She was happy with her life, but she can't avoid the demands of her body in night in her cozy large bed, she just used her pillows put them between her legs and tried to satisfy her desire rubbing his body all over his bed. Every Sunday she used to go a store to buy her daily needs one day she was like a regular customer and every one there knew her. One day she was taking a look at some bras for her beautiful big breast, she was running her finger on the pads of bra to feel the quality of fabric, "you will not feel comfortable in that, its tight for you" a strange voice came from her back, she turned with same bra in her hand, a young boy who was around 18 or 19 was smiling in front of her, he was handsome, hot he got every thing a girl wanted in a man. "hi I am Alan, I just joined this store as a sales man." He introduced himself, Katie replied with a smile, and introduced herself too, she asked him how he knew things about bras with a grin, he told her that he used to work in a lingerie shop so he got some skills from there. but the talk about her undergarments with this no more stranger making her a lil bit hot, she was rich and she can fuck any guy but she didn't. after meeting this boy she felt some kind of freshness and some itching in her pussy. That day she shared some more stuff with Alan and after getting back home she undress herself and took a look in the mirror she grabbed her boobs and thought about the word of Alan he was right, Katie always wore bra that she felt tight but she wore to enhance her heavy milky boobs, boy was so mature that he told her the truth on first look of her body, she touched her pussy it was wet, wet for that boy she thought now she started dreaming about Alan to fuck her to satisfy her dreams, she again looked all over her body and thought could she seduce that boy to come over her house and fuck her hard, she smiled and said yes to herself, after two days she again visited the store she asked about Alan as she didn't find him, someone told her that he was in the basement, she followed the way and before getting into basement she undid her upper buttons of her tight shirt revealing her bra that she bought that day, she entered, and found Alan doing some work, "hey" she said. Alan turned back and after taking a look to her, he said now she was looking more good and hot, Katie smiled and said thanks to her, she understood that now she can took him to her bedroom, Alan was staring at her cleavage, she went upstairs Alan followed her. She bought a lot of things and asked the manager to help him to got things to her home, Alan was just standing a few feet away, and as the manger was looking for some one, Katie pointed to Alan, manager smiled and called Alan to help Katie, he picked the packets and boxes and followed her to her house, all the way he was staring at her huge ass. After getting into house Katie offered him a glass of water. After that as Alan walked to the door to leave Katie said "what about your tip to help me" he turned back and saw Katie taking out some money from her hand bag, she gave him the money, Alan said thanks, she smiled and said "this is for today every thing you done, and what about the help you did that day"
