PORN GIRL: my first fucking video

As I got selected for a threesome video, I also decided to lost my virginity on cam, I got dates of my shootings after a month, between these months I met with jack(my director and my first co actor) several times, he kinds of like me, one day we met in a hotel room the room was big and cozy, I was wearing a short dress and I was looking hot, as he complimented me, we had lunch together and all the time he was starring at me, I was also feeling hot the guy was in front of who would have me first time on cam. My hand was busy in rubbing my pussy, after having lunch, he went to the toilet I was eager to know how his cock look, as he closed the door of the washroom I ran to the door and fixed my eyes on the key hole, I got happy seeing a clear side view of him, he undid his pants and took out his cock, wow his cock was not less than 9 and that purple head looks so tasty, my heart beats got faster, he was peeing holding his cock I was excited and my hands started fingering my pussy, my eyes were closed I was busy in feeling pleasure as I heard some sound before I could manage my self the door opened, and he was in front of me I was still on the floor with my hands under my dress, â may I help youâ he said looking at me, i just wanted him on me I undid his pants and took out his cock, without giving him a chance to say anything I started sucking it, that was the first time I was having a cock. That tasted good he also got horny and he showed it and grabbed my head and started pushing his cock in my mouth, my hands were fingering my pussy. He took me to the bed and took off my all clothes and his too, I grabbed his cock and positioned it to my pussy but he nodded in a no, and he asked me to in doggy, as I did he placed his cock on my ass hole, and asked me â do you want meâ . I said yes looking at him over my shoulder, and slowly he pushed it in he was so experienced in handling holes that I didnâ t feel much pain and he was totally in me, he held my waist and started fucking me, then he stopped for a minute and asked me to open the drawer next to the bed, I did and I found a dildo, I handed it to him knowingly what is going to be next. And he pushed th dildo in my pussy my both holes were filled, and he was fucking both I grabbed a pillow and put my head on it I grabbed it, I was near my first real orgasm â oh yah baby fuck me fuck me fuck me, show me who you areâ I was moaning. â I will tear your ass, you fucking sluts, you are a really good bitchâ he shouted. His words were making me more hot and horny. As I said â I am going to cumâ he pulled out his cock and turned me on my back, he started sucking and fingering me hard like a machine. With a loud moan I squirted all over him, I closed my eyes and he cleaned me, then I felt him on me and he took me on her, he was still waiting for his orgasm, I lowered my ass on his cock and started riding on him, after a big orgasm I just had I didnâ t had much energy to ride on him, and I fell on him my nipples nailed his chest, he understood my problem, and he sat with me in his lap and he started stroking himself in me, then he hugged me tightly I knew he is going to cum and he came in me. I felt his warm cum in my ass, that was so amazing, he kissed me and started fondling my breast, and I slept on him.

On the day of shooting I stepped out my dressing room in a string bikini, I entered in a room that had a big cozy bed and jack was on the bed with his underwear , in the room there were two camera man and two girls just arranging things, they were just in their panties and those men were playing with their boobs, as jack saw
