That One Night

In this deep night

The wild comes out

Ready to wander

Ready to run

Ready to devour

Drawn to the music

Dancing in the dark

A true seduction

Letting passion enter

Falling down the hole

Love becoming madness

Completely losing your mind

The fantasy sneaks up on you

Erotic nature in the liquid

Lust within the blood

Wetness from the body

Caught in rapture

Having pleasure

Giving pleasure

Ecstasy pumping

Love twirling around

The delicious rush inside

Like a animal on the loose

Ready to pounce for more

That One Night

That One Night

Ready to chase for a taste

Ready to get wet and flexible

Falling into slumber with a pot of honey left over

Waking up with sheets in a knot.

That One Night
