Desperate Seduction Part III

We moved to her bedroom kissing each other. Pinky leaned on her bed. I leaned next to her. She took me on top of her and we again started kissing. There is no hesitation this time. She is holding my neck. She guided my hands to her boobs and squeezed her boobs over my hands. I understood what she wanted me to do. I pressed both her boobs hard. She's getting mad and biting my lips in excitement. I broke the kiss and went down to her boobs slowly kissing along the way. The view of her naked body with her young and pink boobs is amazing. Her nipples were pinkish in color just like strawberries. I couldn't stop myself and started eating her nipples like a fruit.

She is moaning.. "Ahhhhhhhhh.....Rohan.. please stoop...I can't control. Just to give her relief, I continued down to her navel and sucked her navel and went down to her divine spot. I felt hitting her inner wall boundary. She almost lost her breath, stretched her body like a bow and shouted "Ohhhhhhhh.....Goddd" . She is panting for each and every stroke like a hungry dog. I got mad by seeing her like that. I gave long and deep shots at start and gradually increased my pace.

Within very few minutes we were kissing each other madly and her moans were imprisoned in my mouth itself. She broke the kiss and let out a huge moan "OOOhhh..... Ahhhh.... Please.... Ahhhhhhhh" I felt hot stream of liquid coming out of her pussy along my shaft. within seconds I cummed inside her. I'm out of the world those few moments. We fell on each other and were kissing each other's bodies and lips. After relaxing for some time, we cleaned ourselves and wore our dresses. we cleaned kitchen and hall and any traces of scent of our act. While I am going out through the main door of her house, she asked me will it be the last time I would see her. I simply smiled and both of us definitely knew what that means by.....
