front door knob was warm and when she looked into the flower pot, she found her spare key missing. She sighed abit knowing who where inside and went into the house. "Alright you too, what are you up to now?" Kadiri asked but stood frozen.

Aya and Hatsuyo in their bra and panties were practicing a threesome with the love doll. The love doll had a banana symbolizing Kadiri's male genitalia and strawberries on the nipple areas. Kadiri had walked into seeing Aya was nibbling and licking the strawberries off the doll's chest while Hatsuyo was below sucking and licking the banana slowly in passion. Kadiri didn't know whether to walk back out or just stand there, either way she couldn't lie that it didn't turn her on abit.

"Kadiri!!" Both Hatsuyo and Aya threw the doll away and jumped onto Kadiri, very happy and longing for her a lot. "Join us please, we want you" Aya said smiling holding Kadiri close onto her body on the floor and Hatsuyo laying on top Kadiri's back. "Uhhâ !" Kadiri was deep red, once again in the middle of them with their body tightly close. "Can't breathe... Circulation!" Kadiri face was stuck between Aya's big breasts with Hatsuyo squeezing Kadiri in places without stopping.

I really do think those two are trying so hard it may kill me and I knew that for sure after they found out my surprise dinner party tonight, especially since they wanted something way different with just us three.

The girls arrived at Kadiri's house in very beautiful dresses and sat on the couch excited. "Kadiri how come we had to get dressed up tonight?" Aya asked smiling very curious. "Oh it's nothing really, Just a nice get togetherâ !with friends" Kadiri smiled abit nervous and drank a glass with sweet juice. The door bell rang that struck the girls like lighting. "It's not just us?" Hatsuyo asked disappointed and confused. "Who is it?" Aya asked with her arms on her hips. Kadiri even more worried and nervous giggling went to the door and opened it. "Kadiri, Hi" said Uta who happily kissed Kadiri's lips. Aya and Hatsuyo got very angry giving Kadiri the image of burning wrath behind her then Momoko appeared. "I hope I'm not late or anything?" Momoko said and hugged Kadiri with a small peck on the cheek. "Nope, glad you made it Momo" Kadiri smiled and held the door for the girls to go inside and shut the door.

A few minutes later, at the table Kadiri tried to keep a sweet smiling face as the girls were not pleased at one another, giving mean looks and an uncomfortable atmosphere. "Let's play a game!" Kadiri said cheerfully but soon regretted very quick. She found herself tied up on a chair as the girls played musical chairs but Momoko sat watching feeling bad for her friend. Whenever the music had stopped the girls would try to do something

Strawberry Banana Smoothie

to Kadiri as the winner. The music stopped and the girls tried to run to get on Kadiri's lap first, Aya won stealing a very long passionate kiss on Kadiri's lap. Uta won the next one and felt upon Kadiri's breasts area, that seem to make Momoko very mad and after Hatsuyo made a hickey on Kadiri, Momoko stood pouring water on the girls and left.

"Momo?!" Kadiri broke free from the chair and ran to catch up to Momoko. "Go back to your party" Momoko said angry. "No, you are very important to me, I didn't expect that to happen either" Kadiri said. Momoko walked away more. "Wait!" Kadiri reached for her shoulder but Momoko accidently slapped Kadiri. "I'm so sorry! Kadiri?" Momoko cried shocked. Kadiri walked away very quiet as Momoko stood outside crying feeling like an idiot.

"Kadiri we are sorry" Uta said as she, Aya, and Hatsuyo were in towels but Kadiri passed them going into her room, locking it. The girls left very sad and worried. During the night, no one could sleep, Kadiri's cold shoulder made the girls heart felt a deep pain. Aya, Hatsuyo, and Uta right there noticed that they were very much in love with Kadiri. No like, no crush, not even just lust but love and a lot.

Kadiri was under the covers with her baby rabbits snuggled close to her sleep, she suddenly received a text that read...

Hey Kadiri! I got your text earlier, I don't want you all upset, Momoko may not like it but for you, because I'm also your childhood friend I'm coming there. Besides I liked you first before all of them! Lol p.s me boobs are way bigger than Momoko's now ^^ -Nene.

Kadiri let out a laugh and a smile and was able to go to sleep the rest of the night. Momoko in her bed was still trying to figure out why she acted the way she did, got jealous, ruin the girl's outfits, then walked out on Kadiri who she slapped by mistake. It all came clear once she had a dream where she was in the bed covers, with Kadiri below and she had an orgasm. Momoko quickly woke and found her self wet, without any hesitation pulled out a toy and went back to sleep. â ;

Chapter 7: Banana 7.

Banana 7. Getting wet all day

Today I had a good time to relax, have fun, and unwind abit, Nene arrived in my new town home and picked me up from my house early, ready to cheer me up for the whole day.

"Where are we going anyway?" Kadiri asked. "Just sit back and let Nene show you a good time" Nene said smiling as she gave blue sunglasses to Kadiri then drove off right at the green light. "Cool" Kadiri smiled and giggled wearing the sunglasses and enjoyed the breeze as Nene was driving. They both sung songs off the radio and stopped to eat before hitting the road again.

Meanwhile Momoko arrived at Kadiri's house but surprised to Aya, Uta, and Hatsuyo also there. "What's going on? Momoko asked. "We all wanted to see Kadiri after yesterday" Aya said to Momoko with abit of a glare. "But she's not home but left a letter" Hatsuyo also added holding it up to Momoko. "That's not Kadiri's hand writing though" Uta said with no doubt after being study partners with Kadiri for a while. Momoko read the note and she let out a furious annoyed look. "Nene!!"

