# Pleasurable Ride

Would you like to come with me

On a new pleasurable ride

You have nothing to fear you see

Please do not cowardly hide

Fun we would passionately feel

As we slide together in tune

The candy we would steal

Would not end sweetly soon

Enjoy heat with me to stay

On the rocket ride of fire

Drive glorious firework play

No reason for you yet to retire

Be brave and take a chance

On the ride of devilish tempt

On me your fire to enhance

Your passion to completely vent
