# Imagination !

Â

You **Razor** your **eyes** through my mind I cant help myself but i give in

Your fast moves penetrate my mind

Your fast moves penetrate my area

My area is sweating

My heart is panting

My insides are pounded

And before you know it we reach our climax

My toes curl and my teeth are in your shoulder

I continue to pull u in as your penis unloads

I swallow hard.

Imagination is too much

I look back, into your **razor eyes** and smile.Â