Nene walked out the women's room in a sexy pink bikini with all boys looking. "Heehee come on Kadiri" she said laughing abit. "Its kind of embarrassingâyou know" Kadiri whispered from behind a wall. "Aww but I'm here, now let's go!" Nene smiled and playfully pulled Kadiri out. Kadiri stood in a sexy black bikini top with matching swim shorts. They then got on a water ride, gently riding along and lying on rafts.

Kadiri was once finally in peace floating down the lazy river along with Nene behind. "Thanks Nene this is awesome!" Kadiri said loud happily splashing her playfully. "Hey! Heehee" Nene laughed splashing back and got out the water. "How about two cold drinks?" Nene asked. "Sounds very good" Kadiri said and relaxed more on a pool raft.

As Nene stood in line and got two sodas she turned around surprised to see an unexpected person. "Well if it isn't my old friend Momoko" Nene let out a grin with a sarcastic voice. Momoko stood with arms folded glaring at Nene in her very attractive heart pattern bikini, showing off her big bust and slim figure.

Kadiri was resting and relaxing on a beach chair but started feeling very strange like something heavy was on her. "Mmmmmâwhat?!" Kadiri was very shocked with a silly expression. Aya, Hatsuyo, and Uta stood over and were leaning on Kadiri with their breasts in her face. "That was mean yesterday" Hatsuyo pouted and licked Kadiri's cheek. "You wasn't home twice so far, that's a punishment but if I was a bad girl I'll let you spank me first" Aya smiled winking and teased as she bend over with her cute butt in full view. "Missed you" Uta blushed shy and smiled close to Kadiri's lips.

Kadiri was very red in the cheeks with heart beating so fast that if she screamed she would make all windows break. She was also very overwhelmed with hot steaming bodies' right on hers with boys envious with rooting and cheers.

As Kadiri turned to see Nene and Momoko fall into the pool fighting but playfully. "So much for my protectors and friends" Kadiri said annoyed and sighed smiling. Kadiri looked up at the girls and let out a sweet cheerful smile, "Let's enjoy today together". "Yes!!" The girls said at the same time taking Kadiri's hand.

They all were swimming around a lot in the pool, then Kadiri and Hatsuyo played with cute children who pulled away from the group. Meanwhile there was a competition among Aya, Uta, Momoko, and Uta on matt

racing slides. Kadiri willingly took a ride down on a water tub slide with each girl that held onto her tight. Last all went on the water coasters happily many times.

As the day came to a very pretty sunset, Nene left smiling in her car. In Momoko's car, everyone was quiet and tired. Kadiri was in the back, in the middle asleep with Aya sleeping on her shoulder, Hatsuyo was sleeping on Kadiri's lap while Uta slept on Kadiri's other shoulder. Looking like sexy wet kitties on a sleeping beauty that actually made Momoko giggled and smile.

"Momo..." Kadiri said with soft voice, awoke abit. "Yes?" Momoko blushed abit. "I missed you and glad you came for me" Kadiri said and fell back to asleep gently. Momoko smiled very happy all red in the face and continued driving home with a day dream of her hugging Kadiri, who suddenly moved her hand up Momoko's dress. Momoko stopped the car, her heart beated fast, she was about to have another wet dream. â ;

Chapter 8: Banana 8.

Banana 8. Dessert delivery !

Today I was very excited, at school we were having a "Best Dessert Competition", Open to all students who either had some great cooking skills or just wanna win that nice award. But most of all I was elected as one of the five judges. Aya, Hatsuyo, and Uta told Ms. Hatanaka that I had a great tongue for this type of thing !.yeah they would know *blush*

"Alright contestants, for this year you are required to use strawberries, bananas, or any berries for your dishes, a special hint to win over the judges favorite" Ms. Hatanaka winked and smiled. "In the hat is desserts you will choose and make your very best, now let's start". The students got in a line, each pulling out a piece paper out of a top hat. Aya, Hatsuyo, Uta, Momoko, and Nene, who transferred, also entered in the competition. Kadiri was sitting at a table with her co judges, the girls waved as they pulled out there chosen dessert dish. "Good luck students you have still tomorrow to bake, decorate, and wow us" Ms. Hatanaka said on the mic and left the room as the school bell rang.

I was actually looking forward to seeing how the girls do, I know Momoko and Aya are great cooks, but what about the other three !.

"Hmm three to four cups of sugar...huh? coco powder?" Hatsuyo reading the directions then throws it happily. "I can do this, it's easy!" Moments later Hatsuyo was on the floor crying with powder all over her with egg yolks. Nene had her smoke alarm going off with her panicing and Uta kept burning her dessert with her late timing. "We withdraw" Hatsuyo, Nene, and Uta said to Kadiri on her porch. "Aww okay, but come in first" Kadiri smiled and giggled abit.

"Let me taste your dessert first, before you drop out" Kadiri said smiling at the table. "Okay, here is mine" said Uta pouting. Kadiri took a bite only to pause as crust surface was hard as medal, then Hatsuyo's dessert look awfully watery, and Nene's was black and smelly. Kadiri found her self on the couch unwell and when she woke up she could smell the sweet scent of cherry cheesecake. "Ooo what's going on here?" Kadiri smiled asking. "Feeling better?" Hatsuyo happily hugged Kadiri's arm. "We order a cheesecake to thank you for being brave in tasting our disasters.

"Aww well let's dig in!" Kadiri said excited cutting slices for her and the girls. "Yummy!" Nene giggled eating with cherry lips. Hatsuyo smiled licking her fork slowly at the cream. Uta was twirling her finger in the cheesecake and sucking it off her finger.

