Pussy Whipped 2

Clara had been pussy whipped by steve EVERY NIGHT after their first time having sex. However, they had never gone too far into bdsm-yet. Steve was having a secret party, and invited all his friends.

"What's the secret party for?" asked Clara.

Steve smiled, "You'll see".

Clara shrugged. Whatever secret party Steve had planned, it sure must be real secret or he would've told her.

The night of the party all the guests came. They were handsome men, all of them. Not one other girl had been invited. What kind of party is this? Wondered Clara.

That was when steve called her into the living room.

"Clara dear," he smiled, "i'm sure you're familair with fucking parties."

Clara stared wide-eyed at all the men and at Steve.

"Oh...." she said, her body and voice trembling, quite aware of the cock dominance she was about to expereience. She gulped.

Steve had her strip and lie down on the living room floor naked, she was blindfolded, and her hands and feet tied, and made so that her legs were forcibly spread.

"First," Steve chuckled, "We're all gonna spank you." then he smiled "pussy spank you." Clara's pussy wetened, she loved getting pussy spanked by Steve, but by other men whose cocks now surrounded her? She wasn't so sure.

"There's a caveat though Clara," he said, "While you're pussy being's spanked, you MUST suck every one of my freinds's cocks. Do you understand me? If you don't, well, we'll start all over again-and you'll get twice the spanking."

"OH," Clara said trembling.

"good girl," Steve said smiling.

WHIP

"Oh!" Clara whined

"Good girl, now suck Clara,"

Clara took the first man's cock into her mouth and sucked on it like a babe sucking it's mother's breast.

WHIP

Suck.

"Then the game wouldn't be as fun, dear" said Steve.

Between the whipping and the sucking it was hard for Clara to keep control, but finally, after many re-runs, her pussy was well spanked and all the men's cocks sucked.
