## Weakness To His Will

*"Run your pulse across my tongue  
Pour your love into me  
I thirst for you" .....*

*Veils of gossamer silk  
Spin in shades of night  
Submissive acquiescence  
Smoulders bare feet ...*

*Iridescence dances in captivated eyes,  
Lips full  
Releasing,  
Breath  
Licking the shimmer-gleam,  
Anointing skin  
Ravishing enchantment...*

*He trembles her heat  
Scorching flesh wrapped bone;  
Joining fantasies played against silky thighs  
Arousing,  
Capturing her allure;  
Seductively  
Manipulating the tenderness of her need ...*

*Night drips beauty from a silvern moon,  
Nakedness meets  
Open desire  
Firm against softness  
His lips seeking,  
Tasting  
Vanilla tears  
Melting on his tongue like snowflakes  
Touching passion's fire...*

## Weakness To His Will

*Fingertip moments  
Pulsing rhythms;  
Aching depths craving  
Urgency  
Sinking into moist folds  
Undulating movements  
Swollen, locked around a flowing pearl...*

*Mesmerising connections sparkle,  
Thrusts  
Gasp breathlessly,  
Arching into body quivers;  
Nails claw the spine  
Symbolic...*

*She is  
Weakness to his will..... *