Kadiri blushed watching them, feeling aroused abit that she kept her legs closed hiding it in her shorts. Uta smiled finishing "Kadiri you alright? You haven't touched all of yours yet" Kadiri snapped out of it blushing more embarrassed. "Yes, heehee I'm okay" Nene playfully sticked her creamy finger in Kadiri's mouth. "See yummy" Nene winked and giggled. Hatsuyo and Uta happily joined in with their fork and spoon.

Kadiri was overwhelmed but shyly stood and walked to her door. "Sorry girls I have some work to do and it's sunset already" The girls pouted but smiled leaving with each kissing Kadiri's cheek. "See you later!" Nene yelled. "Bye sweetums!" Hatsuyo said blowing a kiss. "Take care!" Uta smiled waving bye. Kadiri shook her head abit laughing; good girls can't help to do at least one naughty thing before the end of the day.

The next day, Kadiri and other four judges was at there places trying all sorts of desserts dishes, and it was down to Momoko and Aya who out beat all students. "Our final contestants everyone, which means tomorrow is the winner, girls here are your last chosen dessert projects, good luck!" Ms. Hatanaka said excited in a sexy

mature manner. The students clapped and Aya winked at Kadiri as Momoko gave her a smile.

Yeah...right there, Oh shame on me for not seeing this come, Aya yes, Momoko, a big surprise!

At home Kadiri phone rang as she got out of the shower, "Momo! Hey!" Kadiri said smiling. "Umm Kadiri mind coming over for a sec please it concerns the competition and you as judge" Momoko said in a shy cute voice. "Aww sure, no problem" Kadiri hung up as she happily got dressed and headed out her home.

"Momo?" Kadiri knocked on the door and pulled out her key to the house, walking inside closing the door. Kadiri smiled smelling Momoko's cooking in the kitchen but her no where in the room. "Hey where are you Momo?" Kadiri called and giggled noticing Momoko's door opened abit. When Kadiri moved the door back she blushed deep red as Momoko was on the floor in a sexy small apron naked. "Uhhâ !" Kadiri was blushing so much like a red apple and unable to move, Momoko was really turning her on too much. Making her heart desire to see what was behind the apron, Kadiri never saw Momoko like that.

"Kadiri, how does my dessert taste?" Momoko asked as she held up a plate with a slice of her Banana Berry Brownie Pizza. Kadiri took a bite and bend down to Momoko, starring in her eyes. "It's very delicious! I like you" Momoko blushed moving her apron top slowly but stopped by Kadiri. "Momo, do you mind if I kiss you?" Kadiri asked blushing. "Yes" Momoko blushed with longing in her eyes pulling Kadiri on top of her. Together their lips moved close and began kissing very deeply. Momoko happily enjoyed her first kiss with Kadiri as well as Kadiri did from her.

"Mmmmm" Momoko blushed and moaned in Kadiri's mouth. Both still kissing more until breathless and Kadiri couldn't help but to squeeze Momoko's breasts from her apron as they started kissing more and Momoko squeezing Kadiri's male genitalia from up her shorts of her cute boxers. Kadiri ended up staying over and made out with Momoko everywhere in her house.

The next morning at school, was the day to announce a winner and Ms. Hatanaka begun to start. "First up is Aya with a Strawberry Crown Tart" The judges happily ate slices, testing the taste, all holded up a ten out of ten. "Now is Momoko with her excellent big dish of Banana Berry Brownie Pizza" Ms. Hatanaka said. Kadiri quickly held up a one hundred out of ten and made a request, "I wish to have a special delivery of one at my house please" Kadiri smiled looking right at Momoko who blushed very happy.

"Well alright then the judges agree with their co judge, the winner is Momoko!!" Ms. Hatanaka shouted on the mic with all students clapping loud as they stood up from there seats. Aya was shocked and glared abit at Momoko but received a warm hug by Kadiri. "You're still just as good" Kadiri smiled placing a medal around Aya's neck. "Thank you" Aya smiled moving close to Kadiri's lips that made Momoko jealous and Hatsuyo stood watching holding her heart that started to hurt. "You okay?" Uta asked worried. Nene patted Hatsuyo shoulder, "Don't worry we can try next year". Hatsuyo smiled but once the girls had left she was standing with a small tear. "Did I loose! already for Kadiri!?"

Chapter 9: Strawberry 9.

Strawberry 9. Too hot for comfortâ !

It was a tired and boring Monday like always, Class was starting, Aya was on my left, but Hatsuyo wasn't at her desk or in the classroom. No matter what I tired I couldn't concentrate on my work, I notice a change in Hatsuyo's behavior since the weekend after the competition, my heart feels a slight painâ !.

"Oh, Yes Ms. Yasudo?" Ms. Hatanaka said standing by the blackboard with chalk. "May I be excused?" Kadiri asked with sadness in her eyes and worry in her tone. "Sure" Ms. Hatanaka said with a smile giving a hall pass to Kadiri. Aya watched Kadiri leave the classroom, she became a bit worried but then touched Kadiri's warm seat and giggled.

Kadiri was on a desperate search all over the big school building, she reached the abandon side of the building with old empty classrooms and stuff from years ago. Music suddenly could be heard down the hall, Kadiri looked in a classroom window to see a beautiful blonde girl on the piano. "Hatsuyo!" Kadiri shouted sliding the door open fast, scarring Hatsuyo abit who tried to wipe her tears away quick. "Kadiri what are you doing here?" Hatsuyo asked looking down blushing abit. Kadiri angrily pulled Hatsuyo into her arms tight, making her blush more bright red with a few tears.

"I'm going to hold you until your smile comes back to me and just in case, I'll do this..." Kadiri held up Hatsuyo's chin, kissing her deeply. Hatsuyo was very overwhelmed, hugging tight on Kadiri's waist and kissing back with her wounded heart beginning to heal.

