Sleeping with boss

I was 27 years old and working for my boss, I was his secretary. I was a hot office woman, I always liked parties and all glamour, my boss was in her early 30s and he was good looking, good behavior all n all he was a perfect man. Once our company faced a big loss, every one was very upset but not more than our boss. After a meeting in a hotel for a new project I went to my office to collect my things. I saw the car of my boss still parked in the office parking, I thought may be he took taxi or some one dropped him, I went to my cabin collect my things and as I turned to get out of the cabin I saw that the lights of my boss's cabin was still on I put my things back on the table and moved to his cabin as I opened the door I saw him on the couch, he was totally drunk and was in a different world I tried to wake him up, he opened his eyes but he was not in the condition to get home on his own I asked him to stand up and walk giving a support of mine his hand were on my shoulder, and all the time to the parking he was falling down I made him sat on the front seat of his car and I sat in driving seat as I started the car and moved a bit he fell down in my lap, I was in a short red dress exposing my thighs and his lips, cheeks were touching my thighs, and I wanted to reach his house as fast as I could because I was feeling hot by his touch my panties were getting wet and my breathe became faster, once I thought to stop the car and took his cock out and taste it, as he was drunk he would not remember anything but I controlled, I got his home and took him out of his car but he was really strong and heavy and I couldn't handle that and he was going to fall on the ground but I tried to hold him his head stuck to my breast I again lost my control by his touch and my grip loosed and he tried to get me and his hand grabbed my neck line of my dress and as he fell down my dress was torn in two pieces one was on my body and other in his hand, and my hot tight boobs were out in cold air. But it was quite dark so I didn't felt uncomfortable and lifted him again and took him to his bedroom, I took off his tie and shoes, I took of his belt and now my heart wanted to see that, I wanted to taste his cock, I took of my heels and sat beside her and unbuttoned his pants and pulled out his cock it was perfect not so big and not so small, just perfect I was dying to suck it I brought my lips close to it and kissed his cock head and bit by bit I took it whole in my mouth it became really hard I stood up and took of my clothes and same did to him, I drank him some water to get him in senses as I wanted him to fuck me so hard , I started kissing him, his hands moved to my back and pulled me to him, I sat in his lap and my hand was stroking his cock and my lips were making his lips wet, I lifted my self a little and showed him my full perfect boobs he grabbed them and squeezed hard, a moan of mine broke the silence in the room, hw was sucking my boobs like a child, I laid on my back taking him over me and spread my legs wide open taking him between them, his cock was just on my pussy and I was moving my body to got rub my pussy by his cock, I grabbed his cock and inserted its head in my love hole he was drunk but he knew what I was doing and he pushed his cock deep in my pussy grabbing my belly, he lifted my one leg and put it on his shoulder and fucked me more deep, I wanted to tell him how I was feeling but the pain and pleasure was forcing me to keep quite and bite my lips, he pulled out his cock and turned me over, I got on my four he wanted to fuck me from back, he pushed his cock again in my dripping wet hole, he grabbed

My body started getting tight and twisted I was near my orgasm, I cried and asked her to fuck faster and after a deep stroke my juice left my pussy, and made his cock wet, but he was still fucking me for his orgasm, this time he we climaxed together he filled my pussy with his cum, and pulled his cock out and poured the rest of it on my lips, I swallowed it and rubbed it over my face, now he was fully awake and wanted to fuck me againâ !..
