“I don’t think so,” Kelly replied to her friends as they were discussing the hot thing, Kelly said she thinks that men are interested in teen girls, she thinks that they love young teen girls in bed, but Kimmy and Shasha her friends didn’t agree with it, they think that they are right that men like women and boys like girls. They were sitting in their school yard behind a tree missing her lectures, Kelly took out her lip gloss and rubbed it on her beautiful rosy lips. “Ok here is the bet I will try to seduce a man and I will tell you what I experience, then we will decide who wins and who loses,” Kimmy thought a minute and agreed Shasha too.

Now they need a guy or I can say a mature man, Shasha suggest them a teacher in their own school but Kelly didn’t want any trouble in her school, “how about your dad?” Kelly said in a low voice. “What?” Kimmy shouted, “what, its just a bet why are u getting angry I m not going to steal your dad from your mother?” Kelly told her with a laugh. Shasha said “yah I think Kelly is right, its just a bet and fun” so they decided to do it with Mr. Van Kimmy’s dad.

After the school they went to Kimmy’s house, it was their luck that Mr. Van was at home in kitchen having some ice cream. “Hi girls!” Mr. Van said to them. “Hi!” all three shouted. Kimmy moved to her room telling that he need some help of her friends in her work. Both beautiful girls followed her. Door closed and Kimmy asked Kelly that what she is going to do. Kelly opened the door “come and both of you just hang upstairs” Kelly moved downstairs unfastening her top button to show a glimpse of her beautiful cleavage. Both girls just froze there without any noise they can see Mr. Van sitting on chair with a bowl of ice on table as Kelly finished the stairs she pretend to slipping and falling in front of Mr. Van rubbing and showing her cleavage to him on his knees. Mr. Van immediately hold her from her shoulders and helped her to sit on chair and asked her if she is ok. Kelly replied she is and looked at Kimmy and Shasha, both were smiling as Mr. Van didn’t show any interest in Kelly. Doing some more tricks she went up thinking something. Kimmy laughed and said she win. Kelly asked for some more chances and they both agreed. Next day Kelly didn’t find Kimmy in class. Shasha asked her for her mission seduction, Kelly told her that she didn’t have anything now. After school Kelly went to Kimmy’s house for Kimmy. Kelly asked in loud voice for Kelly. “she went to her cousin with her mom, she will be back tomorrow” Mr. Van’s voice came from the room. Kelly decided to use this opportunity she took off her shirt and sit on the chair giving a side look in Mr. Van’s way. As Mr. Van came she shocked and still to see her daughters hot and sexy friend just in her bra and skirt, Kelly looked at him “oh I have allergy to rain water” Mr. Van just gave her towel and sat facing her.