"You know you're just as important to me" Kadiri said smiling as she holds Hatsuyo's cheeks gently. "That silky soft hair bright likes the sun, your very pretty amber hazel eyes, and your sweet smile is a one of a kind" Kadiri said happily that made Hatsuyo hug her tight. "Kadiri I loveâ !!" Hatsuyo stopped and blushed deep red realizing what she was about to say. "Love what?" Kadiri asked giggling. "Um, I love this piano! Heehee" Hatsuyo said embarrassed. "Oh, okay" Kadiri smiled and took Hatsuyo's hand, leaving the room.

After that, things was feeling much better than before, until a sudden fire drill, that Me and Hatsuyo ran out the building and Aya clinging onto me as well through the way. But the sprinkler system came on making Aya and Hatsuyo wet. What is it about girls getting wet that make their hormones take a high turn? Because I was beginning to burn red hot as two wet girls were ready to pour their bucket of water on me.

The next day at school Ms. Hatanaka was holding a special presentation in class and everyone was splinted into three groups. "Today is the month our school practices a fire drill but first in your groups you will practice the basic things" Kadiri wasn't surprised that her two people were Hatsuyo and Aya but sensed trouble as they were dressed in sexy firefighter outfits. "Uhh does that make me the victim?" Kadiri asked while sighing. "Yes!" both Aya and Hatsuyo said happily.

"Me first!" Hatsuyo said cheerfully and held up a blanket. "This is the Fire Blanket, easily handle small fires like me heehee" Hatsuyo smiled passionately moving close on Kadiri. "It's placed over the fire like this" Hatsuyo giggled putting the blanket over Kadiri's breasts. "Then you smother it!" Hatsuyo happily began rubbing and groping Kadiri's breasts playfully from the blanket. "Hey!!" Kadiri yelled caught off guard, blushing bright red embarrassed. "This can be very useful in kitchens and around the house heehee" Hatsuyo said smiling very lustfully. "I'm cutting in now!" Aya pouted standing between them.

"Now this is the smoke detector" Aya winked smiling as she was between Kadiri's legs starring into her eyes deeply. "It indicates a fire, they can work either optical or physical, so lets demonstrate physical" Aya said

passionate wicked. Kadiri gulped very nervous and still embarrassed. "The more you the smoke become stronger the more sensitive the alarm becomes to let out a very loud sound" Aya said very lustfully with a smile as Kadiri was sweating nervous and blushing deep red.

Kadiri was then laying flat on the ground as Aya and Hatsuyo were arguing over who gets to perform mouth to mouth resuscitation on unconscious Kadiri. "Kiss of life!" Hatsuyo kissed Kadiri but was cut short as Aya slipped her tongue into Kadiri's mouth making Hatsuyo furious. Suddenly a loud bell was ranging through the school building. "Alright everyone, move out fast and in order!" Ms. Hatanaka shouted and the class hurried out the room and building.

"Mmmmm what's that smell?" Kadiri asked opening her eyes abit. "The smell of love" Hatsuyo said hugging tight on Kadiri. "Is it getting hot in here or is it just me?" Kadiri asked on the ground. "It's the heat of passion, you will be feeling sweetie" Aya winked smiling. "I Had Her First!" Hatsuyo yelled. "So What Blondie?!" Aya yelled right back. Both of them were fighting again. "It's really hot in here!" Kadiri got up and was stunned to find no one in the classroom or building.

"FIRE!!!!" Both Aya and Hatsuyo shouted panicing and grabbing their firefighter equipment fast. "Hey we got to get out of her now!! Just as Kadiri ran back to them she was accidently sprayed with water and along with the fire extinguisher. Hatsuyo and Aya paniced fought more not realizing Kadiri had put the fire out with the fire blanket and bucket of water.

"There, all done" Kadiri sighed in relief. "You did it!!" Hatsuyo cheered glomping Kadiri tight. "My hero heehee!" Aya said smiling as she glomped onto Kadiri also. Kadiri annoyed, hot, and in pain abit walked to a window slowly as the girls was clinging onto her happily. On the window, Kadiri held up a sign that read "HELP!" ;

Chapter 10: Strawberry 10.

Strawberry 10. Art of Passion â€”

It had been a week since that crazy fire drill that I will never forget, today I was excited to do some drawing and painting in art class which is one of my passions but I didn't think art could become that passionateâ€”

In art class Kadiri, Nene, and Momoko were together at a table like other students in a set of three. "What does it say?" Nene asked anxious. "Hmmm for our assignment as a group, one must be the artist and two must be the art" Momoko read on the yellow paper. "Sounds fun" Kadiri smiled. "I can be the artist" Momoko and Nene happily agreed, becoming the two who will be the art.

Yeah right thereâ€” I'm mad I said something like that *sighs* "I can be the artist", like that won't go wrongâ€” but I'll give my self a break, I didn't see it coming.

"Does it say anything else for the assignment?" Nene asked. "Umm only that the chosen artist can do any type of art to show the two art models in a good light" Momoko said looking at the paper more. "I see well then, we can get started at my house" Kadiri said excited. "Okay!" Both Momoko and Nene said cheerfully.

At home Kadiri was relaxed on her couch in shorts and a long sleeve cute lime shirt along her baby rabbits on her lap. She was watching TV until her door bell rang with Momoko and Nene at her door step. "Hello there, come on in" Kadiri smiled sweetly holding the door open. Momoko blushed at Kadiri's shorts, seeing Kadiri's male genitalia form from the outside. "Naughty naughty heehee" Nene giggled saying to Momoko, making her embarrassed. "Mind your own business" Momoko said angrily with her face red sitting on a chair. "Kadiri is my business" Nene playfully stuck out her tongue at Momoko.

"You just remember we had an agreement, I rather do this alone with Kadiri" Momoko whispered to Nene. "I know and that's like wise" Nene smiled and winked. "What are you girls chatting about?" Kadiri asked with an excited smile setting up her art supplies and equipment. "Kadiri before we start, we would like to try out an experiment" Nene said with a happy grin. "Oh alright" Kadiri said curious a bit. "As the artist you must be able to feel the art then put it on paper" Momoko said smiling sweetly.

Kadiri smiled waiting but then became nervous and suspicious once Nene blindfolded her on the couch. "Uhh does this have a purpose?" Kadiri asked confused. "This is the experiment" Nene smiled, whispering in Kadiri's ear. "What kind of experimentâ€” !?" Kadiri blushed nervous more. "As the artist you must feel the artâ€” !" Momoko blushed whispering in Kadiri's other ear. Kadiri was surprised, this was more Aya and Hatsuyo plot to get closer to her.

Suddenly Kadiri turned deep red as her hands were move onto mysterious places that she was very sure what it was. Momoko and Nene were blushing as they stood over blindfolded Kadiri in their lingerie. Momoko was already in ecstasy and weak in knees by Kadiri's soft and warm touch n her breasts. Nene happily moved Kadiri's hand up her thigh and onto her lingerie panties. "Umm..." Kadiri was very overwhelmed and caught off guard as Nene along with Momoko licked her lips slowly.

Momoko blushed as she couldn't resist to use her finger into teasing Kadiri's between her legs. Dying to see, touch, and taste Kadiri's big male friend from below. Just as both she and Nene reach for Kadiri's shorts, to pull them down they were stopped. "Aww" Nene pouted and smiled. "What's wrong?" Momoko asked a bit concern. "I think I got the feel of art now" Kadiri said very shy and embarrassed removing the blindfold and fixing her shorts in the bathroom. On the door Kadiri panted a little with her heart beating fast, she didn't expect that or not ready to reveal her self all the way.

Strawberry Banana Smoothie

The next day at school, Kadiri was in a private room happily painting the nature outside the window. 'Nothing is prettier than fall' Kadiri said relaxed using orange and yellow paint. Just then the door opened and Momoko walked in. "Hmmm, Oh Momo!" Kadiri smiled waving from behind her art work. "It's beautiful!" Momoko said amazed and looked at Kadiri. "Like you"

Kadiri blushed and smiled "No you're the very beautiful one". Momoko smiled and stood back with a passionate look. "Then show me by painting me" Momoko said lying across three desks with her skirt and shirt up teasing Kadiri with her pink lingerie. "Okay" Kadiri smiled and took a black pencil and paint brush, creating the image Momoko was sending.

Momoko was still and smiling happily loving Kadiri's eyes all over her body. "Just a bit more" Kadiri said painting in Momoko's body and clothes. Momoko was getting turned on quickly just by Kadiri and shyly started masturbating secretly with a fake fruit banana from behind up her skirt. "There all done, ready to see Momo?" Kadiri said smiling kindly. "Hmm! Momo?" Kadiri called out again walking towards her slowly.

Kadiri stood shocked in a silly expression with a red face, an embarrassed Momoko ran out the room, leaving a fake fruit banana on the desk that was soaking wet. "What is that!?" Kadiri was blushing with a still humorous shocked face. Like a count down at a space shuttle ran in Kadiri's mind, just as she reaches the number one, her mind was blown away realizing what the wet stuff was and what Momoko actually did. "GUHHHHH!!!!" Kadiri shouted red in the face.

Later on after submitting her artwork of Momoko, Kadiri still shocked was walking home, everywhere she look kept reminding her of the banana and Momoko. People with ice cream, spilling it around the mouth and legs, then girls holding things between their legs as they reached into their hand bags and more.

"Thank goodness, I'm home, whew!" Kadiri said relieved and happy. "I'm ready for a long warm bath and nice nap!" As Kadiri opened the door excited her face went back to completely shocked and red like an apple as Nene was lying on the couch naked covered in paint and swinging around Kadiri's spare key on her finger. "Time to do some erotic painting!" Nene cheered with lots of energy and Kadiri fainted in a panic. ;

Chapter 11: Banana 11.

Banana 11. Getting Wild in Natureâ !

Finally the weekend had come and I was excited packing many of my things, I was invited to a camping trip with Uta and her family. Being an important staff at school of the students often kept Uta very busy, so it's nice to have her be able to relax and what's better than doing it outdoors in nature! â!â Hmmm I'm going to regret saying that last line like that *sighs*

Kadiri went to answer the door and Uta smiled waving. "Hey, ready to go?" Uta said with a sweet smile. "Ummâ ! What about your family?" Kadiri asked confused looking outside for them. "Oh something had come up, so it's just the two of us" Uta said passionate with a smile. "Okayâ !" Kadiri smiled abit with rosy cheeks. "Heehee aww come on, let's go!" Uta happily took Kadiri's hand and ran to a bus stop.

Kadiri blushed remembering the first bus ride with Uta but this time they got on an outer town bus. "Are you still excited?" Uta asked smiling. "Yes!" Kadiri said taking pictures of the town and her with Uta. It was a long bus ride out of town and to a national park with camping grounds. Kadiri even had a small nap on Uta's lap and Uta was frozen red in the face the whole time.

"This is our stop!" Uta said pulling the yellow cord and the bus had stopped with them getting off with their things. "Mmmmm lovely fresh air" Kadiri smiled with her eyes closed feeling the gentle breeze and smelling the air with scents of flowers. Uta smiled watching her and pulled out a map, "Alright, hmmm we are going this way down the trail". Kadiri picked up her bag of camping equipment and followed behind while taking more pictures of nature.

After a while they arrived at their chosen spot and Uta began pulling out her stuff to set up the campsite. "Me and my family always camp here, nice huh?" Uta said with a cute smile. "Sure is, nice choice, not to far from the lake or the trails" Kadiri smiled saying. She helped putting up a big blue tent for two while Uta giggled knowing she brought only one tent for a reason.

"What should we do first?" Kadiri asked. "Let's swim!" Uta shouted throwing off her dress and ran into the river in her yellow swimsuit that defiantly showed off her slim figure and big bust. "Wait for me!" Kadiri smiled going into the river in a sexy bikini top and matching red girly shorts. Uta and Kadiri was happily splashing one another then swimming around only to stumble onto other campers. Uta suddenly turned deep red as her straps of her swimsuit broke and her breasts was out in the water. "Kadiri!" Uta cried out holding her breasts in the water. "Hmmm what's wrong?" Kadiri asked then blushed looking at Uta.

Kadiri blushed and pulled Uta in her arms, holding her tight and slowly heading back to their campsite. "Don't worry I got you, No one can see now" Uta was blushing a lot feeling her body tight on Kadiri's, along with her naked wet breasts tightly pressed on Kadiri's to hide them in her arms. When they reached back their spot Kadiri put a warm blanket around Uta. "Feeling better?" Kadiri asked touching Uta's hand. "Yes, thank you" Uta said with a big smile squeezing her hand.

As sunset was nearly gone, they were eating ramen, strawberries, and making s'mores around a small campfire. "Yummy!" Uta said loud and happy eating the s'mores with a very cute expression that made Kadiri smile. "I'm going to bed now" Kadiri said and kissed Uta's cheek then went inside the tent. Uta was caught off guard and was blushing as she could see Kadiri changing out her clothes into her sleep wear by her shadow of the candle light. "Good night!" Kadiri yelled out from the tent in her sleeping bag. "Night!" Uta yelled back and later disappeared.

Strawberry Banana Smoothie

As Kadiri was sleeping in the night as her eyes opened a bit, she noticed Uta still not in the tent. "Uta? Are you still outside in the dark?" Kadiri called out getting up and walked out the tent to still see no sight of Uta. "Where did she go at this time of the night?" Kadiri asked confused and worried. With a flashlight and small jacket over her pajamas top she began her search everywhere. In a river deep in the forest was crimson red haired girl in the water in the moonlight.

"Uta? Is that you?" Kadiri asked pointing her flashlight at her. Uta turned around and smiled passionate in a sexy wet white kimono in the river, revealing her undergarments underneath. Kadiri blushed red looking at her and tried to shake it off with a serious look, "What are you doing out here? Then so far away? What if something bad had happen?" Kadiri said. Uta smiled walking to Kadiri slowly from the river and stared deep in her eyes. "Uhhâ ! Uta, are you feeling okay?" Kadiri asked blushing a bit backing up against a tree.

Uta smiled leaning her wet body on Kadiri's body and began kissing her deeply, Kadiri blushing deep red as Uta smiled on the ground with her kimono opened and pulled Kadiri on top of her happily. Uta placed Kadiri's hands on her butt and sucked deep on Kadiri's neck a lot. "Mmmmm!" Kadiri red, moaning softly and squeezed Uta's abt. "Kadiri this is the wilder side of nature" Uta whispered and smiled holding Kadiri's hands on her breasts in her kimono.

Kadiri suddenly felt like she was being hypnotized by the moonlight and found herself pinning Uta on the ground and holding up one of her legs, pulling down her panties slowly. Uta was smiling happily watching Kadiri open her mouth with her tongue out. Kadiri and Uta jumped up from their sleeping bags both red in the face and embarrassed. "Umm...did you have the same dream..? Uta asked with her face in a pillow blushing. "Yeahâ !." Kadiri said with a silly shocked and confused look. For a while still morning was complete silence of arousal and embarrassment. The full moon brought out a wolf in them in their dreams.

Later on, Uta was starting to pack up and clean up a bit with Kadiri. "The bus will be here in another hour, so don't be long" Uta said waving at Kadiri and continued to gather up her things along with their treasures during the trip. "Okay!" Kadiri shouted and was walking down to the river with a bucket and fishing rod happily.

"Perfect spot!" Kadiri said swinging her fishing rod in the water and sat relaxing in peace. Uta was almost done and cam across a picture of her and Kadiri just before they had left town. "Aww cute!" Uta said with a big smile. Kadiri got up excited as her fishing rod was moving and she pulled it up only to stand blushing with a silly expression. Right at the moment Uta appeared, "It's time to go Kadiri, hmm?" Uta looked at Kadiri and at the fishing rod that had a wet kimono on it. "Itâ ! WASN'T A DREAM?!!!" Both Kadiri and Uta shouted in shock. â ;

Chapter 12: Banana 12.

Banana 12. Kitty Cats Go Meowâ !

I was so tired after out camping with Uta and I wanted to stay in bed all on Sunday before school tomorrow. Just sleep in peace if possible, good thing my little helper was here to see to that *smiles and yawns*

In the kitchen of Kadiri's home was an adorable younger version of her, cooking up stacks of pancakes, along with eggs, and a glass of orange juice. "There all done, oh wait I forgot the most important part!" The girl put the food on a tray and placed flowers in a small vase, starting to walk towards Kadiri's room carefully. "Wakie! Wakie! Neko Kai!" The cute girl shouted placing the food on the bed.

"Mmmmmâ !?" Kadiri yawned and smiled sitting up on her bed. "Wow Katsumi, You didn't have to do that sweetie" Kadiri happily hugging her Katsumi. "But I wanna! Purr purr!" Katsumi said very cheerful. Kadiri started eating and Katsumi left the room to do some tidying up in the house.

That is my twelve year old twin sister Katsumi, she has a big heart with a fond of cats and loving bond with me. Me and Katsumi resemble our gorgeous deceased mother, not just by looks but her personality growing up. Katsumi actually arrived today for a visit while on her school break back home. Oh yes, my sister has a cute speech mixed with cat emotions and words.

Kadiri yawned and finished eating, going back to sleep with her baby rabbits snuggled closed to her. Katsumi was happily cleaning around, and left a note on Kadiri's forehead with a heart glitter sticker, as she was stepping out to check out the town and get a couple of things.

"Heehee, Yay meow!" Katsumi shouted with a big smile, riding around on her bike with a bell, cat helmet and yellow cute goggles. She waved at everyone, blew kisses at cats, and ran from dogs but hugged a puppy lovingly. Aya and Hatsuyo were coming out of a store with shopping bags from "The S Spot lingerie and costume shop". Aya smiled wicked, "wait still Kadiri see me is this!" Hatsuyo giggled, "Bet she will like mine more!" They both shared an instant glare then paused as Katsumi rode pass them "Meow Aya! Mew Hatsuyo!" Katsumi shouted waving with an adorable smile. "Was that Kadiriâ !?" Both Aya and Hatsuyo asked shocked.

In the town's park, Uta was on a bench reading a book called "Do it right at midnight", and started to blush giggling as she turned to the next part. "Rawarr!!" Katsumi yelled out from behind Uta, scarring her to drop her book and blush embarrassed. "Huh?" Uta turned to see a cute girl holding catnip and run away giggling. "Kadiri?!" Uta said confused in shock.

Later, Momoko and Nene saw a huge crowd and witnessed Katsumi using catnip and cat talk to rescue kittens up trees, and put them in a box to take to an animal shelter or find owners. "Hey was thatâ !" Nene said thinking. "Yes indeed" Momoko smiled.

At sunset, Aya, Hatsuyo, and Uta where at a fortune teller shop waiting in a room on a couch each discussing their experience with what appeared to be a Kadiri as a little girl. "That's so weird, same with us!" Aya said. "It was really unexpected too" Uta told Hatsuyo and Aya. "So how come we came here?" Aya looked at Hatsuyo suspicious a bit. "Don't look at me like that! Relax, I have come here before and today is a good day to find out what all this means for us" Hatsuyo said with confident smile. "Alright young ladies, please come in" Madam Zigana smiled holding back her curtain of beads as the girls walked into the room.

"Nice to see a familiar face, what may I help you with? Madam Zigana said with a calm smile in a long deep blue cloak and moon crescent gem on her forehead. "We seek answers about someone we love who seems strange today" Hatsuyo said with concern as Aya and Uta waited curious. "I see..." Madame Zigana closed her eyes focused and once opened a strike of lightning was heard with thunder with her crystal ball shining like moonlight.

"Look into your present you wish to be your future" Madame Zigana said and the girls looked with amazement to see Kadiri in the crystal ball. They fell into a spell of dreams, Hatsuyo dreaming of Kadiri kissing her, Uta taking an aggressive side having Kadiri against a wall, then Aya kissing Kadiri into a strong love spell. "Fear not, the girl earlier is not who your heart loves" Madame Zigana said "But her arrival means the day after this, a full moon will rise once again glowing bright red and You will lurk in the shadows as beautiful creatures wanting the werewolf of the night".

Meanwhile, Kadiri was sleeping safe and sound with Katsumi in the other room watching TV. Kadiri was suddenly feeling uncomfortable, sweating a bit along with twitching. "GAH!!!!" Kadiri shouted as she jumped up scaring Katsumi, who watching a scary movie. "Neko Kai what's wrong?!" Katsumi yelled as she panicked, running into the bedroom. Kadiri was sighing as her body was hot, shaking, and sweating. "Say something sister!" Katsumi shouted with cute face with tears of fear. Kadiri looked up very annoyed and in a great stress. "It's Halloween... Tomorrow!" Kadiri said sighing a lot. "And!" Katsumi stood shocked with a smile. "I won't survive! they will get me!" Kadiri whispered in fear slowly moving her bed covers over her head moaning like a ghost. ;

Chapter 13: Strawberry Banana 13.

Halloween Special Ending*

Strawberry Banana 13. The End to another Startâ

The spooky and haunting holiday had come, Today was going to be a nightmare, and I could feel it in my bones. The moon had a scary red look that made me feel worse, I was going to be lunch by those girlsâ

Just around sunset, Kadiri and Katsumi was getting ready in the house, Katsumi was in a cute Red Riding Hood costume, along with sweet red lips and a basket to use for candy. "I love it!" Katsumi shouted loud and spinning around in the mirror. Kadiri giggled and sat in the mirror starting on her make up for her costume. Kadiri was looking very scary hot as she was putting on black eye liner and eye shadow, along with a dark shade of red lip gloss. Kadiri then smiled in the mirror with contacts to go with her costume, yellow glowing eyes.

The phone suddenly rang with Katsumi answering it, "Hello? You have reached the Yasuda household, may I help you". There was no answer but breathing, Katsumi hanged up quickly to watch a cartoon. At that moment Kadiri received a text message that readâ !.I want you to meet you aloneâ -Unknown.

The lights in the house began to flicker a bit until it all went black inside the house. "Katsumi are you alright?" What the?!" Kadiri froze seeing a mysterious shadow that leaped onto her, pushing her down on her bed, the shadow figure began to having a neck nuzzle on Kadiri, making her giggle a lot." Hey! That tickles!" Kadiri said all giggly and embarrassed. The lights came on and Kadiri was still laughing at it was only her two rabbit being playful. "Got cha! Neko Kai!" Katsumi smiled taking a picture. "You Little Monster!" Kadiri smiled hugging her sister tight. "Let's get going, its night now" Kadiri said taking Katsumi's hand as they left the house.

Around the neighborhood and town Katsumi went door to door, "Trick or treat!!" Katsumi said loud hold up her basket as candy was being poured in it. Kadiri stood in the moonlight as a very sexy and hot werewolf girl with a cool biker girl look. Tight black pants around her waist with her boxers in view a bit, tight shirt showing off her big bust along with matching boots to her thighs and long gloves with silver chains on her wrists and neck. "Ready?" Kadiri smiled with yellow eyes. "Yup!" Katsumi said excited.

Katsumi was taken to a kid Halloween party in a mall and Kadiri waved bye as she headed to her school that was having a Halloween Monday party. "Welcome students, enter if you dare" Ms. Hatanaka said as a hot grim reaper, greeting students with other school staff. "Very nice Kadiri, be careful those girls will become cats in heat for you, looking like that" Ms. Hatanaka smiled and winked. Kadiri smiled and walked inside the building.

In the huge gymnasium, the students were all creatures of the night dancing to the killer music, zombie boys hitting hardcore moves, succubus girls dancing to enchant boys, skeletons doing the music entertainment, and more creatures just having an undead time.

As the music picked up a beat with a howling noise, Kadiri walked in with all eyes on her, students applauding and cheering happily, no monster party was complete without the actual creature of the moon. Kadiri giggled and got some punch near the snack tables. Only to be pulled away out the room and into a classroom.

"Momo?" Kadiri smiled a bit confused standing by the door. "Yes it's me, you like?" Momoko said smiling in an enticing ghoulish girl costume. "It's very nice" Kadiri said with a sweet smile. "I thought I was going to be okay but then you how up like thisâ I can't hold back Kadiri" Momoko stared deep into Kadiri's eyes. "What do you mean by that?" Kadiri blushed. Momoko became bright red dipping Kadiri's fingers in a bowl of cream and placing them on her tongue. "Mmmmm" Momoko was sucking Kadiri's fingers passionately. The full moon was shining through the window, catching Kadiri's eyes. Kadiri used her other hand rubbing cream on Momoko's cheeks, forehead, and neck. Kadiri bit Momoko's ear, holding up one of her legs. Momoko was deep red watching Kadiri. Momoko was soon on a desk unconscious.

At that moment a mysterious fog appeared and Kadiri was gone, leaving Momoko confused. In a closet Kadiri found herself with Hatsuyo the witch. "Heehee, Your mine!" Hatsuyo said happily revealing sexy black lingerie under her witch's cape. "Fall into my spell, I promise I have the good magic" Hatsuyo said sweet and wicked with her broomstick between both her legs. Kadiri blushed with anger that made Hatsuyo's heart beat fast. Kadiri had Hatsuyo bent over, began groping and spanking Hatsuyo's butt softly with her biting on her witch hat. Hatsuyo was coughing up blood and soon became quiet in the closet.

Kadiri soon found Nene dressed as a cute gothic doll and had her in a locker room, blindfolded as she was groping her breasts non stop, Nene was in ecstasy laying on bench as Kadiri layed on back of her, biting and still groping her everywhere. Kadiri then smell a familiar scent and disappeared. "Kadiri?" Nene got blushing a lot with heart going crazy, Kadiri was a predator on her with no mercy as Nene was very embarrassed to feel her legs wet and back scratched in blood.

"Mmmmm nice breeze" Uta smiled as she sat alone near the school pool relaxing with her legs in the water. Uta was in a very sexy mummy outfit, with her body wrapped tight, along with an alluring Egyptian look. "What's that?" Uta asked looking in the water suspicious only to be pulled by her legs into the water and up against the pool wall. Kadiri smiled and Uta blushed deep red looking back to see Kadiri, who started unwrapping her. Uta was very overwhelmed and held her mouth as Kadiri pulled her breasts out exposed in the water. She suddenly gripped on the wall as she was blushing red as she felt something from behind from Kadiri. Uta soon found her self on the ground in blood on the floor panting a bit as Kadiri disappeared again with a grin on one more hunt.

Aya was drinking punch outside on the roof as a sexy vampire and suddenly dropped it as Kadiri locked the door and pulled her tight, making out with her with red lips and taste from the punch. Aya was very surprised blushing deep red with a shy expression, gasping for air with her fangs in view as Kadiri had her body leaning against the roof wall as she made out with Aya more. Aya was in fear and ecstasy at the same time, Kadiri was trying to devour her and send chills on her spine by below. "Bye Aya" Kadiri grinned and held up a stake. A loud scream was heard all over the school but the music was too loud.

A mysterious girl as a ghost appeared ahead as Kadiri was walking in town with a dead Red Riding Hood in her arms. "I want youâ !" The girl said and Kadiri smiled.

"GAH!!!!" Kadiri jumped up yelling from her bed. "What's wrong sister?!" Katsumi shouted running to the bedroom. "Had a nightmareâ !" Kadiri said sighing with a silly shock look. "Awwâ ! again?" Katsumi said with a cute smile with tears being scared for real after a scary movie. "I saw that girl again, what does it means?" Kadiri said thinking hard. "A new love for my sister?" Katsumi said sticking out her tongue teasing and smiled. Kadiri actually paused in fear with a crazy look. "Oh noâ !." To be continued! â ;
